YOUR YEARLY RELATIONSHIP FORECAST

People change, sometimes dramatically, sometimes subtly.

When people form a close relationship, their individual evolution can affect the stability and harmony of their partnership.

John and Yoko, keep in mind the core numbers in your profiles (your Life Path, Expression, Heart's Desire, and Personality) tend to carry more weight than cycles do. However, cycles can cause upheaval in areas where you previously had no issues. When that is the case, try to remember they are most likely temporary.

YOUR PERSONAL YEAR

Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birth date to birth-date.) There are nine personal year numbers in a complete Epicycle.

Each Epicycle reveals the progression of a specific part of your personal evolution. Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process. The 1 personal year describes your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle.

Below is a description of your current Personal Year. It indicates where you are on the 9-year Epicycle.

John, your Personal Year cycle for 2019 is 4

This is a year to be organized and practical. Take care of details. Commit yourself entirely to your goals. Your concentration and ability to focus will be much improved over last year. You will have an attitude of realism and determination.

There can be a sense of limitation and some frustration this year. However, it is a year of important opportunities that must be seized. There can be considerable work-related travel. You must be flexible this year to make full use of the opportunities that present themselves. It will require a combination of perseverance, hard work, and versatility. You will receive recognition for your efforts and support from your friends and family.

It is a good year to buy real estate or remodel your home. It is also a good time to take care of projects which have been postponed for too long. Fulfill your obligations and do not be afraid to spend some of that hard earned money. Selling and trading during this year usually is quite successful. This is the year to work on your foundation and prepare yourself for the many changes that will undoubtedly come next year.

As a result of your hard work, there will be much satisfaction and a feeling of accomplishment. January and February will bring some important change, a new opportunity perhaps. March requires self-reflection and reshaping of your plans. It is a good time to meditate on what lies ahead. June brings a new and important step -- a breakthrough, perhaps -- in your work. October brings changes and a sense of chaos. You may feel threatened by the changes that are on the horizon. But November brings assistance in the form of a promotion or additional financial support.

Yoko, your Personal Year cycle for 2019 is 5

This is a year of dynamic change. Many surprises will come your way. Be open and ready to embrace new opportunities. Do not be overly careful this year. This is a year in which a major step forward can take place if you are willing to take some calculated risks and do a little gambling. Wisdom and prudence is the key, but you will definitely be faced with choices that require fast action and a willingness to act before all the facts are in.

This is an exciting year in which you will be required to promote yourself in order to take full advantage of the opportunities that await you. There will be increased opportunity to travel and possibly a change of residence. You will have some unexpected adventures and lucky breaks this year.

You may be tempted by the desires of the flesh: too much food, alcohol, sex, and drugs. Be careful and discriminate. You could make mistakes in these areas.

This can be an unsettling year if you try to cling to outmoded methods or characteristics. This a year to throw off the old and adopt the new. It is a rebirth and a release after last year's struggle.

This is a year in which change takes place consistently, and particularly so in April and May. July is a breakthrough, a time to enjoy life. September can be intense, while October requires tact and balance in relationships.

YOUR PERSONAL YEAR CYCLE COMPATIBILITY

It is not uncommon for two people to share the same Personal Year cycle (about 1 in 10), and when that is the case, they will always share the same Personal Year and Personal Month cycles. This is generally considered a positive between couples but not always; just as two people respond different to the same weather or landscape, they are affected in a different way by cycles. Still, there is a shared experience and therefore potentially, a shared understanding.

John and Yoko, your Personal Year's Compatibility in 2019 is 4 and 5

John and Yoko, this is a period where your individual cycles (and influences) will be very different. John, you should find a period of focus, effort, and possibly frustration or stagnation. Yoko will experience a time

of change, excitement, and dynamic energy.

As a result, Yoko is able to help you move forward and not become too frustrated by the demands of your cycle. You can return the favor by functioning as an anchor for her during her more unpredictable cycle.

The most positive effect of this combination is that their joint forces almost always deliver progress and decisiveness. By the end of this period, it is likely you will have established new goals and gained more clarity about your future.

A potential negative effect is a concern that, at times, you might move in such different directions you could begin to feel like strangers. This can be avoided by regularly sharing your feelings and ideas. Physical closeness and shared activities can help you stay connected.

John, your Personal Year cycle for 2020 is 5

This is a year of dynamic change. Many surprises will come your way. Be open and ready to embrace new opportunities. Do not be overly careful this year. This is a year in which a major step forward can take place if you are willing to take some calculated risks and do a little gambling. This is an exciting year in which you will be required to promote yourself in order to take full advantage of the opportunities that await you. There will be increased opportunity to travel and possibly a change of residence. You will have some unexpected adventures and lucky breaks this year.

You may be tempted by the desires of the flesh: too much food, alcohol, sex, and drugs. Be careful and discriminate. You could make mistakes in these areas.

This can be an unsettling year if you try to cling to outmoded methods or characteristics. This a year to throw off the old and adopt the new. It is a rebirth and a release after last year's struggle.

This is a year in which change takes place consistently, and particularly so in April and May. July is a breakthrough, a time to enjoy life. September can be intense, while October requires tact and balance in relationships.

Yoko, your Personal Year cycle for 2020 is 6

This is a year of progress and financial advancement. Major career opportunities present themselves. It is a challenging year in which personal growth is joined with new responsibilities and challenges. This is a year of domestic responsibility and attention to the needs of family and friends. It is a time of heartfelt emotions and some sacrifice. It is a time for comforting and caring. You realize the importance of your place within your community. You will

be called upon to help others bear their burdens. You are the proverbial friend in need. Deep feelings bring renewal to relationships and often a birth in the family.

You must work to create an atmosphere of harmony and balance. It is often a time when marital issues surface and need attention. However, you possess the understanding to deal with such issues effectively if you apply yourself with love and flexibility.

May is an emotional month filled with the promise and the stress of imminent changes. June is a breakthrough and a relief. September brings advancement, October self- reflection and readjustments, and December brings a sense of completion and fulfillment.

John and Yoko, your Personal Year's Compatibility in 2020 is 5 and 6

John and Yoko, your cycles are as opposite as they can be, yet they are not incompatible. In a relationship, their influences usually complement and balance each other.

John, you are in a dynamic cycle of change and highly charged, restless energy. Yoko's cycle is one of stability and responsibility, which should make her approach focused and practical. While you are looking for opportunity and adventure, Yoko will be centered on home and family - the people and things that mean the most to her. Your attention will be focused on work, projects, travel or other outside interests.

If you can recognize the differing aspects of your cycles and support each other's independent paths, this can be a rewarding period for your individual pursuits as well as your relationship. You can inspire a little excitement and Yoko can bring needed stability. However, there is also the potential for discord, blame, or anger. During this cycle, more than almost any other time, it is important that you do not try to influence each other too much. "Live and let" live should be the slogan for this period.

You have probably already recognized that you always experience very different cycles, some more compatible than others. This is an important aspect of your relationship, and not limited to this cycle. To maintain a successful partnership, you will both need to accept the fact that you will be influenced by very different energies for most of your lives. It wouldn't hurt to make "live and let live" a family slogan for life.

Although your cycles place you at opposite ends of the spectrum, you complement each other nicely, with each of you providing aspects that work well together. Chances are you make a great team when you put your minds to it, especially when it comes to presenting a united front to the outside world.

YOUR PERSONAL MONTH

The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.

John, your Personal Month for November-2019 is 6

November offers the chance to strengthen your foundation in life. You pay close attention to the needs of your family and circle of friends. You are serious and responsible in all matters related to career and receive recognition and respect for that.

Financially, this could be a good month with an unexpected reward coming sometime during the last week. In many ways, this month brings blessings and can be very satisfying. Your workload is considerable but doesn't burden you as much as it did during other times of this year.

You have the energy and feel confident that you are now moving in the right direction. Feelings of insecurity and frustration that loomed so prominently during most of this year are disappearing. Your friends and family members display strong signs of loyalty and feelings are expressed more freely. One or more of your friends or relatives needs a boost and comes to you for help. You are happy with the opportunity to help out in a practical way as well as with moral support. You play the role of (m)patriarch.

The only troubling experience during this month will be the need to deal diplomatically and tactfully with a long-standing problem, perhaps with someone at work. A basic personality conflict has been the cause of friction between you and a co-worker and can no longer be ignored. Tension may come to a head, but there is an opportunity to turn a difficult relationship into one of tolerance and mutual respect.

Yoko, your Personal Month for November-2019 is 7

November, with the 7 playing such a major role, directs the focus to your inner self. Some people experience this month as lonely, but it doesn't have to be. You will be inspired to refine your understanding of your place in the universe. Spend time considering what you are going to do with the rest of your life. Search your soul, define your priorities, and plan your future. Study and read and think. You are observant and insightful.

Put romance, career, and financial matters on the back burner this month. There will be plenty of time for that later. If you direct all your effort toward honest self-confrontation, your future progress will be insured.

YOUR MONTHLY RELATIONSHIP FORECAST

John and Yoko, monthly cycles are not as strongly felt as yearly cycles, however, they can have short period of considerable intensity. This is by no means common, but when certain numbers are aligned just so, it can throw things of balance.

If you feel you might be experiencing some turmoil within your partnership, read the monthly compatibility and reflect on its meaning. You will almost always be able to recognize where the friction comes from, and this is a big step towards healing.

You may also want to refresh your memory by taking another look at your Relationship Compatibility Profile as well as your yearly cycles.

Your Personal Month's Compatibility for November, 2019 is 6 and 7

John and Yoko, you are experiencing very different cycles. On one hand, the influences of the 6 and 7 complement each other very well. On the other, they create such differing needs that you may find you share little common ground during this period.

The potential exists for you to disagree on just about everything: how to spend your weekend, what kind of car to buy, which of your friends to invite, and so forth. Your approach to social situations and activities will probably differ as well. John, your 6 suggests you will be more extroverted than usual, reaching out to others, while Yoko (the 7) seeks quiet time alone.

Positive influences during this cycle are found in your tolerant, giving nature and willingness to sacrifice to accommodate Yoko. This is an important and necessary factor for the relationship during this time.

Yoko may not be as patient as usual and may seem withdrawn. But if she seems a bit cool and distant it probably has nothing to do with the relationship; she is just doing a little soul searching and needs space. However, she should also be cautious about becoming so focused on her own world that she loses sight of you. Although her 7 inspires a more inward, personal journey, loved ones need attention too.

John, your Personal Month for December-2019 is 7

December is a fitting end for this year. You now enter a period of introspection, contemplation, and meditation, similar to that experience in March. December focuses you on inner-growth and soul-searching. However, that is where the similarities end. December is a more comfortable time for such an inward journey and expansion of your consciousness. There will be plenty of opportunities to withdraw, to seek the quiet.

Whether you enjoy this time depends on whether you value such an experience.

It's been a year of hard work and, at times, frustration, but the work will pay off. You are more aware of that now, and you are probably well aware that the year was well-spent.

Understanding the value of day-dreaming and contemplation is more difficult as a result of this society's emphasize on action and result. However, the quiet, "un-productive" times of this month will be at least as rewarding, spiritually as well as practically. It allows for deep inner contentment and a fuller awareness of the love and goodwill of others.

Yoko, your Personal Month for December-2019 is 8

December will be rewarding in many areas of life. This is a good time for business and money matters. But don't indulge in spending money to impress others or flaunt your success.

The 8 Personal Month brings balance in all material matters. Expect some recognition in your working environment, perhaps a bonus or promotion. This is an excellent time to promote some of your ideas or any other input you have in relation to your career.

Romance is favorable too. Express your love.

Your Personal Month's Compatibility for December, 2019 is 7 and 8

John and Yoko, this cycle will produce very different influences and needs for each of you. John, during this period you might feel a little left out or ignored by your partner, although this is most likely not her intention. Yoko's cycle is just focused on getting things done, reaching goals, and taking advantage of opportunities, at a time when you are more contemplative, examining your priorities, and perhaps questioning the reasons behind what you are doing.

The fact that your needs and ambitions are moving in different directions could create problems for your relationship. You may find it difficult to find common ground or even be interested in each other's concerns.

Your best approach during this cycle is to give each other room to pursue your differing interests and avoid

feeling you have to share everything. You will need more time alone than usual, to reflect and analyze, or just enjoy a little solitude. During this cycle, it is probably best to keep things simple and allow for a little separation in your daily lives.

John, your Personal Month for January-2020 is 6

All during this month the focus is on your attitude towards friends, co-workers, and family members. You are in a position to improve relationships in all areas. You are warm, and more outgoing than usual. Others are attracted to your optimistic disposition, and several people close to you will come to you for advice and comfort. January may bring a turbulent new relationship into your life. The initial introduction may start off a little awkward, even cause some friction. You will need to be tolerant and understanding. Even if you feel sure that your point of view is correct, a hardheaded, stubborn approach is not beneficial. On the contrary, the true purpose of this conflict is an opportunity for you to reach out and earn the appreciation and respect of this person by freely demonstrating your own. Other, more practical changes are also in the picture. Many will make changes in their office, residence, or work routine.

You may get some strong signals that your career may receive a boost in the very near future, which only buoys your optimism.

If you are single, this is an excellent month to be social and meet new people.

Yoko, your Personal Month for January-2020 is 7

January brings stability and clarity. Your career shows promise, but there is not any promotion or practical gain just yet. If you are involved in legal affairs or have wanted to take care of something that involves the law, this month is a good time to start the necessary procedures. You may be notified of an impending legal procedure that affects you or a loved one.

Study or read and enjoy the much needed quiet after last year's hectic pace. Domestic affairs play a major role during this year and begin now. However, you will be feeling more intellectual than emotional during this month. Tolerance and forgiveness will not come naturally, and you could be a little self-righteous. Try to be more flexible.

Your Personal Month's Compatibility for January, 2019 is 6 and 7

John and Yoko, you are experiencing very different cycles. On one hand, the influences of the 6 and 7 complement each other very well. On the other, they create such differing needs that you may find you share

little common ground during this period.

The potential exists for you to disagree on just about everything: how to spend your weekend, what kind of car to buy, which of your friends to invite, and so forth. Your approach to social situations and activities will probably differ as well. John, your 6 suggests you will be more extroverted than usual, reaching out to others, while Yoko (the 7) seeks quiet time alone.

Positive influences during this cycle are found in your tolerant, giving nature and willingness to sacrifice to accommodate Yoko. This is an important and necessary factor for the relationship during this time.

Yoko may not be as patient as usual and may seem withdrawn. But if she seems a bit cool and distant it probably has nothing to do with the relationship; she is just doing a little soul searching and needs space. However, she should also be cautious about becoming so focused on her own world that she loses sight of you. Although her 7 inspires a more inward, personal journey, loved ones need attention too.

John, your Personal Month for February-2020 is 7

February finds you more inwardly focused. Self-reflection and contemplation bring spiritual clarity and growth. At the same time, your career improves and you manage to impress important people. Doors that have been closed open and offer access to opportunities. Financially, this month may also show some progress but the emphasize is more on opportunities and your ability to take advantage of them.

Warnings are justified in two areas. Your dynamism and excitement may cause you to be somewhat insensitive at times. Also, you would rather plan and discuss future endeavors than to put forth the effort required to take full advantage of current opportunities. Key-words to make this month a success are caution and discipline.

If you are married or otherwise committed, you may feel a little distant from your partner. This is temporary and does not require any special attention. If you are single, romance is not a high priority. Minor health problems that have not been treated may come to the foreground. This is a good month to apply discipline to your eating habits and to step-up your exercise regimen.

Yoko, your Personal Month for February-2020 is 8

February may bring upheaval in family affairs or with friends. The 8 carries a powerful balancing energy and much of that will be directed to your relationships. The truth will come out and you will have the opportunity to heal relationships that have been damaged by misconceptions. Real relationships will become stronger but superficial ones will break

down.

Rewards and recognition in your career will also come to you this month. Often, the 8 Personal Month/6 Personal Year brings considerable progress and financial gain.

Romance is also strongly represented. You meet an attractive person, but the challenge here is to approach the situation with sensitivity and awareness. If you come on strong, you will blow the opportunity. Focus on sensitivity and avoid the temptation to be rude at all costs.

Your Personal Month's Compatibility for February, 2019 is 7 and 8

John and Yoko, this cycle will produce very different influences and needs for each of you. John, during this period you might feel a little left out or ignored by your partner, although this is most likely not her intention. Yoko's cycle is just focused on getting things done, reaching goals, and taking advantage of opportunities, at a time when you are more contemplative, examining your priorities, and perhaps questioning the reasons behind what you are doing.

The fact that your needs and ambitions are moving in different directions could create problems for your relationship. You may find it difficult to find common ground or even be interested in each other's concerns.

Your best approach during this cycle is to give each other room to pursue your differing interests and avoid feeling you have to share everything. You will need more time alone than usual, to reflect and analyze, or just enjoy a little solitude. During this cycle, it is probably best to keep things simple and allow for a little separation in your daily lives.

John, your Personal Month for March-2020 is 8

Be careful in all financial matters this month. Issues involving money take center stage. More people go bankrupt or make a killing during this period than with almost any other number combination. Now, especially, you are required to balance the material and the spiritual. If you are considering a major purchase that involves long-range financing -- such as buying a house or a car -- but you question whether you can fulfill the obligation, you would do well to wait until the second half of May before acting.

The worlds of work and personal relationships require an opposite approach this month. A certain amount of aggression in career and business matters is favorable. Promote your ideas. Put out effort. Work harder and longer than is required. On the other hand, your personal life requires patience and understanding -- both of others and yourself. You may want to clear the air between you and a loved one, but you have difficulty overcoming your fear of being misunderstood. Or perhaps you are not clear about what you feel. Try putting

your thoughts on paper first to achieve a higher degree of clarity.

Yoko, your Personal Month for March-2020 is 9

Whenever the 6 and 9 team up, it is often emotional because you may have to let go of someone close to you. You experience relationships more deeply and feel greater warmth for others. You reach out for contact and substance. Other people will also be drawn to open up their hearts and minds to you. This reflects strongly in your relationship with family and friends, but also in the work-environment. People will come to you with their problems, seeking an understanding ear and a shoulder to cry on. You feel closer to your fellow man, and because of your attractive disposition you will receive much support from others.

Good news may come from your work that will boost your self-esteem. Move slowly and carefully where romance is concerned, however, because you are not in a position to make long-range plans.

Your Personal Month's Compatibility for March, 2019 is 8 and 9

John and Yoko, as is often the case in your relationship, this cycle influences you in very different (and not altogether compatible) ways.

For you John, it is a time to get out and shake some trees, make things happen, and reap the rewards. To make the most of this cycle it will be important for you to stay focused and aggressive while pursuing your goals.

For Yoko, the cycle could feel a little shaky, so she will need your commitment and support during this period. With your focus on interests outside the relationship, and Yoko needing your attention more than usual, it will probably take effort from both of you to prevent disappointment or resentment from creeping in.

John, although this will be an enterprising time for you, make time for your partner as well. You, too, will experience a period when nothing seems secure and solid. In fact, your next cycle will probably bring a bit of that, so you may be looking to her for support.

Help Yoko recognize you do not mean to pull away from her, your cycle just delivers a more ambitious spirit. She is at the end of a cycle, and should focus on completing projects and letting go of things that are no longer fruitful. (Her next cycle should be much more energetic.)

Because your cycles tend to be almost opposite, you have probably learned to adjust to each other's needs. This ability is the key to sustaining a long and happy union.

John, your Personal Month for April-2020 is 9

April brings a certain amount of completion in both your personal life and career. It is time to let go and prepare for new adventures. It is necessary to keep a close eye on the details, particularly those related to your finances. Check your bank balance regularly and make sure you save the receipts for deposits and other transactions. There are indications of upcoming changes in your work environment; you are in the unique position to move to the spotlight. Self-promotion is favorable. You are a little more emotional and vulnerable and may tend to make mountains out of molehills, however.

Someone you care about is leaving, being transferred, or going on a long trip.

Social events make this a hectic month and a certain amount of moderation and discipline is needed.

Yoko, your Personal Month for April-2020 is 1

This month brings new beginnings in several areas of your life. You have more energy and are ready to implement some changes in your life. Display aggression in your career and it will progress nicely. Start new projects. Take a chance. A 6 Personal Year often brings considerable financial gain, particularly in or around the months of April (this month) or November.

This is also a time in which matters of the heart come to some kind of climax. Young lovers get married, married people re-commit, and troubled relationships either work it out or separate.

The month of April brings challenges in the area of communication. Be careful what you say and how you say it, so you don't stick your foot in your mouth. Actively pursue the things you want in your career, finances, and love-life. Romance is very positive now and more people find their soul-mate during this period than at any other time during the 9-year cycle.

Your Personal Month's Compatibility for April, 2019 is 9 and 1

John and Yoko, once every nine cycles your relationship may go through a challenging period, a time when only your love and commitment will see you through. (This is felt more strongly in a yearly versus a monthly cycle).

Your current cycle is likely to bring disagreements and arguments that make you wonder what happened to

the nice person you used to know. This is due to being at opposite ends of the spectrum. Yoko has a 1 cycle delivering new beginnings, and you are at the tail end of your cycles, wrapping things up before beginning a new phase. Conflicts could be heightened by your emotional vulnerability during a period when Yoko may be less sensitive than usual.

There are few, if any, cycle combinations as challenging as this one, but with effort and recognition of your love for each other, your relationship can survive and grow even stronger. The most important piece of advice for Yoko is to give you plenty of attention, even if she feels you are overly emotional. (Your 9 could bring mood swings).

The advice for you is not to take your emotions too seriously. You are likely to be going through changes that require surrender and acceptance, which could make you more emotional than usual (even melodramatic). You will also benefit from understanding Yoko does not mean to be abrupt or insensitive, she is just in a more ambitious cycle than you are.

Only your hearts can save the day. When emotions are high, it is often the heart, not the mind that is able to understand and weather the storm.

John, your Personal Month for May-2020 is 1

May brings a sense of freshness or a new beginning in your personal life and career. You are more energetic and decisive than last month; this will help you cope with the hectic pace this month brings. This is a time of opportunity and the need to adapt quickly. You have been selected to play an important role in some new endeavor. This is an opportunity to move your career forward but it requires courage and the willingness to sacrifice some short-term goals. Financially, this is a dangerous time because of the tendency to splurge.

If you are single, you may well be introduced to someone very interesting and attractive. If married, romance is rekindled. Still, new romantic relationships started under this number combination tend to burn out quickly. The attraction is physical and immediate but may falter as soon as it is put to the test. Even if you are already committed you may well find yourself eye to eye with someone very attractive, in which case you may have to show considerable restraint in order to avoid a situation you may later regret.

Yoko, your Personal Month for May-2020 is 2

May is a 2 Personal Month in a 6 Personal Year and focuses on harmony and diplomacy in all relationships, including the work-environment. You are more sensitive and aware of the feelings of others than you were last month, and you will be called upon to use those abilities.

You will find yourself in the role of mediator/peacemaker in order to maintain harmony in the work place. Become a hard-nosed yet diplomatic negotiator. Find a balance between tact and sensitivity on one hand, and persistence and conviction on the other. You will be able to meet these challenges and will come through with flying colors. Financial rewards will come. Keep things organized and take care of details or else you may find yourself in chaos by the end of this month.

If you are involved in a legal tangle, and quite a few people in this stage of their Personal Rhythm Cycle are, you will gain some ground and find good reasons to be optimistic.

Romance is highly favored now, especially for new relationships.

Your Personal Month's Compatibility for May, 2019 is 1 and 2

John and Yoko although your cycles are quite different, they should not cause too much friction. John, you are entering a period of renewal that supplies new energy and a change of direction in your personal life and career. The 1 brings motivation and an impatience to get things started. Little will seem to move fast enough.

Yoko, on the other hand, is probably slowing down a bit, more concerned about improving her relationships. This is a time for her to network, find resources, and align with others, a time when feelings and connection are particularly important. This could cause her to feel more emotionally vulnerable than usual.

These cycles support each other in most respects. John, you will be the engine of change and progress while Yoko steers and redirects. However, you need to be sensitive and careful not to expect Yoko to be as motivated and driven as you are. You must also accept that she may be a little more demanding than usual during. In turn, she should avoid making mountains out of molehills or letting emotions override common sense.

John, your Personal Month for June-2020 is 2

The 2 and 5 combination enhance your insight into the motivations and emotions of others. You play the role of counselor several times this month. Your intuitive powers are also enhanced, but this does not extend to money matters. It's not a good time to take financial risks. There are changes taking place in many areas of your life this year, and the general instability is felt strongly this month.

Study and reading are more favorable, especially when related to your career. The focus is on relationships at work and at home. You need to trust others enough to open up your heart and reveal your deeper feelings. This is a good time to release some bottled-up feelings.

Romance also plays an important role this month, particularly if you are involved in a relationship that originated fairly recent. Your enhanced sensitivity and intuition helps you to see the deeper meanings and values, which make the relationship stronger or. . . . cause a permanent break. A critical issue here, is your ability to express your true feelings. Communicate!

An unexpected invitation to visit a friend or relative in some distant town may inspire you to pack your bags and go. This will turn out to be beneficial.

Yoko, your Personal Month for June-2020 is 3

This is an excellent time to give yourself a break. Take some time off. Enjoy yourself. Don't be too serious. This is a time of enhanced creativity and originality. Become involved in playful activities. Participate in social events. You will meet new people who offer a welcome change to the routine aspects of your life.

Your career may seem unpredictable now but will be much better next month. "Luck" in financial affairs is likely now. Romance is also favorable.

The emphasize of this month is on fun and leisure. Enjoy.

Your Personal Month's Compatibility for June, 2019 is 2 and 3

John and Yoko, when cycles fall next to each other in number sequence (like your 2 and 3) it creates very different needs and experiences for the parties in a relationship.

John your 2 indicates this will be a cycle when emotions are felt more intensely and have more impact than usual. You might feel like a protective layer has been lost, leaving you particularly vulnerable. During this same period, Yoko will experience heightened inspiration, enthusiasm, confidence, and creativity - a light-hearted time when other emotions play a lesser role.

The likelihood that you will be strongly affected by your feelings could lead to mood swings, emotional insecurity, or confusion. Coupled with Yoko's upbeat attitude (and perhaps lessened sensitivity and intuition), this could create challenges for your relationship.

There may be occasions when Yoko doesn't understand why you are so upset about what she feels is a minor argument, and you might wonder why your partner seems so distracted and uncaring. The best advice for Yoko is to be sensitive to your concerns and give you extra time and attention during this cycle. You can help by not dwelling on your emotions. If Yoko seems a bit caught up in other things, it is probably because she feels secure enough in the relationship to focus on the creative endeavors and social events that are an

integral part of her current cycle. If you need attention or a more sensitive approach, let her know.

You will both have to make room for your differences. Recognizing you are going through very different cycles can help you better understand each other.

John, your Personal Month for July-2020 is 3

Money matters come to the foreground; debts are called in and close attention should be paid to your bank account.

Your ability to influence the ideas and opinions of others works in your favor and may create a new source of income. This is also a good time to promote yourself. If you have considered upgrading your resume or trying out for that new position you have been considering, now is the time to do it. A career change is also possible as a result of outside forces. You are more creative.

You feel somewhat restless and impulsive and are willing to take risks for the sole reason that you need a change. There is a tendency to be somewhat scattered and even a little irresponsible during this cycle.

Your domestic environment also becomes a source of restlessness and you may have to guard against irrational behavior from your side. At the same time, you reach out to old friends and relatives you have not been in touch with for some time.

Your emotional state is a little turbulent causing you to be moody. Try to maintain equilibrium. This is a month to be somewhat detached from the events and circumstances surrounding your life. Don't take yourself too seriously, and, if possible, take some time off for a vacation. It's a good time to recharge your batteries.

Yoko, your Personal Month for July-2020 is 4

Yoko, it is a time to seriously apply yourself to your duties and responsibilities. Take charge in home, career, and community affairs. Be patient and apply yourself to routine and details diligently. Organize your personal life and your career. Tie up loose ends. Start projects that will improve your living situation such as repairing the house or starting a garden.

Someone in your circle of friends and relatives needs help. Usually, this is a younger person who has not yet found stability or purpose in life.

This month may well bring an excellent opportunity in your own career. Focus on legal affairs. Discipline

and effort are the key-words for this month.

Romance takes a more serious turn. Expectations are expressed, and commitments made.

Your Personal Month's Compatibility for July, 2019 is 3 and 4

John and Yoko, during this period your cycles will be pushing you in opposite directions. Your numbers suggest this is probably often the case in your relationship – but it does not necessarily reflect incompatibility.

For you John, this is a time to relax and smell the roses, while Yoko needs to stay focused and maintain a high level of effort. It is important that you don't try to change each other's inclination to follow the demands of your individual cycles. Yoko needs to accept the fact that you are not as disciplined and ambitious as usual, while you should guard against trying to talk her into taking it easy.

Contrary to what one might expect, as a rule cycles with a gap of one (like your 3 and 4) are not usually incompatible even though they move in different directions. In fact, they often complement one another. Their differences normally cause stress only if couples try too hard to influence each other.

John, you should be allowed to back off a little from the daily grind, and Yoko will need support and encouragement during what could be a rather demanding cycle.

John, your Personal Month for August-2020 is 4

Your career may be demanding and a bit frustrating this month. You need to attend to routine matters, some of which may be boring. This is not a time to slack. Don't procrastinate. Commit to your responsibilities and see projects through to completion.

This August could bring a welcome opportunity on the job front, but your success will depend upon your willingness to stand up for yourself, to take charge of circumstances, and refuse to be victimized by outside events. You need the courage to stand up for your beliefs, to "do the right thing."

Make important changes in your life. Such as start a diet and/or exercise regimen, quit smoking, dedicate yourself to a good cause, and reconnect to your higher spiritual values. This is the month to make fundamental and positive long-term changes in your life.

It's important to demonstrate to those around you that you are dependable and can be relied upon. This affects both your work and love life. You will impress all of those around you with your sense of duty and trustworthiness.

Yoko, your Personal Month for August-2020 is 5

August brings some changes in work and your personal life. It is a dynamic time, and nothing goes according to plans. Play things by ear.

Your career progresses well as a result of your enhanced ability to find creative solutions. You make a good impression on some people who are in a position to reward you. There will, however, be a confrontation between you and a co-worker, with long-ranging affects. The outcome will depend on your personal strength and self-confidence. If you are involved in business deals or legal affairs, some surprising changes may take place. In all areas of your life, flexibility and adaptability are important. Your friends and family require a lot of attention. Social gatherings are frequent and will bring new relationships into your life.

Traveling, perhaps across the ocean, is possible and favorable.

Romance is exciting. Be socially active. If you are single, you could meet someone who will be a permanent part of your life.

Your Personal Month's Compatibility for August, 2019 is 4 and 5

John and Yoko, this is a period where your individual cycles (and influences) will be very different. John, you should find a period of focus, effort, and possibly frustration or stagnation. Yoko will experience a time of change, excitement, and dynamic energy.

As a result, Yoko is able to help you move forward and not become too frustrated by the demands of your cycle. You can return the favor by functioning as an anchor for her during her more unpredictable cycle.

The most positive effect of this combination is that their joint forces almost always deliver progress and decisiveness. By the end of this period, it is likely you will have established new goals and gained more clarity about your future.

A potential negative effect is a concern that, at times, you might move in such different directions you could begin to feel like strangers. This can be avoided by regularly sharing your feelings and ideas. Physical closeness and shared activities can help you stay connected.

John, your Personal Month for September-2020 is 5

The hectic pace of last month continues. However, the nature of activities is quite different. You are challenged to keep up with events and influences that, at times, appear out of your control. If you can be flexible and adaptable, you will cruise through this month comfortably and successfully. Let old plans, expectations, and concepts go. Otherwise, stress may take a physical toll. If you are willing to take the changes in stride and "go with the flow", you will find yourself in a better position in career as well as personal life by the end of this month.

This is an adventurous, dynamic, and progressive time, with less focus on details and routine stuff. Social events and romantic adventures highlight the month. The word "adventure" is the operative word: few romances that begin during this time have the emotional depth and substance needed to survive the test of time. However, any relationship begun now still has much to teach you about life and love, so be open to all the possibilities. Be warned, however, you may have a tendency for over-indulging your senses this month. Moderation is wisdom.

Your health may cause you some concern. In most cases, this is the body reacting to changes that have taken place during the course of this year and are only temporary. If problems persist, seek the advice of health counselor or physician.

Yoko, your Personal Month for September-2020 is 6

September will force you to deal with the issues of responsibility and loyalty. Devote your time and energy to the needs of family and community. Become involved in some sort of activity that will benefit others financially. You will, and should be, concerned less with your own financial affairs, than with those involving others. Be selfless and generous in all areas of your life. It is a time to forgive and heal. You are highly aware of your bond with the people you love, as well as with neighbors and co-workers.

Legal affairs you might be involved in come to the foreground. Financially, September has the potential to be very good.

Romance is shaky. Choose your words well and follow up on promises. Don't forget birthdays.

Your Personal Month's Compatibility for September, 2019 is 5 and 6

John and Yoko, your cycles are as opposite as they can be, yet they are not incompatible. In a relationship, their influences usually complement and balance each other.

John, you are in a dynamic cycle of change and highly charged, restless energy. Yoko's cycle is one of

stability and responsibility, which should make her approach focused and practical. While you are looking for opportunity and adventure, Yoko will be centered on home and family - the people and things that mean the most to her. Your attention will be focused on work, projects, travel or other outside interests.

If you can recognize the differing aspects of your cycles and support each other's independent paths, this can be a rewarding period for your individual pursuits as well as your relationship. You can inspire a little excitement and Yoko can bring needed stability. However, there is also the potential for discord, blame, or anger. During this cycle, more than almost any other time, it is important that you do not try to influence each other too much. "Live and let" live should be the slogan for this period.

You have probably already recognized that you always experience very different cycles, some more compatible than others. This is an important aspect of your relationship, and not limited to this cycle. To maintain a successful partnership, you will both need to accept the fact that you will be influenced by very different energies for most of your lives. It wouldn't hurt to make "live and let live" a family slogan for life.

Although your cycles place you at opposite ends of the spectrum, you complement each other nicely, with each of you providing aspects that work well together. Chances are you make a great team when you put your minds to it, especially when it comes to presenting a united front to the outside world.

John, your Personal Month for October-2020 is 6

October brings stability to the dynamic changes the year has presented. Expect increased responsibility, recognition, and perhaps a raise or promotion. This month shifts the focus to relationships with family and friends. You share greater closeness with loved ones and may find yourself giving and receiving comfort and advice. Loyalty and trust are fundamental to your wellbeing this month. If you are unwilling to trust or abuse the trust of someone else, you could experience the break-up of a relationship. Share your feelings.

If you are single, a new and lasting romance is possible. If you already have a relationship, this is the time to commit. All affairs of the heart are positively highlighted. Health problems will also take a turn for the better.

Yoko, your Personal Month for October-2020 is 7

Distance yourself somewhat from the affairs and troubles of other people. During the course of this year you have been asked to help, counsel, and advise others many times. Now, give yourself a break. Spend time alone for contemplation and meditation. Study and reading are also favorable. Your workload does not decrease but much of it is routine and allows you to mentally drift. Still, your mind is sharp, and you can easily concentrate when you want to.

Inner healing takes place. Old wounds may be reopened. There is some sadness and nostalgia, but the

healing is real and needed. This is a time of spiritual growth. Postpone decisions regarding financial affairs, if possible, until next month.

Matters of the heart are also a low priority. You are not very clear this month and would rather not be bothered with it. Emphasize your personal well-being. Diet, exercise, and go for walks. Don't distract yourself from soul-searching by watching television or other mind-numbing practices.

In many ways, your experience of this month will set the tone and direction for next year.

Your Personal Month's Compatibility for October, 2019 is 6 and 7

John and Yoko, you are experiencing very different cycles. On one hand, the influences of the 6 and 7 complement each other very well. On the other, they create such differing needs that you may find you share little common ground during this period.

The potential exists for you to disagree on just about everything: how to spend your weekend, what kind of car to buy, which of your friends to invite, and so forth. Your approach to social situations and activities will probably differ as well. John, your 6 suggests you will be more extroverted than usual, reaching out to others, while Yoko (the 7) seeks quiet time alone.

Positive influences during this cycle are found in your tolerant, giving nature and willingness to sacrifice to accommodate Yoko. This is an important and necessary factor for the relationship during this time.

Yoko may not be as patient as usual and may seem withdrawn. But if she seems a bit cool and distant it probably has nothing to do with the relationship; she is just doing a little soul searching and needs space. However, she should also be cautious about becoming so focused on her own world that she loses sight of you. Although her 7 inspires a more inward, personal journey, loved ones need attention too.

John, your Personal Month for November-2020 is 7

November, with the 7 playing such a major role, directs the focus to your inner self. Some people experience this month as lonely, but it doesn't have to be. You will be inspired to refine your understanding of your place in the universe. Spend time considering what you are going to do with the rest of your life. Search your soul, define your priorities, and plan your future. Study and read and think. You are observant and insightful.

Put romance, career, and financial matters on the back burner this month. There will be plenty of time for that later. If you direct all your effort toward honest self-confrontation, your future progress will be insured.

Yoko, your Personal Month for November-2020 is 8

November is an excellent time for business ventures, financial affairs, and all things related to the material world. You receive recognition for past effort in the form of financial rewards, respect, and possibly promotion. Implement any changes you have been considering in your business affairs.

As always, when the 8 shows up in the chart, a certain amount of balancing takes place. Punishment and reward are both possible. If you have put out sincere effort, the reward will be there. However, for some people, an 8 month may bring bad news, after all, the 8 is balance, including the balance between effort and reward.

This is a good time to straighten out financial dealings you may have with friends or relatives as well. This is not a good time to go into debt. But it is a good time for love. Strong feelings and passionate exchanges on the emotional and physical level make this an exciting month.

Your Personal Month's Compatibility for November, 2019 is 7 and 8

John and Yoko, this cycle will produce very different influences and needs for each of you. John, during this period you might feel a little left out or ignored by your partner, although this is most likely not her intention. Yoko's cycle is just focused on getting things done, reaching goals, and taking advantage of opportunities, at a time when you are more contemplative, examining your priorities, and perhaps questioning the reasons behind what you are doing.

The fact that your needs and ambitions are moving in different directions could create problems for your relationship. You may find it difficult to find common ground or even be interested in each other's concerns.

Your best approach during this cycle is to give each other room to pursue your differing interests and avoid feeling you have to share everything. You will need more time alone than usual, to reflect and analyze, or just enjoy a little solitude. During this cycle, it is probably best to keep things simple and allow for a little separation in your daily lives.
