## YOUR FIRST PERIOD CYCLE

*Like most stories, there are three distinct stages of your life. Your First, Second, and Third Period Cycles come from your month, day, and year of birth respectively. Together they form the foundation of your Life's Path. The First Cycle begins in childhood and lasts through your late 20's. It's a quest for knowledge and identity while you cope with the powerful forces that are present in your environment. These forces include your parents and the socio-economic conditions of your family, for example.*

### **Your First Period Cycle is 1 and lasts until age 30**

The first part of your life, through your late 20's or early 30's, is a period of much intensity. When the 1 dominates, it requires fortitude, courage, and flexibility. You are forced to use every one of your talents to achieve individuality and independence. This is a period of integration and focusing on your life's dreams. Your ability to stay the course is repeatedly challenged, but adequate resources become available to assist you. Resilience, independence, and fortitude are required. As you strengthen these characteristics, they become an integral part of your personality and help you to emerge stronger for it. This cycle marks a time of progress in your development.

## YOUR SECOND PERIOD CYCLE

*The Second Cycle covers the middle period of your life, bringing about the slow emergence of your individual and creative talents. The late 30's, 40's, and 50's, bring a greater degree of self-mastery and influence over your environment.*

### **John, your Second Period Cycle is 9 and lasts until age 57**

This is a period where you develop a broad view of humanity and sincere concern for the well-being of others. Tolerance, acceptance, and universal love are the goals of a 9 Cycle, and people under its influence move toward those ideals. Humanitarian principles and social service are the keys to personal happiness in a 9 Period. Hard work directed toward higher ideals is rewarded. Creative talent is enhanced, especially when joined by a larger social purpose or message. There is an element of sacrifice or letting go, as you are asked to forgive past grievances and part with negative attachments. You are inspired to live according to a higher ethical standard, with personal enrichment as reward.

## YOUR THIRD PERIOD CYCLE

*The Third Cycle represents a flowering of your inner self as your true nature comes to fruition. It is during this period that you have the greatest degree of power and self-expression.*

## John, your Third Period Cycle is 5 and lasts for the rest of your life

The latter period of your life finds you continuing to move through changing circumstances. There is an inherent restlessness associated with a 5 Period Cycle — one of the few cycles that encourages a more impulsive response to situations you encounter. You are drawn to travel, new people, and different cultures. This is a dynamic, somewhat chaotic cycle, where not much happens according to plan. You do best when you are social, physically active, and involved — giving your heart and mind the experiences they crave. During this period, you have a flair for successfully promoting yourself. You are drawn to all that is progressive and farsighted. This is a time to be quick and flexible, and to grasp opportunities as they come.

## YOUR FIRST PINNACLE CYCLE

*Pinnacles reveal general conditions and events you experience during each period, such as your environment, social conditions, relationships, and changing circumstances. Pinnacles reveal how you might respond to these influences and how they will affect your ever-evolving personality. The transition from one Pinnacle to the next is usually strongly felt. You begin to feel the transition from one Pinnacle to the next approximately two years in advance. The latter part of that two-year period can be particularly strong. You will likely make life-altering decisions, such as marriage, a job or career change, or major changes in your personal makeup. Knowing and understanding your approaching Pinnacle number prepares you for the changes ahead. Perhaps the most strongly felt change is the transition from First to Second Pinnacle, which usually takes place in your late 20's or early 30's. This is usually a difficult transition but once crossed, provides a clear sense of direction and a firmer sense of identity.*

### **John, your First Pinnacle Cycle is 1 and lasts until age 30**

This is a period requiring much independence, courage, resiliency, and initiative. You must bounce back after many difficult experiences. The challenge of this Pinnacle is to gain will power. There is not a lot of support from others or from family. You must draw from your own strength. You will have to guard against self-pity or surrender. Keep focused on your dreams. This Pinnacle will require an iron will to keep hold of your goals, and also the flexibility to maneuver around difficulties, and bend with the winds of adversity. This is a period of rapid self-improvement and growth. You will be forced to use every talent and capability you possess. You will need to be resourceful. You must continually put out effort, but with it comes great reward. Without it, there is no accomplishment nor satisfaction, only a negative attitude toward life. Be careful not to become too self-centered, headstrong or self-important. Be strong but flexible. Be open to the counsel of others but make up your own mind. The benefit of this Pinnacle number is a strong sense of your individuality and strength. You will know what you are made of. There are many hidden gifts in this period, perhaps the greatest of which is faith. Your Pinnacle provides you with the characteristics of leadership, boldness, and daring. You will have many unconventional ideas and the skill and courage to make them a reality. Your abilities to manage and organize people and institutions are greatly enhanced. You have vision and confidence in the worth of your dreams. These characteristics provide great opportunity for success and major accomplishments.

## YOUR SECOND PINNACLE CYCLE

*Your Second Pinnacle Cycle lasts nine years and tends to have a considerable influence on your productive/professional life.*

### **John, your Second Pinnacle Cycle is 5 and lasts until age 39**

This is a period that will teach the realities of freedom and expansion. You will travel great distances, meet many new and interesting people, experience many adventures, and essentially come to know the world. You are in a period of accelerated experimentation and learning. Experience is your teacher. Your ability with words is greatly increased. You can write and speak with ease. You are also able to successfully promote yourself. In fact, this is the source of much adventure; new opportunities for work, travel, and exotic experiences present themselves with regularity. Your challenge is to prevent yourself from becoming a rolling stone. You need to ground yourself in a particular discipline, career, or relationship. This will not limit your freedoms so much as give you a base for operation. Otherwise, you may find yourself skipping from one meaningless job to the next, one superficial relationship after another. You can also fall victim to the abuse of food, alcohol, sex, or drugs. You must accept limitations as a necessary base for your freedom. Freedom cannot exist without limitations, otherwise you would be without identity, and without existence. You may fear being anchored or tied down, which can cause you to skim the surface of a pursuit you enjoy, or important relationships. You must come to know the true meaning of freedom, which is unconditional love. You give your love and energy without the condition of holding on to a place, a person, or an occupation; and you expect the same in return -- to be loved for what you are, rather than someone who belongs to another. There is a highly spiritual path offering itself that requires detachment without loss of love. Many turn away from this and instead choose to maintain a superficial relationship with the world, or with other people. You must cultivate your talents, especially your verbal and writing abilities. You are likely a gifted salesperson, or promoter.

### **YOUR THIRD PINNACLE CYCLE**

*Your Third Pinnacle Cycle also lasts nine years. Like your Second Pinnacle, its effect is felt primarily in your career or business environment.*

### **John, your Third Pinnacle Cycle is 6 and lasts until age 48**

Under this Pinnacle you will be very involved with family, friends, and your community. You will face an increase in responsibilities and duties, but you have a greatly enhanced sense of balance and perspective that allows you to handle emotional issues well. Your family demands much of your attention. Matters involving spouse and children require much security, love, and sacrifice. You are the centerpiece of your family, the one people come to for solace and understanding. You may feel an increased burden, as you carry the cares of many. You will experience a deep sense of being needed. This Pinnacle is full of love, closeness, and warmth, but you must rise to the challenges that close relationships bring. John, you must settle and bring harmony to personal conflicts between others. You are often the only one with perspective in a conflict. It is as if you are the keeper of justice, bringing understanding and compromise to situations that are polarized. Under the influences of this Pinnacle -- especially at its outset -- people are often married or start families. Children are born, in-laws come into your life. You are the nucleus of a little world. You must maintain your dignity. This is a period that makes it easier to sacrifice, but you can overdo it, becoming a doormat for others to step on simply to

maintain a degree of peace. Know your limits and maintain healthy relationships. This is a fine period for growth in business and financial matters. You attract people with resources who can help to further your personal goals. Moreover, you are balanced in your approach to business affairs. This can bring many rewards. John, your heightened sense of harmony and your genuine compassion makes you an excellent counselor and healer, especially if you already have native talent in any of these areas. Personal health matters can also surface, causing you to reflect on diet, exercise, and other health habits. Your desire to help others is also increased. But this can lead you to poke yourself into situations where you do not belong or delve too deeply into other people's personal affairs. Be careful not to meddle or interfere. The 6 Pinnacle is a time of progress and growth as a full human being. You are capable of developing yourself in many different directions -- as a loving mate and parent; a sound businessperson; and as a pillar of your community. The time requires the balance you possess, since you can easily stretch yourself in too many directions and ultimately feel burned out by the demands in your milieu.

### **YOUR FOURTH PINNACLE CYCLE**

*Your Fourth Pinnacle Cycle lasts for the rest of your life.*

**John, You are repeating the Third Pinnacle**

## YOUR PHYSICAL TRANSIT

*The individual letters of your name are used to find your Transits. Your name is like music that vibrates in time; each note, or letter, has a specific duration and influence over the course of your life. Your life can, therefore, be seen as a musical score, with individual letters making specific contributions at given points, just as notes in a musical piece give it its rhythm, character, and nuance. The Transits appear as part of your Progressive Chart and will tell you much about specific influences taking place in your life during given years.*

### **Your Physical Transit for age 79 is N**

79 for The N transit delivers opportunities to expand your horizon. It is an adventurous period, increasing the possibility of travel or a change in residence. This is a dynamic time offering new activities and opportunities to make important social contacts. You seek love and fulfillment and are likely to feel more sensual than usual. Sacrifice, adaptability, and flexibility are called for. You will also be concerned with finances and may worry too much about these matters. You may be more forgetful during this transit. Exercising your intuition is important during this period.

### **Your Physical Transit for age 80 is J**

80 for You will have more initiative during this period and may change career or other important directions. There will be opportunities to strengthen your earnings; however, you will need to carefully research the details and possible consequences of your actions. Avoid shortcuts. This is also a period where new responsibilities may enter your life. After an initial period of emotional ups and downs, a sense of rebirth and realization should emerge, giving you renewed confidence. You aim higher and show a willingness to take calculated risks.

## YOUR MENTAL TRANSIT

*The Mental Transit is based on your middle name*

### **Your Mental Transit for age 79 is I**

This could be a particularly emotional time with many ups and downs. The I Transit can make you feel high-strung and vulnerable to stress – and somewhat accident prone. This period requires calmness, centeredness, and an acceptance of life. Do your best to control your moods and try not to slip into feelings of self-pity or insecurity. This year should also find you quite competitive, with opportunities to achieve success and financial reward.

### Your Mental Transit for age 80 is N

The N transit delivers opportunities to expand your horizon. It is an adventurous period, increasing the possibility of travel or a change in residence. This is a dynamic time offering new activities and opportunities to make important social contacts. You seek love and fulfillment and are likely to feel more sensual than usual. Sacrifice, adaptability, and flexibility are called for. You will also be concerned with finances and may worry too much about these matters. You may be more forgetful during this transit. Exercising your intuition is important during this period.

### YOUR SPIRITUAL TRANSIT

*Your Spiritual Transit is based on your last name.*

### Your Spiritual Transit for age 79 and 80 is O

This is a time of strong emotional experiences, which can affect your health if you are not mindful. You may find yourself worrying unduly. It is likely that more responsibility will be placed on your shoulders, with sensitive, emotional issues involved. You will find yourself more interested in religious, philosophical, and physical studies. Your leadership abilities will be heightened during this transit.

## YOUR ESSENCE CYCLE

*Your Essence number indicates the lessons you will be dealing with during that year. It says a great deal about how you will perceive your environment. It also gives clear advice on how you can be most successful during the year; which types of behavior will be supported by your milieu and which ones will be less effective. If one or more of your Transits change after your birthday this year, you will find two Essence cycles. If you only have one Essence, it means none of your Transits changed.*

### Your Essence for age 79 is 2

You must learn to cooperate with others in order to accomplish some greater good. This is not a time to lead, but to follow. You must be content to draw your guidance from the environment and those in positions of greater power. You must maintain your own center, but avoid arrogance, rigidity, and stubbornness. The more you insist on your own priorities, the more resistance will you meet. This is a period of partnerships. Your success depends on your ability to work with others. You will be extremely sensitive and intuitive. Your powers of understanding will be at an all-time high. These abilities will give you the insight you need to perceive subtle changes in people and situations. You will therefore be better able to adapt to changing circumstances. Your intuition makes it possible to accomplish great tasks, even though you may not be in a leadership role. The reason: you instinctively know how to react to change, and to gently advise people to go in the right directions. Your role as an advisor or confidant is the key to your success during this period. You are learning the lesson of interdependence. You will also come to know how valuable you can be in a more passive role. It is a period to serve, to be the helper, the assistant. Your ability and willingness to work with others will be tested and rewarded. It is essential that you listen. Be shrewd in your evaluations of others and of situations, but do not enforce your judgments directly on people. Your sensitivity will make it necessary for you to seek out harmonious and peaceful environments. Be careful of the health of your nervous system. You can become anxious more easily during this period. Therefore, seek out people you trust; share your deeper feelings; allow yourself to be supported by friends and loved ones. Keep your spirits high and avoid depression. Music plays an important role during this period. Any musical talent you possess will be enhanced. You even possess a certain physical grace that can emerge in dancing, athletics, or simply walking down the street. In your passive, centered way, you will be charismatic and attractive to others. People will sense your fine intuition and sensitivity and seek you out for private talks. Be loyal to friends and partners. Remain strong inwardly and flexible without. In this way you will avoid the obvious difficulties and remain on your path to success. This is a period of accomplishment through gentle persuasion.

### Your Essence for age 80 is 3

Your ability to express your self will reach an all-time high. Any talent you possess in the arts -- especially in writing, acting, or other performing arts -- will be greatly enhanced. This is a period of success through personal creativity. You have much opportunity to advance yourself and career through your own personal expression, charm, and creative

talent. This is a social time, filled with much fun and friendship. You will feel lighter, fresher, and more alive than in previous years. It is as if life has relieved you of a burden, allowing the more creative, upward, and joyful energies to flow more freely. People are naturally attracted to you. They sense your joie de vivre, your spirit, and creativity. Your challenge is to focus your heightened creativity on a worthwhile task. Discipline is essential. Choose a goal worth reaching. Pour your energies into something that will last. In this way, you will emerge from this period having accomplished something worthwhile, and learned to harness your creative abilities. If you fail to focus, you will likely spend your opportunity and creative urges on loose talk, superficiality, and socializing. This is an emotional period. The upward, heart-centered energies are peaking, bringing with them many old emotional issues. You can easily exaggerate the importance of an unkind word, or react too emotionally to a troubling situation. In short, you need perspective now. John, you are in a highly volatile period, making you highly creative, sensitive, and given to emotional mood swings. You are highly romantic and given to fantasy. There can be many wonderfully romantic times; however, it is important to avoid being swept away by your fantasies. Do not fail to see people for what they are. This is a time when you will learn the value of your personal expression, and your own uniqueness. It is a time of personal accomplishment and advancement.

## YOUR PERSONAL YEAR

*Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birth date to birth-date.) There are nine personal year numbers in a complete Epicycle. Each Epicycle reveals the progression of a specific part of your personal evolution. Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process. The 1 personal year describes your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle. Below is a description of your current Personal Year. It indicates where you are on the 9-year Epicycle.*

### **Your Personal Year cycle for 2019 is 4**

This is a year to be organized and practical. Take care of details. Commit yourself entirely to your goals. Your concentration and ability to focus will be much improved over last year. You will have an attitude of realism and determination. There can be a sense of limitation and some frustration this year. However, it is a year of important opportunities that must be seized. There can be considerable work-related travel. You must be flexible this year to make full use of the opportunities that present themselves. It will require a combination of perseverance, hard work, and versatility. You will receive recognition for your efforts and support from your friends and family. It is a good year to buy real estate or remodel your home. It is also a good time to take care of projects which have been postponed for too long. Fulfill your obligations and do not be afraid to spend some of that hard earned money. Selling and trading during this year usually is quite successful. This is the year to work on your foundation and prepare yourself for the many changes that will undoubtedly come next year. As a result of your hard work, there will be much satisfaction and a feeling of accomplishment. January and February will bring some important change, a new opportunity perhaps. March requires self-reflection and reshaping of your plans. It is a good time to meditate on what lies ahead. June brings a new and important step -- a breakthrough, perhaps -- in your work. October brings changes and a sense of chaos. You may feel threatened by the changes that are on the horizon. But November brings assistance in the form of a promotion or additional financial support.

### **Your Personal Year cycle for 2020 is 5**

This is a year of dynamic change. Many surprises will come your way. Be open and ready to embrace new opportunities. Do not be overly careful this year. This is a year in which a major step forward can take place if you are willing to take some calculated risks and do a little gambling. Wisdom and prudence is the key, but you will definitely be faced with choices that require fast action and a willingness to act before all the facts are in. This is an exciting year in which you will be required to promote yourself in order to take full advantage of the opportunities that await you. There will be increased opportunity to travel and possibly a change of residence. You will have some

unexpected adventures and lucky breaks this year. You may be tempted by the desires of the flesh: too much food, alcohol, sex, and drugs. Be careful and discriminate. You could make mistakes in these areas. This can be an unsettling year if you try to cling to outmoded methods or characteristics. This a year to throw off the old and adopt the new. It is a rebirth and a release after last year's struggle. This is a year in which change takes place consistently, and particularly so in April and May. July is a breakthrough, a time to enjoy life. September can be intense, while October requires tact and balance in relationships.

## YOUR DUALITIES

*How the yearly cycles affect each other. Your Essence and Personal Year cycles are distinctly separate energies that influence you in different ways. Your Essence reflects your mental, emotional, and spiritual state of mind at a particular time in your life and feels like an internal influence; it's a stage in your personal evolution. Your Personal Year cycle, however, feels more external. Your Essence and Personal Year cycles overlap creating a duality which produces its own influence. Most importantly, it tells us how you can get the most out of your mix of Personal Year and Essence cycles by looking at their combined influence. Personal Year cycles run concurrent with the calendar year and change every year, while Essence cycles run from birthday to birthday and can be anywhere from one to eighteen years, sometimes even longer. Therefore, you can have either two or three Dualities during any 12-month period. Three, if your Essence changes (one before your birthday, one after your birthday, and another when the new year starts). If your Essence doesn't change, you have two Dualities, one for each calendar year. For the purpose of Dualities, Essence cycles with Master Numbers (11, 22, or 33), or Karmic Debt numbers (13, 14, 16, or 19) are reduced to single digits, as their effect in the context of Dualities is indiscernible.*

### **Your Duality after your birth day in 2019 is 2 and 4**

After reading your Personal Year and Essence cycles, John, you probably noticed both influences are practical and realistic. However, this is pretty much where the similarities end. The 2 lends an intuitive, vulnerable and emotionally charged mindset, while the practical 4 is the most no-nonsense and least emotional of the nine numbers. As your Personal Year number, the 4 will affect the events and circumstances you encounter this year. The conflict between the impassive 4 and sensitive 2 can leave you feeling insecure in your relationships and social interactions. The rigid 4 would rather ignore the strong feeling of the emotional 2. Romance could be especially challenging. One moment you might be all heart and feelings, and the next be too focused on your project or routine to have time for it. This could make you look, and feel, as if you are unsure of what you want; changing your mind or manner can send mixed messages that leave others confused. Interestingly, these opposing influences are positive for almost all areas of your professional life. This is especially the case if your work is detail-oriented or you are in management. As changeable emotionally as you can be in personal relationships, you will likely be quite successful in non-emotional, practical, project-related dealings. Your 4 will be the ally that keeps you focused and efficient, and the 2 will lend the cooperative, harmonious, intuitive traits that help you work well with others. This is a good year to focus on your career, business, and other productive areas. In your personal life, protect yourself emotionally but try not to be overly sensitive. To stay focused on your goals, you will need to make an effort to keep the peace in your private life.

### **Your Duality before your birth day in 2020 is 2 and 5**

The Duality of a 5 Personal Year and 2 Essence cycle can be challenging, John. The main conflict stems from your Essence being largely focused on feelings and relationships, while your Personal Year influence wants freedom, variety, and adventure. Your 2 Essence produces a mindset that desires peace and harmony

during a period when your 5 Year rocks the boat and brings change. You will probably be restless this year, and a little tired of the predictability of your circumstances, thanks to your freedom-loving 5. However, your vulnerable 2 Essence could make you hesitant to address those feelings, for fear of disrupting your romantic (and other) relationships. Consequently, you will likely find one side of you holding back, while the other side reaches out. With your Personal Year delivering the dynamic 5, events and circumstances around you could be unpredictable, seemingly random, and often hectic. The conflict with your desire to maintain the status quo while your environment summons you to take chances can cause considerable frustration. It can also make you indecisive and hesitant. Your best response is to ignore - to some extent - the tendency to be overly cautious and conventional. (Your fragile 2 Essence could make you worry more than usual.) Courage, decisiveness, fast thinking and quick reflexes are the tools needed to make the most of this combination. Relationships that have a solid foundation will adjust and survive. Try to be sensitive to others (easy for the 2) but honor your need for change and excitement as well.

## **YOUR PERSONAL MONTH**

*The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.*

### **Your Personal Month for November-2019 is 6**

November offers the chance to strengthen your foundation in life. You pay close attention to the needs of your family and circle of friends. You are serious and responsible in all matters related to career and receive recognition and respect for that. Financially, this could be a good month with an unexpected reward coming sometime during the last week. In many ways, this month brings blessings and can be very satisfying. Your workload is considerable but doesn't burden you as much as it did during other times of this year. You have the energy and feel confident that you are now moving in the right direction. Feelings of insecurity and frustration that loomed so prominently during most of this year are disappearing. Your friends and family members display strong signs of loyalty and feelings are expressed more freely. One or more of your friends or relatives needs a boost and comes to you for help. You are happy with the opportunity to help out in a practical way as well as with moral support. You play the role of (m)patriarch. The only troubling experience during this month will be the need to deal diplomatically and tactfully with a long-standing problem, perhaps with someone at work. A basic personality conflict has been the cause of friction between you and a co-worker and can no longer be ignored. Tension may come to a head, but there is an opportunity to turn a difficult relationship into one of tolerance and mutual respect.

### **Your Personal Month for December-2019 is 7**

December is a fitting end for this year. You now enter a period of introspection, contemplation, and meditation, similar to that experience in March. December focuses you on inner-growth and soul-searching. However, that is where the similarities end. December is a more comfortable time for such an inward journey and expansion of your consciousness. There will be plenty of opportunities to withdraw, to seek the quiet. Whether you enjoy this time depends on whether you value such an experience. It's been a year of hard work and, at times, frustration, but the work will pay off. You are more aware of that now, and you are probably well aware that the year was well-spent. Understanding the value of day-dreaming and contemplation is more difficult as a result of this society's emphasize on action and result. However, the quiet, "un-productive" times of this month will be at least as rewarding, spiritually as well as practically. It allows for deep inner contentment and a fuller awareness of the love and goodwill of others.

### **Your Personal Month for January-2020 is 6**

All during this month the focus is on your attitude towards friends, co-workers, and family members. You are in a position to improve relationships in all areas. You are warm, and more outgoing than usual. Others are attracted to your optimistic disposition, and several people close to you will come to you for advice and comfort. January may bring a turbulent new relationship into your life. The initial introduction may start off a little awkward, even cause some friction. You will need to be tolerant and understanding. Even if you feel sure that your point of view is correct, a hardheaded, stubborn approach is not beneficial. On the contrary, the true purpose of this conflict is an opportunity for you to reach out and earn the appreciation and respect of this person by freely demonstrating your own. Other, more practical changes are also in the picture. Many will make changes in their office, residence, or work routine. You may get some strong signals that your career may receive a boost in the very near future, which only buoys your optimism. If you are single, this is an excellent month to be social and meet new people.

### Your Personal Month for February-2020 is 7

February finds you more inwardly focused. Self-reflection and contemplation bring spiritual clarity and growth. At the same time, your career improves and you manage to impress important people. Doors that have been closed open and offer access to opportunities. Financially, this month may also show some progress but the emphasize is more on opportunities and your ability to take advantage of them. Warnings are justified in two areas. Your dynamism and excitement may cause you to be somewhat insensitive at times. Also, you would rather plan and discuss future endeavors than to put forth the effort required to take full advantage of current opportunities. Key-words to make this month a success are caution and discipline. If you are married or otherwise committed, you may feel a little distant from your partner. This is temporary and does not require any special attention. If you are single, romance is not a high priority. Minor health problems that have not been treated may come to the foreground. This is a good month to apply discipline to your eating habits and to step-up your exercise regimen.

### Your Personal Month for March-2020 is 8

Be careful in all financial matters this month. Issues involving money take center stage. More people go bankrupt or make a killing during this period than with almost any other number combination. Now, especially, you are required to balance the material and the spiritual. If you are considering a major purchase that involves long-range financing -- such as buying a house or a car -- but you question whether you can fulfill the obligation, you would do well to wait until the second half of May before acting. The worlds of work and personal relationships require an opposite approach this month. A certain amount of aggression in career and business matters is favorable. Promote your ideas. Put out effort. Work harder and longer than is required. On the other hand, your personal life requires patience and understanding -- both of others and yourself. You may want to clear the

air between you and a loved one, but you have difficulty overcoming your fear of being misunderstood. Or perhaps you are not clear about what you feel. Try putting your thoughts on paper first to achieve a higher degree of clarity.

### Your Personal Month for April-2020 is 9

April brings a certain amount of completion in both your personal life and career. It is time to let go and prepare for new adventures. It is necessary to keep a close eye on the details, particularly those related to your finances. Check your bank balance regularly and make sure you save the receipts for deposits and other transactions. There are indications of upcoming changes in your work environment; you are in the unique position to move to the spotlight. Self-promotion is favorable. You are a little more emotional and vulnerable and may tend to make mountains out of molehills, however. Someone you care about is leaving, being transferred, or going on a long trip. Social events make this a hectic month and a certain amount of moderation and discipline is needed.

### Your Personal Month for May-2020 is 1

May brings a sense of freshness or a new beginning in your personal life and career. You are more energetic and decisive than last month; this will help you cope with the hectic pace this month brings. This is a time of opportunity and the need to adapt quickly. You have been selected to play an important role in some new endeavor. This is an opportunity to move your career forward but it requires courage and the willingness to sacrifice some short-term goals. Financially, this is a dangerous time because of the tendency to splurge. If you are single, you may well be introduced to someone very interesting and attractive. If married, romance is rekindled. Still, new romantic relationships started under this number combination tend to burn out quickly. The attraction is physical and immediate but may falter as soon as it is put to the test. Even if you are already committed you may well find yourself eye to eye with someone very attractive, in which case you may have to show considerable restraint in order to avoid a situation you may later regret.

### Your Personal Month for June-2020 is 2
