## **ABOUT YOUR RELATIONSHIP COMPATIBILITY PROFILE & FORECAST**

This report analyzes the personalities of both subjects to assess their compatibility. It also offers suggestions for ways to mitigate the stress or damage that can come from differing personalities and perspectives.

When you are involved in a relationship, you come to know each other more deeply over time. At first friction is rare. As time goes by and you discover additional sides to your partner, you become aware of personality traits you appreciate as well as some that rub you the wrong way. Even if you consider your relationship nearly perfect, you will experience occasional bouts of conflict.

Negative traits are almost always a cause of friction, but it is interesting to note that some qualities that are considered positive can also be incompatible. You may find this report to be more critical, or even harsh, compared to other readings of this type. My approach is designed to throw light on differences in your chart that might benefit from a frank, unbiased examination. Ignoring potential issues can cause more damage in the long run than a few honest remarks in a reading.

You will probably encounter some texts that state: “The compatibility aspect in this area of the chart is already included in other parts of this report.” Those texts are not repeated here because they are either redundant or offset by other conditions. This is done to offer a perspective that is as well balanced and clear as possible; repeating certain traits would place too much emphasis on them.

If you have received previous reports that mentioned double-digit numbers in your chart, such as Master numbers or Karmic Debt numbers, you will notice in the Relationship Compatibility Reports all numbers are reduced to single digits. This is because single digit numbers are the essential influences that affect relationship compatibility; including double-digit numbers would only diminish the clarity we aim for.

I hope you will appreciate the perspective of your Compatibility Report and will find it beneficial to your relationship.

## THE LIFE PATH

*Your Life Path number is considered the single most significant information available in your Personality Chart. It is derived from the total of all numbers found in your date of birth. However, it is important to keep in mind that the aspects described in the next few chapters will either complement, supplement, or sometimes weaken the attributes revealed in numbers derived from your name.*

### **John, your Life Path number is 6**

You possess great compassion and seek to be of service to others. You have concern for the weak and the downtrodden. You are a healer and a helper to others. You are capable of giving comfort to those in need and will frequently offer a shoulder for others to cry on.

Your task in life is to develop the tools necessary to be truly helpful to others, rather than to simply be a sympathetic ear.

You must find the balance between help and interference. In the same way, you must learn the delicate art of the counselor who knows when to leave the struggle to others and when to avoid taking away the necessary experiences and lessons of life. You are naturally balanced. Therefore, you are well equipped to support and ground others in times of trial.

It is in your nature to take on responsibility -- you often fill the void left by others -- and do not turn away from personal sacrifice. At times, you may feel overburdened by the travails of others. However, the love others bestow upon you is your well-deserved reward. You try to maintain harmony within the family or group, balancing and fusing divergent forces. You seek marriage and are often a wonderful parent, offering warmth, protection, and understanding to children.

You are generous, kind, and attractive. You are often admired even adored which baffles you. You are humble and yet you carry a deep pride. You move well and gracefully but will have to work to stay in shape. Seek out physical exercise and limit the sweets and dairy you crave to keep yourself from becoming plump and round.

When young, you must be careful not to choose partners for the wrong reasons. Do not let sentimentality influence your decision, especially those involving the choice of a spouse. You need to be needed but must learn to discriminate between those you can help and others who are made weaker by your care. After all, it is in your nature to be attracted to the weaker brothers and sisters among us.

The temptation, and the danger for you, is to think of yourself as the savior of the world, carrying the burdens of others on your shoulders.

You are blessed with musical talent, as well as in the visual and performing arts. However, your creativity may well be suppressed due to your willingness to sacrifice, or your inability to fully appreciate your talents.

This is not to say that you cannot excel in these areas; on the contrary, you have the talent, and with effort you can make a success in a number of artistic fields. You also have enormous talent in business. You are blessed with a great deal of charm and charisma, which you use effectively to attract the people and support you need.

### **Yoko, your Life Path number is 9**

You are the philanthropist, humanitarian, socially conscious, and are deeply concerned about the state of the world. You have great compassion and idealism. You are a utopian and will spend your life trying to realize some aspect of your utopian dream, sacrificing money, time, and energy for a better world. It is in giving that you will find much satisfaction.

You have a broad outlook on life. You tend to see the big picture, rather than the minute details. You naturally attract people from all walks of life who can fit into your larger plans and take over the areas you find uninteresting. The person with a 9 Life Path is rarely prejudiced or accepts social biases of people. Instead, they evaluate people on the basis of what they can do for the larger cause. They are the true egalitarian.

You are imaginative and creative, especially at harmoniously arranging the beauty already potential in the environment. These abilities can lead you into such fields as interior decorating, landscape art, and photography. But because of your strong social consciousness, you can be an effective politician, lawyer, judge, minister, teacher, healer, and environmentalist. Vocations that require self- sacrifice and have a clear social impact are common among 9s.

You are often disappointed by the realities of life: the shortcomings of others, or of yourself. Somehow, you don't want to accept the imperfections of the world, a feeling that drives you constantly to try to improve upon it. But rather than be satisfied with your efforts, and those of others, you relentlessly push on, striving for greater accomplishments. You are often unsatisfied with the results. In short, you lack the perspective that would otherwise make it possible for you to enjoy life more fully and accept its natural limitations. You have a controlled enthusiasm and the ability to finish what you start.

A key to your personality is the necessity of sacrifice. You have to learn to let go of material possessions and relationships, the inherent lesson being that holding on too tightly to anything causes pain. Money comes to

you through mysterious or unexpected ways: inheritance; the benevolence of someone who was inspired by your work; or a lucky investment. Conversely, if you pursue money for its own sake, after giving up on your larger dreams, you're likely to find yourself empty handed.

The most successful and satisfying road for a nine is giving; sharing and sacrificing for a larger goal, without expecting anything in return. Your greatest chance at success is to tie your personal fortunes to an endeavor that makes the world a better place for others. Very often, this turns into a highly successful and lucrative enterprise, providing amply for you and your family. Your life rests on the axiom that the more you give, the bigger your reward.

You are romantic, but your love is more impersonal. You tend to be focused on your dreams.

When you are not in harmony with your true nature, you can fall to moodiness, or become aloof, and withdrawn. You can become timid, uncertain, and ungrateful, putting the blame for your troubles on others or the world. You have a gift for examining your life objectively, and at some distance. Be honest with yourself. By openly facing your shortcomings, as well as your strengths, you develop equilibrium. You are thus able to love and better understand yourself and all of life.

## **HOW YOUR LIFE PATH NUMBERS COMPARE**

*Your Life Path number is the most important influence in your chart. As such, their compatibility is very important to the well being of your relationship.*

### **John and Yoko, your Life Path Compatibility is 6 and 9**

John and Yoko, all numbers divisible by 3 have several things in common. First and foremost, they respond to the physical, emotional and spiritual needs of others. The 6 (John) expresses this in the love and care shown to family and friends. The 9 (Yoko) directs her attention to the greater good - to humanity at large.

When the 6 and 9 are found between romantic partners in this part of the chart, compatibility is automatic. Both of you are self-sacrificing, giving and caring people. John is more practical, Yoko more idealistic, but your motivations are similar.

One attribute you share is your sense of justice; both the 6 and the 9 have a strong awareness of right and wrong. This could lead to one or both of you getting involved in politics or becoming activists or advocates for a cause. Unless you happen to be on opposing ends politically, this trait could further strengthen your bond.

Creativity and an eye for beauty are other aspects you have in common. Oddly, this is often a source of trouble for this combination. There will be times you have similar views when it comes to decorating, for example, but you will also often differ. When it comes to creative matters you will both have strong opinions. In the event of a disagreement, you will need to compromise (something you are both quite capable of doing).

Although you are generally highly compatible, there are areas where you are likely to clash if certain negative traits are not acknowledged and kept under control. Although this is not common in your combination, it is something to be aware of. Yoko, although idealistic and self-sacrificing, the 9 has the potential to become arrogant and self-righteous at times. Recognizing the relative value of your concepts and ideas may not be your strong suit, which could lead to putting others down if they do not share your (elevated) viewpoint. If this tendency is combined with extreme religious belief the 9 can become a negative influence on others, even destroying a relationship with the most devoted partner. Accepting that the 'truth' as we understand it is still limited allows us to have compassion and tolerance for others. The 9 is the least prejudiced of all numbers, so the likelihood of this being an issue is not high. But, as with all human traits, its dark side tends to be the direct opposite of its light side.

John, although your 6 is considered the most loving of all numbers, it has a dark side as well. The 6 can become intolerant and angry, often without a clear cause. Irritation and anger can fester, just waiting for the right opportunity to appear. The 6, although sincere, can also be intrusive and meddlesome to an uncomfortable degree.

John and Yoko, the negative side of the 6 and the 9 are rarely displayed, but you will need to be mindful to prevent them from spoiling what is most certainly one of the best relationship combinations around.

## THE EXPRESSION

*Your Expression number, calculated from your full name at birth, reveals the orientation or goal of your life. Some numerologists refer to this as your Destiny number because it represents a lifelong target at which you are aiming. Thus, the Expression number, to some extent, reveals the person you aim to be.*

*Your Expression is the most influential of the three characteristics that make up who you are. It is also the number with the most influence on your choice of career, although other aspects are important as well.*

### **John, your Expression is 1**

You are a natural leader, independent and individualistic. You are extremely ambitious, original, and courageous. You employ new and unproven methods. You are an explorer and an innovator. Openness to too many peripheral influences limits and frustrates you.

You are self-reliant, confident, and energetic. You easily assume the role of protector. You spring into action when leadership is needed.

You possess executive abilities and are most successful at owning or independently managing a business. You need the freedom to make your decisions, based on your ideas. You can be an astute politician. You also possess the ability to influence the opinions of your milieu.

The number 1 symbolizes the front-runner, pioneer, warrior, risk-taker, and daredevil. Generals, top politicians, successful businessmen, self-made millionaires, religious leaders, inventors, activists, and avant-garde artists are often born with a 1 Expression.

Strength and perseverance are central to your success. You must be willing to travel the frontiers of life, away from the beaten path. You possess a great reserve of willpower that must be directed at your goals. You do not give up, but relentlessly pursue your aims.

John, you are quite opinionated. People tend to be inspired or repelled by your strong personality. You have great powers of concentration and the ability to visualize your goals, thus making them more attainable. You stand up for your convictions and hold your ground. All of these abilities enhance your chances of success in life.

There is a tendency to be self-centered. You can be domineering and, in the extreme, a bully. You can be highly critical of others, complaining that people lack the industry or determination you possess. But this

lack of understanding can alienate friends and family members from you. You must learn to control this tendency to maintain harmony in relationships. Once you are convinced of the inherent correctness of your ideas, you stubbornly -- and sometimes rigidly -- defend and propagate them. Avoid obstinacy and antagonism. You must cultivate balance, compassion, and perseverance.

Pride can be your downfall. You so powerfully identify with your goals and ambitions, you sometimes refuse to see a potential flaw or weakness in your well-laid plans.

You possess strength and determination, which, when applied to any endeavor you are committed to, will lead you to great success in life.

## Yoko, your Expression is 2

You have a great talent for working with others; you possess tact and refinement. You have a highly developed intuition. This provides you with insight into personalities and situations. Therefore, you act with tact and subtle persuasion. You possess a kind of radar, avoiding the landmines within another's personality, yet bringing out their goodwill. These abilities make you the perfect diplomat. You are a good counselor with an inborn talent for psychology and finely tuned intuition.

Your abilities are better expressed while working with others than by working alone. In the same way, you perform better in a partnership than in a leadership role. You seek balance and peace in all relationships and situations. The key to your personality is sensitivity, but there are two sides to the coin: You are able to perceive the thoughts and emotions of others and can work gently with others for a mutually shared goal. This makes you a great asset in any group endeavor. However, your sensitivity makes you vulnerable. You can be thrown off balance by an unkind word, a conflict, or by hostile conditions at work. You are far more upset by these conditions than people without your sensitivity. While others appear to be enduring troubled times with a modicum of turmoil, you suffer the turbulence of life as if your very survival were at stake.

In difficulties, you tend to persevere and steadily erode the resistance. You are like a gentle wind that shapes the rock.

You are friendly and open-minded. You are a great support person, pulling the best out of those around you. You are the power behind the throne. You are indispensable to the leadership of another, providing insight and advice that is essential. Yet, despite the invaluable service you provide, you often do not get the credit and recognition you deserve, which can be frustrating. Your natural modesty and the enjoyment you get from being an important asset is usually satisfaction enough for you.

Close relationships are essential to your happiness. When single, you dream of finding your "soul mate." When married, you are concerned with your spouse's needs, emotions, and thoughts. You are an outstanding

marriage partner, giving, thoughtful, and conscious of meeting the needs of your loved one. You provide great support for your spouse's career. You are a passionate lover.

Parenthood is not an easy role for you, probably because you lack the will to enforce discipline and need a tranquil, delicate, and harmonious environment.

You are blessed with a high degree of musical talent. You have a good sense of rhythm and harmony.

## **HOW YOUR EXPRESSION NUMBERS COMPARE**

*More than any other number in your chart, your Expression number reflects who you are as a whole person on a deep level (rather than the "face" you show to the world, described by your Personality number).*

*It cannot be over-emphasized how important it is to recognize that the same number in a different area of your chart will affect you differently. There may be times you read something that seems to directly contradict an earlier statement. Yet, if you take time to carefully think about the opposing information you might recognize that, being the complex individual you are, you carry the same contradictions. This is natural and true for all of us. You may excel at organization in one area of your life, while chaos rules in another. You may be tactful and sensitive in one setting, but direct and confrontational in another.*

*Be aware that it is more difficult to overcome negative traits you recognize in yourself when they are found in this part of the chart, than when they are found under the Life Path description.*

### **John and Yoko, your Expression Compatibility is 1 and 2**

John and Yoko, you have a very promising combination although, interestingly, you have very little in common in this aspect of the chart. The core numbers show John to be strong, driven, competitive, motivated, and perhaps somewhat domineering. Yoko is by nature more the "power behind the throne", a more patient type who keeps the bigger picture in mind. Sensitive, intuitive, insightful and supportive, she will (usually) allow John to assume the more assertive role, while unobtrusively making sure the job gets done. The fact that you don't vie for power is key in this relationship. Both of you know your wants and needs and, in your own way, can express them to each other. Being comfortable in the roles you have chosen helps you to complement each other well.

Yoko is the peacemaker, John the driving, ambitious force. However, it is important to look at other compatible aspects in your number combination to keep this in perspective. John needs to be careful with Yoko's sensitive nature. his strength is like a strong stick - it won't break easily and isn't concerned about getting damaged. Yoko's strength is more flexible, but also more vulnerable. she will surrender more easily

but is also more sensitive to harsh words and criticism. John can shrug off judgment from others without much damage to his ego. Interestingly, it is precisely because Yoko can bend with the breeze that she is likely to be the survivor if a serious storm hits, whereas, if the wind is strong enough, John's strength may snap.

In this aspect of the chart, the key to a healthy relationship is mutual respect and sincerity. John needs to understand that Yoko's willingness to compromise or surrender does not indicate weakness or an indecisive nature. He should also be aware that Yoko is not easily fooled. Although Yoko may accept an explanation or situation without confrontation, it is due to her insight and perspective rather than cowardice. she may recognize insincerity and dishonestly more quickly than John and should not be underestimated. And Yoko should keep in mind that showing strength and bravado does not mean that John is not susceptible to hurt feelings. In fact, behind that facade of strength and courage is someone who experiences matters of the heart very deeply.

## THE HEART'S DESIRE

*The Expression number described above points to a more productive side of your life. Your Heart's Desire reflects a deeper, inner you; it suggests an underlying urge, your true motivation, and the general intention behind many of your actions. It reveals the environment and lifestyle you prefer, as well as your likes, dislikes, and the type of people you are drawn to. Consequently, it dramatically influences the choices you make in life.*

*It makes sense that the vowels of your name are the foundation for your Heart's Desire. Vowels are the peaks and valleys of a language. Notice how vowels leave your mouth in a free-flowing breath. Try it: Aaaa.... Eeee.... Oooo.. Consonants though, are cut off either at the beginning or in the end.*

*You might say that it is in the flow of your breath that you express your deeper self.*

### **John, your Heart's Desire number is 5**

Freedom is essential for your happiness. You love change, new experiences, meeting new people, adventure and travel. You love the exotic, faraway places. Variety is more than mere spice of life -- you thrive on it. You are extremely flexible and adaptable. You have more curiosity than the proverbial cat. You have a sharp mind and a natural ability with words. You are a born communicator, clear, fluent, and imaginative in every area that interests you -- which are many!

Your Heart's Desire makes you very well equipped for life. Change -- the only constant in life -- doesn't threaten you, as it does other people. You are highly resourceful. Generally, you can think clearly in a crisis; you have good mental and physical reflexes. Whenever you fall, you tend to land on your feet.

You are highly enthusiastic. You get excited easily over a new idea or opportunity. Your nature is unconventional. You are a bit of a gambler, taking risks whenever you think the rewards are worth it.

You are very socially oriented and rarely, if ever, dull or boring. You are, of course, drawn to those people who, like yourself, are original thinkers and have exciting personalities.

You enjoy being involved in several projects at the same time. You need continual stimulation by the new and fascinating. You tend to discard boring pastimes quickly. Your love of freedom and change can have numerous consequences. You can be irresponsible, especially when it comes to finishing tasks. You have a

hard time persevering at a given project and bringing it to completion.

You must be careful that your love of sensory pleasure doesn't lead you to excessive indulgence in alcohol, food, sex, and even drugs.

You are a bit of a hero and want to save the world. This causes you to make promises you often cannot keep. Down deep, you long to please everyone, an impossible goal. Many 5s can be emotionally superficial. They feel love passionately, but fear making deep and lasting commitments. As a result, they resist the depths of emotional attachments and remain on the surface where it is safe.

You will experience many changes and unusual events, but you learn best through experience. Therefore, your life will be full, and you will make great strides in personal growth.

### **Yoko, your Heart's Desire number is 6**

Your attention is directed to helping and caring for those you love. You are exceedingly domestic. You love your home and family and work hard to make both comfortable and secure. Your love for family and friends is a major source of your happiness and sometimes unhappiness. Your desire to help others is so strong that you often find yourself sacrificing your own personal needs for someone else's. You can overdo it, becoming too deeply involved in other people's lives. You risk interfering in personal matters and or smothering those you love in too much affection. This can be especially weakening to children, who never experience their own personal strength if an adult is too protective.

You are extremely loyal and rarely let anyone down. You need to feel appreciation for your giving and caring. You want to know that you are needed. You are generous and very forgiving. You are somehow able to overlook the worst mistakes in another and find enough good in that person to continue the relationship. You are patient, warm, and sympathetic, sometimes to the point of sentimentality.

You have a natural ability as a counselor and healer. You are an excellent listener, compassionate and understanding. You can both sympathize and empathize with a person's dilemma. Your challenge as a counselor is to be adequately educated so that you can do more than provide a sympathetic ear or shoulder.

You possess a great deal of artistic talent, though you may not have a lot of confidence in your ability. Art gives you a great deal of pleasure and satisfaction. You are especially sensitive to your environment and have a knack for creating an artistic, healing, and harmonious atmosphere in your home or work space.

Your deepest intention is to love those around you and be loved in return. Six is the most loving of all numbers, especially in one-to-one relationships. Your instincts are toward your family and friends. You envision a beautiful and harmonious life with love as the basis for all social interaction. Your love is

returned manifold; people appreciate you and the love you give and are willing to go to great lengths to keep you close at hand.

## **HOW YOUR HEART'S DESIRE NUMBERS COMPARE**

*Compatibility of the Heart's Desire number is very important in a relationship. Few relationships last beyond the initial stage if these numbers are not harmonious.*

### **John and Yoko, your Heart's Desire Compatibility is 5 and 6**

John, you are attracted to Yoko's strength and stability. Yoko is the grounding force in your relationship, offering almost unconditional love and protection. You feel safe and secure in her love. Yoko, you thrive on giving love, comfort and protection. You are attracted to John's free spirit and the way his courage and curiosity bring excitement and growth to the relationship. The 5 (John) and the 6 (Yoko) complement each other very well.

It is interesting to note that this type of partnership is somewhat rare. This is due to the initial distrust the 6 and the 5 must overcome when they first meet. They have very little in common and usually don't make the effort to bridge the gap. Therefore, although not impossible, love at first sight is rarely found in this combination.

When a 5 and 6 are drawn to each other, it is usually very physical and sensual. Once you connect, the attraction grows quickly and powerfully, overshadowing just about everything else in your lives. This physical attraction is a strong foundation and while many couples lose interest in their physical relationship after a period of time, your attraction should last and remain quite powerful. A physical attraction is particularly important to John, who is a sensual person by nature.

Once you have overcome any initial wariness, Yoko will recognize there is much more substance to John than He initially revealed; and John will prove that, despite an early reluctance to commit, He is extremely loyal and trustworthy. The belief that people who embrace change and adapt to new circumstances easily do not have the ability to commit is proven wrong when applied to the 5. In fact, John is less likely to cheat than most people.

In contrast, Yoko could become a source of frustration or jealousy for John because, although Yoko easily commits and is loyal, it is in her nature to give love freely and generously to all. She is quick with hugs and concern for other people simply because she has a lot of love to give. Teaching, healing, and counseling (even if they are not part of a career) are major ingredients of the 6, and Yoko needs avenues to express them.

The most difficult challenge Yoko may have to overcome is John's extremely social personality. For John to be happy, He must live a dynamic life full change, impulsive decisions, social activities and travel. With some exaggeration, you might say Yoko prefers to stay home while John loves going to the pub. To maintain a successful relationship, you will both need to accept your differences while making a united effort to support and nourish your relationship.

## THE PERSONALITY

*The consonants of your full name at birth are the foundation of your Personality number, which is a little like a narrow entrance hall to the great room that is your true nature. It's the outer layer of your personality, the part you feel comfortable sharing. With time and trust, you invite others into the deeper aspects of your nature.*

*Your Personality number serves as a censoring device in terms of what you send out, as well as whom and what you allow to approach. For this reason, your Personality is usually narrower and more protective in its definition than the real you. It also gives an indication of how others perceive you.*

### **John, your Personality number is 5**

You are a stimulating person. You brighten social gatherings with your fresh and original ideas. Your conversation tends to be sprinkled with novelty and wit. You have a quick tongue and charisma. You are probably an excellent salesman. There is a lot of nervous energy within you looking for an outlet. You love your freedom and you see this life as an ongoing adventure. You are upbeat and optimistic. This is infectious for those you meet. As a result, you inspire others. You have a strong and attractive body, with good muscle tone. Your movements are supple, graceful, and athletic.

Your bane is that you love to indulge your senses with food and drink and can easily gain weight. You have an appetite for anything that stimulates the senses -- sex, food, alcohol, and drugs. Discipline is a necessity for you. The negative side of a 5 Personality Number can give rise to an addictive personality.

You like to dress fashionably and can get away with more colorful clothes. However, you should be aware of the value of quality and the power of modesty.

You are a little irresponsible and quick in satisfying your sensual urges. You are attractive and that, coupled with your innate ability to promote yourself, makes it easy for you to satisfy your desire for new and exciting relationships. You have a kind of swashbuckling personality. People see you as the adventurer that you are. They expect the unexpected from you, and when they don't you often surprise them.

You have a quick and eclectic mind. You attract information from all directions, but you can be a bit superficial, skimming over the surface of a wide diversity of subjects. This may cause you to be a bit of a dilettante. You can get away with it much of the time, but for your own success and happiness, you should

try to ground knowledge and deepen your understanding.

Your versatility and adaptability make you capable of getting the most out of virtually every opportunity in life. You decide quickly on a course of action and your timing is usually good. You radiate with the potential for success, which attracts others who can further you along your path.

### **Yoko, your Personality number is 5**

Yoko, your Personality is also a 5; the same as John's

## **HOW YOUR PERSONALITY NUMBERS COMPARE**

*Your Personality is the first aspect people notice when you first meet. Very few relationships have a chance to progress if their Personality numbers are not compatible.*

### **John and Yoko, your Personality Compatibility is 5 and 5**

John and Yoko, you both have a 5 in this part of the chart,

a number full of contradictions no matter where it is found. For example, the 5 is sensual, freedom loving, tends to overindulge, and does not like to be tied down. Paradoxically, it is also loyal and less likely to cheat than any other number. The 5 will avoid commitment if possible but takes fidelity very seriously once it finally commits.

You probably recognize these traits in yourself and your partner. You both take commitment seriously yet are willing to give each other space and freedom. You are tolerant, easy going, and flexible. Your mutual understanding is one of the many strong benefits to this combination that will help you weather many storms. However, there is a dangerous side to this relationship (as there is in many).

John and Yoko, the danger does not come from outside, but from inside. You are both adventurous people who dislike routine, preferring change and variety in your lifestyle and environment. Even major changes such as switching careers or moving to another town - even when there is no real need for a change. This attraction to freedom and adventure has the potential to create trouble. Your desire to try new things and to test boundaries might be expressed in a somewhat wild lifestyle that includes overindulgence in drugs,

alcohol or other vices.

In most partnerships, if one partner has a “wild streak” the other can help to counter it. But in sharing the dynamic 5 energy, you could both venture into the danger zone with no one to prevent things from getting out of control.

John and Yoko, you have much in common and have all the ingredients for a long, happy, and fun-filled relationship. However, to prevent a slow slide into a lifestyle that could be quite difficult to emerge from, you will both need to be painfully honest with yourselves and each other. If you see yourself or your partner moving toward an unhealthy habit, act swiftly to address it before it gets out of control. Have fun, but do not allow your desire for freedom and adventure to pull you too far in the wrong direction. The 5, more than any other number, requires discipline.

## MATURITY NUMBER

*Your Maturity number indicates an underlying wish or desire that gradually surfaces at around age 30 to 35. A direction begins to emerge as you gain a better understanding of yourself. With this self-knowledge comes a greater awareness of who you are, and the direction you want to set for your life.*

### **John, your Maturity number is 7**

As you mature, you will become increasingly occupied with the larger questions of life, reading, contemplating and searching for a deeper understanding of who you are and what this life is all about. You may turn to philosophy or religion, but will likely examine a wide array of areas, broadening your knowledge in many disciplines.

Your intuition grows stronger, as does your ability to look beneath the surface of every subject you study. You are able to analyze abstract questions and live according to your higher ideals. You may find yourself needing more time alone; your need for privacy will likely increase.

If you already have several sevens in your chart, you will have to guard against becoming withdrawn, and alienated. If you have no sevens, you will now have the ability to deepen your understanding of one particular field. You will have the opportunity to become grounded in a particular area of study.

### **Yoko, your Maturity number is 2**

As you mature, you will discover that you possess a growing talent for understanding and working with other people. Your ability to influence others through tact and diplomacy will grow. These talents will further you along in your career or business. You will become increasingly shrewd and will learn the art of discrimination. Your sensitivity to the needs and desires of others improves dramatically. You will be able to evaluate their motivations with a growing clarity and uncanny accuracy.

You find you can get more done by persuasion and gentle guidance than by force. You may well have to learn to assume the role as the power behind the throne. Your influence is less public, and you may not always receive the public recognition you deserve. However, your satisfaction comes from seeing the fruition of your own ideas come about, the result of teamwork and cooperative efforts.

If you already have many 2s in your chart, especially in the core numbers, you may become overly sensitive, a characteristic you will have to keep in check. If you have few 2s in your chart, the influence of your Maturity Number will greatly increase your ability to work harmoniously with other people.

## HOW YOUR MATURITY NUMBERS COMPARE

*Your Maturity number becomes more dominant with age. The texts below become increasingly important after about age 40.*

### **John and Yoko, your Maturity Compatibility is 7 and 2**

In this combination of numbers, intuition meets intelligence, sensitivity meets clinical research, and the heart meets the mind. It would be a challenge to find two more different archetypes than yours. John and Yoko, you have a surprising relationship. Rarely do people with such different characteristics express even the slightest interest in each other. But when they do, the partnership is worth every effort. You almost certainly met under unusual circumstances, perhaps when you were both outside of your normal environment (I am guessing Yoko, the 2, initially reached out to John). Once these dissimilar numbers (and personalities) get close enough, the result is often an exchange of energy that welds the relationship for life.

Potential pitfalls in this combination are generally experienced at the beginning of the relationship. There could be many challenges, including the inability to relate to your partner's way of thinking, feeling, or expressing emotion.

Yoko's approach to love is soft and gentle, idealistic, romantic, emotional, and innocently childlike. John is less emotional and expressive - like a precious jewel, it requires a great deal to earn his love. Wisdom and knowledge, spiritual understanding and an ageless quality strengthen John's love. At the onset of the relationship, this was probably the biggest hurdle to overcome. John is not likely to trust love that comes easily, and Yoko doesn't understand how responding to something as natural as love should be so difficult.

Sometimes, a relationship with this combination occurs after the partners have known each other for some time, when trust and understanding have been established (and before either considered a romantic relationship). A romance based on this solid foundation, balanced by pure sentiment on one side and wisdom and spiritual understanding on the other cannot help but succeed.

If you can accept and respect one another's differences, this will be the glue that binds your unique relationship together – a bond that you could say is almost unbreakable.

## YOUR PERSONAL YEAR

*Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birth date to birth-date.) There are nine personal year numbers in a complete Epicycle.*

*Each Epicycle reveals the progression of a specific part of your personal evolution. Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process. The 1 personal year describes your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle.*

*Below is a description of your current Personal Year. It indicates where you are on the 9-year Epicycle.*

### **John, your Personal Year cycle for 2019 is 4**

This is a year to be organized and practical. Take care of details. Commit yourself entirely to your goals. Your concentration and ability to focus will be much improved over last year. You will have an attitude of realism and determination.

There can be a sense of limitation and some frustration this year. However, it is a year of important opportunities that must be seized. There can be considerable work-related travel. You must be flexible this year to make full use of the opportunities that present themselves. It will require a combination of perseverance, hard work, and versatility. You will receive recognition for your efforts and support from your friends and family.

It is a good year to buy real estate or remodel your home. It is also a good time to take care of projects which have been postponed for too long. Fulfill your obligations and do not be afraid to spend some of that hard earned money. Selling and trading during this year usually is quite successful. This is the year to work on your foundation and prepare yourself for the many changes that will undoubtedly come next year.

As a result of your hard work, there will be much satisfaction and a feeling of accomplishment. January and February will bring some important change, a new opportunity perhaps. March requires self-reflection and reshaping of your plans. It is a good time to meditate on what lies ahead. June brings a new and important step -- a breakthrough, perhaps -- in your work. October brings changes and a sense of chaos. You may feel threatened by the changes that are on the horizon. But November brings assistance in the form of a promotion or additional financial support.

## Yoko, your Personal Year cycle for 2019 is 5

This is a year of dynamic change. Many surprises will come your way. Be open and ready to embrace new opportunities. Do not be overly careful this year. This is a year in which a major step forward can take place if you are willing to take some calculated risks and do a little gambling. Wisdom and prudence is the key, but you will definitely be faced with choices that require fast action and a willingness to act before all the facts are in.

This is an exciting year in which you will be required to promote yourself in order to take full advantage of the opportunities that await you. There will be increased opportunity to travel and possibly a change of residence. You will have some unexpected adventures and lucky breaks this year.

You may be tempted by the desires of the flesh: too much food, alcohol, sex, and drugs. Be careful and discriminate. You could make mistakes in these areas.

This can be an unsettling year if you try to cling to outmoded methods or characteristics. This a year to throw off the old and adopt the new. It is a rebirth and a release after last year's struggle.

This is a year in which change takes place consistently, and particularly so in April and May. July is a breakthrough, a time to enjoy life. September can be intense, while October requires tact and balance in relationships.

## YOUR PERSONAL YEAR CYCLE COMPATIBILITY

*It is not uncommon for two people to share the same Personal Year cycle (about 1 in 10), and when that is the case, they will always share the same Personal Year and Personal Month cycles. This is generally considered a positive between couples but not always; just as two people respond different to the same weather or landscape, they are affected in a different way by cycles. Still, there is a shared experience and therefore potentially, a shared understanding.*

## John and Yoko, your Personal Year's Compatibility in 2019 is 4 and 5

John and Yoko, this is a period where your individual cycles (and influences) will be very different. John, you should find a period of focus, effort, and possibly frustration or stagnation. Yoko will experience a time

of change, excitement, and dynamic energy.

As a result, Yoko is able to help you move forward and not become too frustrated by the demands of your cycle. You can return the favor by functioning as an anchor for her during her more unpredictable cycle.

The most positive effect of this combination is that their joint forces almost always deliver progress and decisiveness. By the end of this period, it is likely you will have established new goals and gained more clarity about your future.

A potential negative effect is a concern that, at times, you might move in such different directions you could begin to feel like strangers. This can be avoided by regularly sharing your feelings and ideas. Physical closeness and shared activities can help you stay connected.

### **John, your Personal Year cycle for 2020 is 5**

### **Yoko, your Personal Year cycle for 2020 is 6**

This is a year of progress and financial advancement. Major career opportunities present themselves. It is a challenging year in which personal growth is joined with new responsibilities and challenges. This is a year of domestic responsibility and attention to the needs of family and friends. It is a time of heartfelt emotions and some sacrifice. It is a time for comforting and caring. You realize the importance of your place within your community. You will

be called upon to help others bear their burdens. You are the proverbial friend in need. Deep feelings bring renewal to relationships and often a birth in the family.

You must work to create an atmosphere of harmony and balance. It is often a time when marital issues surface and need attention. However, you possess the understanding to deal with such issues effectively if you apply yourself with love and flexibility.

May is an emotional month filled with the promise and the stress of imminent changes. June is a breakthrough and a relief. September brings advancement, October self- reflection and readjustments, and December brings a sense of completion and fulfillment.

### **John and Yoko, your Personal Year's Compatibility in 2020 is 5 and 6**

John and Yoko, your cycles are as opposite as they can be, yet they are not incompatible. In a relationship, their influences usually complement and balance each other.

John, you are in a dynamic cycle of change and highly charged, restless energy. Yoko's cycle is one of stability and responsibility, which should make her approach focused and practical. While you are looking for opportunity and adventure, Yoko will be centered on home and family - the people and things that mean the most to her. Your attention will be focused on work, projects, travel or other outside interests.

If you can recognize the differing aspects of your cycles and support each other's independent paths, this can be a rewarding period for your individual pursuits as well as your relationship. You can inspire a little excitement and Yoko can bring needed stability. However, there is also the potential for discord, blame, or anger. During this cycle, more than almost any other time, it is important that you do not try to influence each other too much. "Live and let" live should be the slogan for this period.

You have probably already recognized that you always experience very different cycles, some more compatible than others. This is an important aspect of your relationship, and not limited to this cycle. To maintain a successful partnership, you will both need to accept the fact that you will be influenced by very different energies for most of your lives. It wouldn't hurt to make "live and let live" a family slogan for life.

Although your cycles place you at opposite ends of the spectrum, you complement each other nicely, with each of you providing aspects that work well together. Chances are you make a great team when you put your minds to it, especially when it comes to presenting a united front to the outside world.

## YOUR PERSONAL MONTH

*The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.*

### **John, your Personal Month for November-2019 is 6**

November offers the chance to strengthen your foundation in life. You pay close attention to the needs of your family and circle of friends. You are serious and responsible in all matters related to career and receive recognition and respect for that.

Financially, this could be a good month with an unexpected reward coming sometime during the last week. In many ways, this month brings blessings and can be very satisfying. Your workload is considerable but doesn't burden you as much as it did during other times of this year.

You have the energy and feel confident that you are now moving in the right direction. Feelings of insecurity and frustration that loomed so prominently during most of this year are disappearing. Your friends and family members display strong signs of loyalty and feelings are expressed more freely. One or more of your friends or relatives needs a boost and comes to you for help. You are happy with the opportunity to help out in a practical way as well as with moral support. You play the role of (m)patriarch.

The only troubling experience during this month will be the need to deal diplomatically and tactfully with a long-standing problem, perhaps with someone at work. A basic personality conflict has been the cause of friction between you and a co-worker and can no longer be ignored. Tension may come to a head, but there is an opportunity to turn a difficult relationship into one of tolerance and mutual respect.

### **Yoko, your Personal Month for November-2019 is 7**

November, with the 7 playing such a major role, directs the focus to your inner self. Some people experience this month as lonely, but it doesn't have to be. You will be inspired to refine your understanding of your place in the universe. Spend time considering what you are going to do with the rest of your life. Search your soul, define your priorities, and plan your future. Study and read and think. You are observant and insightful.

Put romance, career, and financial matters on the back burner this month. There will be plenty of time for that later. If you direct all your effort toward honest self-confrontation, your future progress will be insured.

## YOUR MONTHLY RELATIONSHIP FORECAST

*John and Yoko, monthly cycles are not as strongly felt as yearly cycles, however, they can have short period of considerable intensity. This is by no means common, but when certain numbers are aligned just so, it can throw things of balance.*

*If you feel you might be experiencing some turmoil within your partnership, read the monthly compatibility and reflect on its meaning. You will almost always be able to recognize where the friction comes from, and this is a big step towards healing.*

*You may also want to refresh your memory by taking another look at your Relationship Compatibility Profile as well as your yearly cycles.*

### **Your Personal Month's Compatibility for November, 2019 is 6 and 7**

John and Yoko, you are experiencing very different cycles. On one hand, the influences of the 6 and 7 complement each other very well. On the other, they create such differing needs that you may find you share little common ground during this period.

The potential exists for you to disagree on just about everything: how to spend your weekend, what kind of car to buy, which of your friends to invite, and so forth. Your approach to social situations and activities will probably differ as well. John, your 6 suggests you will be more extroverted than usual, reaching out to others, while Yoko (the 7) seeks quiet time alone.

Positive influences during this cycle are found in your tolerant, giving nature and willingness to sacrifice to accommodate Yoko. This is an important and necessary factor for the relationship during this time.

Yoko may not be as patient as usual and may seem withdrawn. But if she seems a bit cool and distant it probably has nothing to do with the relationship; she is just doing a little soul searching and needs space. However, she should also be cautious about becoming so focused on her own world that she loses sight of you. Although her 7 inspires a more inward, personal journey, loved ones need attention too.

### **John, your Personal Month for December-2019 is 7**

December is a fitting end for this year. You now enter a period of introspection, contemplation, and meditation, similar to that experience in March. December focuses you on inner-growth and soul-searching. However, that is where the similarities end. December is a more comfortable time for such an inward journey and expansion of your consciousness. There will be plenty of opportunities to withdraw, to seek the quiet.

Whether you enjoy this time depends on whether you value such an experience.

It's been a year of hard work and, at times, frustration, but the work will pay off. You are more aware of that now, and you are probably well aware that the year was well-spent.

Understanding the value of day-dreaming and contemplation is more difficult as a result of this society's emphasize on action and result. However, the quiet, "un-productive" times of this month will be at least as rewarding, spiritually as well as practically. It allows for deep inner contentment and a fuller awareness of the love and goodwill of others.

### **Yoko, your Personal Month for December-2019 is 8**

December will be rewarding in many areas of life. This is a good time for business and money matters. But don't indulge in spending money to impress others or flaunt your success.

The 8 Personal Month brings balance in all material matters. Expect some recognition in your working environment, perhaps a bonus or promotion. This is an excellent time to promote some of your ideas or any other input you have in relation to your career.

Romance is favorable too. Express your love.

### **Your Personal Month's Compatibility for December, 2019 is 7 and 8**

John and Yoko, this cycle will produce very different influences and needs for each of you. John, during this period you might feel a little left out or ignored by your partner, although this is most likely not her intention. Yoko's cycle is just focused on getting things done, reaching goals, and taking advantage of opportunities, at a time when you are more contemplative, examining your priorities, and perhaps questioning the reasons behind what you are doing.

The fact that your needs and ambitions are moving in different directions could create problems for your relationship. You may find it difficult to find common ground or even be interested in each other's concerns.

Your best approach during this cycle is to give each other room to pursue your differing interests and avoid

feeling you have to share everything. You will need more time alone than usual, to reflect and analyze, or just enjoy a little solitude. During this cycle, it is probably best to keep things simple and allow for a little separation in your daily lives.

### **John, your Personal Month for January-2020 is 6**

All during this month the focus is on your attitude towards friends, co-workers, and family members. You are in a position to improve relationships in all areas. You are warm, and more outgoing than usual. Others are attracted to your optimistic disposition, and several people close to you will come to you for advice and comfort. January may bring a turbulent new relationship into your life. The initial introduction may start off a little awkward, even cause some friction. You will need to be tolerant and understanding. Even if you feel sure that your point of view is correct, a hardheaded, stubborn approach is not beneficial. On the contrary, the true purpose of this conflict is an opportunity for you to reach out and earn the appreciation and respect of this person by freely demonstrating your own. Other, more practical changes are also in the picture. Many will make changes in their office, residence, or work routine.

You may get some strong signals that your career may receive a boost in the very near future, which only buoys your optimism.

If you are single, this is an excellent month to be social and meet new people.

### **Yoko, your Personal Month for January-2020 is 7**

January brings stability and clarity. Your career shows promise, but there is not any promotion or practical gain just yet. If you are involved in legal affairs or have wanted to take care of something that involves the law, this month is a good time to start the necessary procedures. You may be notified of an impending legal procedure that affects you or a loved one.

Study or read and enjoy the much needed quiet after last year's hectic pace. Domestic affairs play a major role during this year and begin now. However, you will be feeling more intellectual than emotional during this month. Tolerance and forgiveness will not come naturally, and you could be a little self-righteous. Try to be more flexible.

### **Your Personal Month's Compatibility for January, 2019 is 6 and 7**

John and Yoko, you are experiencing very different cycles. On one hand, the influences of the 6 and 7 complement each other very well. On the other, they create such differing needs that you may find you share

little common ground during this period.

The potential exists for you to disagree on just about everything: how to spend your weekend, what kind of car to buy, which of your friends to invite, and so forth. Your approach to social situations and activities will probably differ as well. John, your 6 suggests you will be more extroverted than usual, reaching out to others, while Yoko (the 7) seeks quiet time alone.

Positive influences during this cycle are found in your tolerant, giving nature and willingness to sacrifice to accommodate Yoko. This is an important and necessary factor for the relationship during this time.

Yoko may not be as patient as usual and may seem withdrawn. But if she seems a bit cool and distant it probably has nothing to do with the relationship; she is just doing a little soul searching and needs space. However, she should also be cautious about becoming so focused on her own world that she loses sight of you. Although her 7 inspires a more inward, personal journey, loved ones need attention too.

### **John, your Personal Month for February-2020 is 7**

February finds you more inwardly focused. Self-reflection and contemplation bring spiritual clarity and growth. At the same time, your career improves and you manage to impress important people. Doors that have been closed open and offer access to opportunities. Financially, this month may also show some progress but the emphasize is more on opportunities and your ability to take advantage of them.

Warnings are justified in two areas. Your dynamism and excitement may cause you to be somewhat insensitive at times. Also, you would rather plan and discuss future endeavors than to put forth the effort required to take full advantage of current opportunities. Key-words to make this month a success are caution and discipline.

If you are married or otherwise committed, you may feel a little distant from your partner. This is temporary and does not require any special attention. If you are single, romance is not a high priority. Minor health problems that have not been treated may come to the foreground. This is a good month to apply discipline to your eating habits and to step-up your exercise regimen.

### **Yoko, your Personal Month for February-2020 is 8**

February may bring upheaval in family affairs or with friends. The 8 carries a powerful balancing energy and much of that will be directed to your relationships. The truth will come out and you will have the opportunity to heal relationships that have been damaged by misconceptions. Real relationships will become stronger but superficial ones will break

down.

Rewards and recognition in your career will also come to you this month. Often, the 8 Personal Month/6 Personal Year brings considerable progress and financial gain.

Romance is also strongly represented. You meet an attractive person, but the challenge here is to approach the situation with sensitivity and awareness. If you come on strong, you will blow the opportunity. Focus on sensitivity and avoid the temptation to be rude at all costs.

### **Your Personal Month's Compatibility for February, 2019 is 7 and 8**

John and Yoko, this cycle will produce very different influences and needs for each of you. John, during this period you might feel a little left out or ignored by your partner, although this is most likely not her intention. Yoko's cycle is just focused on getting things done, reaching goals, and taking advantage of opportunities, at a time when you are more contemplative, examining your priorities, and perhaps questioning the reasons behind what you are doing.

The fact that your needs and ambitions are moving in different directions could create problems for your relationship. You may find it difficult to find common ground or even be interested in each other's concerns.

Your best approach during this cycle is to give each other room to pursue your differing interests and avoid feeling you have to share everything. You will need more time alone than usual, to reflect and analyze, or just enjoy a little solitude. During this cycle, it is probably best to keep things simple and allow for a little separation in your daily lives.

### **John, your Personal Month for March-2020 is 8**

Be careful in all financial matters this month. Issues involving money take center stage. More people go bankrupt or make a killing during this period than with almost any other number combination. Now, especially, you are required to balance the material and the spiritual. If you are considering a major purchase that involves long-range financing -- such as buying a house or a car -- but you question whether you can fulfill the obligation, you would do well to wait until the second half of May before acting.

The worlds of work and personal relationships require an opposite approach this month. A certain amount of aggression in career and business matters is favorable. Promote your ideas. Put out effort. Work harder and longer than is required. On the other hand, your personal life requires patience and understanding -- both of others and yourself. You may want to clear the air between you and a loved one, but you have difficulty overcoming your fear of being misunderstood. Or perhaps you are not clear about what you feel. Try putting

your thoughts on paper first to achieve a higher degree of clarity.

### **Yoko, your Personal Month for March-2020 is 9**

Whenever the 6 and 9 team up, it is often emotional because you may have to let go of someone close to you. You experience relationships more deeply and feel greater warmth for others. You reach out for contact and substance. Other people will also be drawn to open up their hearts and minds to you. This reflects strongly in your relationship with family and friends, but also in the work-environment. People will come to you with their problems, seeking an understanding ear and a shoulder to cry on. You feel closer to your fellow man, and because of your attractive disposition you will receive much support from others.

Good news may come from your work that will boost your self-esteem. Move slowly and carefully where romance is concerned, however, because you are not in a position to make long-range plans.

### **Your Personal Month's Compatibility for March, 2019 is 8 and 9**

John and Yoko, as is often the case in your relationship, this cycle influences you in very different (and not altogether compatible) ways.

For you John, it is a time to get out and shake some trees, make things happen, and reap the rewards. To make the most of this cycle it will be important for you to stay focused and aggressive while pursuing your goals.

For Yoko, the cycle could feel a little shaky, so she will need your commitment and support during this period. With your focus on interests outside the relationship, and Yoko needing your attention more than usual, it will probably take effort from both of you to prevent disappointment or resentment from creeping in.

John, although this will be an enterprising time for you, make time for your partner as well. You, too, will experience a period when nothing seems secure and solid. In fact, your next cycle will probably bring a bit of that, so you may be looking to her for support.

Help Yoko recognize you do not mean to pull away from her, your cycle just delivers a more ambitious spirit. She is at the end of a cycle, and should focus on completing projects and letting go of things that are no longer fruitful. (Her next cycle should be much more energetic.)

Because your cycles tend to be almost opposite, you have probably learned to adjust to each other's needs. This ability is the key to sustaining a long and happy union.

### **John, your Personal Month for April-2020 is 9**

April brings a certain amount of completion in both your personal life and career. It is time to let go and prepare for new adventures. It is necessary to keep a close eye on the details, particularly those related to your finances. Check your bank balance regularly and make sure you save the receipts for deposits and other transactions. There are indications of upcoming changes in your work environment; you are in the unique position to move to the spotlight. Self-promotion is favorable. You are a little more emotional and vulnerable and may tend to make mountains out of molehills, however.

Someone you care about is leaving, being transferred, or going on a long trip.

Social events make this a hectic month and a certain amount of moderation and discipline is needed.

### **Yoko, your Personal Month for April-2020 is 1**

This month brings new beginnings in several areas of your life. You have more energy and are ready to implement some changes in your life. Display aggression in your career and it will progress nicely. Start new projects. Take a chance. A 6 Personal Year often brings considerable financial gain, particularly in or around the months of April (this month) or November.

This is also a time in which matters of the heart come to some kind of climax. Young lovers get married, married people re-commit, and troubled relationships either work it out or separate.

The month of April brings challenges in the area of communication. Be careful what you say and how you say it, so you don't stick your foot in your mouth. Actively pursue the things you want in your career, finances, and love-life. Romance is very positive now and more people find their soul-mate during this period than at any other time during the 9-year cycle.

### **Your Personal Month's Compatibility for April, 2019 is 9 and 1**

John and Yoko, once every nine cycles your relationship may go through a challenging period, a time when only your love and commitment will see you through. (This is felt more strongly in a yearly versus a monthly cycle).

Your current cycle is likely to bring disagreements and arguments that make you wonder what happened to

the nice person you used to know. This is due to being at opposite ends of the spectrum. Yoko has a 1 cycle delivering new beginnings, and you are at the tail end of your cycles, wrapping things up before beginning a new phase. Conflicts could be heightened by your emotional vulnerability during a period when Yoko may be less sensitive than usual.

There are few, if any, cycle combinations as challenging as this one, but with effort and recognition of your love for each other, your relationship can survive and grow even stronger. The most important piece of advice for Yoko is to give you plenty of attention, even if she feels you are overly emotional. (Your 9 could bring mood swings).

The advice for you is not to take your emotions too seriously. You are likely to be going through changes that require surrender and acceptance, which could make you more emotional than usual (even melodramatic). You will also benefit from understanding Yoko does not mean to be abrupt or insensitive, she is just in a more ambitious cycle than you are.

Only your hearts can save the day. When emotions are high, it is often the heart, not the mind that is able to understand and weather the storm.

### **John, your Personal Month for May-2020 is 1**

May brings a sense of freshness or a new beginning in your personal life and career. You are more energetic and decisive than last month; this will help you cope with the hectic pace this month brings. This is a time of opportunity and the need to adapt quickly. You have been selected to play an important role in some new endeavor. This is an opportunity to move your career forward but it requires courage and the willingness to sacrifice some short-term goals. Financially, this is a dangerous time because of the tendency to splurge.

If you are single, you may well be introduced to someone very interesting and attractive. If married, romance is rekindled. Still, new romantic relationships started under this number combination tend to burn out quickly. The attraction is physical and immediate but may falter as soon as it is put to the test. Even if you are already committed you may well find yourself eye to eye with someone very attractive, in which case you may have to show considerable restraint in order to avoid a situation you may later regret.

### **Yoko, your Personal Month for May-2020 is 2**

May is a 2 Personal Month in a 6 Personal Year and focuses on harmony and diplomacy in all relationships, including the work-environment. You are more sensitive and aware of the feelings of others than you were last month, and you will be called upon to use those abilities.

You will find yourself in the role of mediator/peacemaker in order to maintain harmony in the work place. Become a hard-nosed yet diplomatic negotiator. Find a balance between tact and sensitivity on one hand, and persistence and conviction on the other. You will be able to meet these challenges and will come through with flying colors. Financial rewards will come. Keep things organized and take care of details or else you may find yourself in chaos by the end of this month.

If you are involved in a legal tangle, and quite a few people in this stage of their Personal Rhythm Cycle are, you will gain some ground and find good reasons to be optimistic.

Romance is highly favored now, especially for new relationships.

### **Your Personal Month's Compatibility for May, 2019 is 1 and 2**

John and Yoko although your cycles are quite different, they should not cause too much friction. John, you are entering a period of renewal that supplies new energy and a change of direction in your personal life and career. The 1 brings motivation and an impatience to get things started. Little will seem to move fast enough.

Yoko, on the other hand, is probably slowing down a bit, more concerned about improving her relationships. This is a time for her to network, find resources, and align with others, a time when feelings and connection are particularly important. This could cause her to feel more emotionally vulnerable than usual.

These cycles support each other in most respects. John, you will be the engine of change and progress while Yoko steers and redirects. However, you need to be sensitive and careful not to expect Yoko to be as motivated and driven as you are. You must also accept that she may be a little more demanding than usual during. In turn, she should avoid making mountains out of molehills or letting emotions override common sense.

### **John, your Personal Month for June-2020 is 2**

The 2 and 5 combination enhance your insight into the motivations and emotions of others. You play the role of counselor several times this month. Your intuitive powers are also enhanced, but this does not extend to money matters. It's not a good time to take financial risks. There are changes taking place in many areas of your life this year, and the general instability is felt strongly this month.

Study and reading are more favorable, especially when related to your career. The focus is on relationships at work and at home. You need to trust others enough to open up your heart and reveal your deeper feelings. This is a good time to release some bottled-up feelings.

Romance also plays an important role this month, particularly if you are involved in a relationship that originated fairly recent. Your enhanced sensitivity and intuition helps you to see the deeper meanings and values, which make the relationship stronger or. . . . cause a permanent break. A critical issue here, is your ability to express your true feelings. Communicate!

An unexpected invitation to visit a friend or relative in some distant town may inspire you to pack your bags and go. This will turn out to be beneficial.

### **Yoko, your Personal Month for June-2020 is 3**

This is an excellent time to give yourself a break. Take some time off. Enjoy yourself. Don't be too serious. This is a time of enhanced creativity and originality. Become involved in playful activities. Participate in social events. You will meet new people who offer a welcome change to the routine aspects of your life.

Your career may seem unpredictable now but will be much better next month. "Luck" in financial affairs is likely now. Romance is also favorable.

The emphasize of this month is on fun and leisure. Enjoy.

### **Your Personal Month's Compatibility for June, 2019 is 2 and 3**

John and Yoko, when cycles fall next to each other in number sequence (like your 2 and 3) it creates very different needs and experiences for the parties in a relationship.

John your 2 indicates this will be a cycle when emotions are felt more intensely and have more impact than usual. You might feel like a protective layer has been lost, leaving you particularly vulnerable. During this same period, Yoko will experience heightened inspiration, enthusiasm, confidence, and creativity - a light-hearted time when other emotions play a lesser role.

The likelihood that you will be strongly affected by your feelings could lead to mood swings, emotional insecurity, or confusion. Coupled with Yoko's upbeat attitude (and perhaps lessened sensitivity and intuition), this could create challenges for your relationship.

There may be occasions when Yoko doesn't understand why you are so upset about what she feels is a minor argument, and you might wonder why your partner seems so distracted and uncaring. The best advice for Yoko is to be sensitive to your concerns and give you extra time and attention during this cycle. You can help by not dwelling on your emotions. If Yoko seems a bit caught up in other things, it is probably because she feels secure enough in the relationship to focus on the creative endeavors and social events that are an

integral part of her current cycle. If you need attention or a more sensitive approach, let her know.

You will both have to make room for your differences. Recognizing you are going through very different cycles can help you better understand each other.

### **John, your Personal Month for July-2020 is 3**

Money matters come to the foreground; debts are called in and close attention should be paid to your bank account.

Your ability to influence the ideas and opinions of others works in your favor and may create a new source of income. This is also a good time to promote yourself. If you have considered upgrading your resume or trying out for that new position you have been considering, now is the time to do it. A career change is also possible as a result of outside forces. You are more creative.

You feel somewhat restless and impulsive and are willing to take risks for the sole reason that you need a change. There is a tendency to be somewhat scattered and even a little irresponsible during this cycle.

Your domestic environment also becomes a source of restlessness and you may have to guard against irrational behavior from your side. At the same time, you reach out to old friends and relatives you have not been in touch with for some time.

Your emotional state is a little turbulent causing you to be moody. Try to maintain equilibrium. This is a month to be somewhat detached from the events and circumstances surrounding your life. ### **Your Personal Month's Compatibility for July, 2019 is 3 and 4**

John and Yoko, during this period your cycles will be pushing you in opposite directions. Your numbers suggest this is probably often the case in your relationship – but it does not necessarily reflect incompatibility.

For you John, this is a time to relax and smell the roses, while Yoko needs to stay focused and maintain a high level of effort. It is important that you don't try to change each other's inclination to follow the demands of your individual cycles. Yoko needs to accept the fact that you are not as disciplined and ambitious as usual, while you should guard against trying to talk her into taking it easy.

Contrary to what one might expect, as a rule cycles with a gap of one (like your 3 and 4) are not usually incompatible even though they move in different directions. In fact, they often complement one another. Their differences normally cause stress only if couples try too hard to influence each other.

John, you should be allowed to back off a little from the daily grind, and Yoko will need support and encouragement during what could be a rather demanding cycle.

August brings some changes in work and your personal life. It is a dynamic time, and nothing goes according to plans. Play things by ear.

Your career progresses well as a result of your enhanced ability to find creative solutions. You make a good impression on some people who are in a position to reward you. There will, however, be a confrontation between you and a co-worker, with long-ranging affects. The outcome will depend on your personal strength and self-confidence. ## Your Personal Month's Compatibility for August, 2019 is 4 and 5

John and Yoko, this is a period where your individual cycles (and influences) will be very different. John, you should find a period of focus, effort, and possibly frustration or stagnation. Yoko will experience a time of change, excitement, and dynamic energy.

As a result, Yoko is able to help you move forward and not become too frustrated by the demands of your cycle. You can return the favor by functioning as an anchor for her during her more unpredictable cycle.

The most positive effect of this combination is that their joint forces almost always deliver progress and decisiveness. By the end of this period, it is likely you will have established new goals and gained more clarity about your future.

A potential negative effect is a concern that, at times, you might move in such different directions you could begin to feel like strangers. This can be avoided by regularly sharing your feelings and ideas. Physical closeness and shared activities can help you stay connected.

## John, your Personal Month for September-2020 is 5

The hectic pace of last month continues. However, the nature of activities is quite different. You are challenged to keep up with events and influences that, at times, appear out of your control. If you can be flexible and adaptable, you will cruise through this month comfortably and successfully. Let old plans, expectations, and concepts go. Otherwise, stress may take a physical toll. If you are willing to take the changes in stride and "go with the flow", you will find yourself in a better position in career as well as personal life by the end of this month.

This is an adventurous, dynamic, and progressive time, with less focus on details and routine stuff. Social events and romantic adventures highlight the month. The word "adventure" is the operative word: few romances that begin during this time have the emotional depth and substance needed to survive the test of time. However, any relationship begun now still has much to teach you about life and love, so be open to all the possibilities. Be warned, however, you may have a tendency for over-indulging your senses this month. Moderation is wisdom.

Your health may cause you some concern. In most cases, this is the body reacting to changes that have taken place during the course of this year and are only temporary. If problems persist, seek the advice of health counselor or physician.

#### **Yoko, your Personal Month for September-2020 is 6**

September will force you to deal with the issues of responsibility and loyalty. Devote your time and energy to the needs of family and community. Become involved in some sort of activity that will benefit others financially. You will, and should be, concerned less with your own financial affairs, than with those involving others. Be selfless and generous in all areas of your life. It is a time to forgive and heal. You are highly aware of your bond with the people you love, as well as with neighbors and co-workers.

Legal affairs you might be involved in come to the foreground. Financially, September has the potential to be very good.

Romance is shaky. Choose your words well and follow up on promises. Don't forget birthdays.

#### **Your Personal Month's Compatibility for September, 2019 is 5 and 6**

John and Yoko, your cycles are as opposite as they can be, yet they are not incompatible. In a relationship, their influences usually complement and balance each other.

John, you are in a dynamic cycle of change and highly charged, restless energy. Yoko's cycle is one of

stability and responsibility, which should make her approach focused and practical. While you are looking for opportunity and adventure, Yoko will be centered on home and family - the people and things that mean the most to her. Your attention will be focused on work, projects, travel or other outside interests.

If you can recognize the differing aspects of your cycles and support each other's independent paths, this can be a rewarding period for your individual pursuits as well as your relationship. You can inspire a little excitement and Yoko can bring needed stability. However, there is also the potential for discord, blame, or anger. During this cycle, more than almost any other time, it is important that you do not try to influence each other too much. "Live and let" live should be the slogan for this period.

You have probably already recognized that you always experience very different cycles, some more compatible than others. This is an important aspect of your relationship, and not limited to this cycle. To maintain a successful partnership, you will both need to accept the fact that you will be influenced by very different energies for most of your lives. It wouldn't hurt to make "live and let live" a family slogan for life.

Although your cycles place you at opposite ends of the spectrum, you complement each other nicely, with each of you providing aspects that work well together. Chances are you make a great team when you put your minds to it, especially when it comes to presenting a united front to the outside world.

### **John, your Personal Month for October-2020 is 6**

October brings stability to the dynamic changes the year has presented. Expect increased responsibility, recognition, and perhaps a raise or promotion. This month shifts the focus to relationships with family and friends. You share greater closeness with loved ones and may find yourself giving and receiving comfort and advice. Loyalty and trust are fundamental to your wellbeing this month. If you are unwilling to trust or abuse the trust of someone else, you could experience the break-up of a relationship. Share your feelings.

If you are single, a new and lasting romance is possible. If you already have a relationship, this is the time to commit. All affairs of the heart are positively highlighted. Health problems will also take a turn for the better.

### **Yoko, your Personal Month for October-2020 is 7**

Distance yourself somewhat from the affairs and troubles of other people. During the course of this year you have been asked to help, counsel, and advise others many times. Now, give yourself a break. Spend time alone for contemplation and meditation. Study and reading are also favorable. Your workload does not decrease but much of it is routine and allows you to mentally drift. Still, your mind is sharp, and you can easily concentrate when you want to.

Inner healing takes place. Old wounds may be reopened. There is some sadness and nostalgia, but the

healing is real and needed. This is a time of spiritual growth. Postpone decisions regarding financial affairs, if possible, until next month.

Matters of the heart are also a low priority. You are not very clear this month and would rather not be bothered with it. Emphasize your personal well-being. Diet, exercise, and go for walks. Don't distract yourself from soul-searching by watching television or other mind-numbing practices.

In many ways, your experience of this month will set the tone and direction for next year.

### **Your Personal Month's Compatibility for October, 2019 is 6 and 7**

John and Yoko, you are experiencing very different cycles. On one hand, the influences of the 6 and 7 complement each other very well. On the other, they create such differing needs that you may find you share little common ground during this period.

The potential exists for you to disagree on just about everything: how to spend your weekend, what kind of car to buy, which of your friends to invite, and so forth. Your approach to social situations and activities will probably differ as well. John, your 6 suggests you will be more extroverted than usual, reaching out to others, while Yoko (the 7) seeks quiet time alone.

Positive influences during this cycle are found in your tolerant, giving nature and willingness to sacrifice to accommodate Yoko. This is an important and necessary factor for the relationship during this time.

Yoko may not be as patient as usual and may seem withdrawn. But if she seems a bit cool and distant it probably has nothing to do with the relationship; she is just doing a little soul searching and needs space. However, she should also be cautious about becoming so focused on her own world that she loses sight of you. Although her 7 inspires a more inward, personal journey, loved ones need attention too.

### **John, your Personal Month for November-2020 is 7**

November, with the 7 playing such a major role, directs the focus to your inner self. Some people experience this month as lonely, but it doesn't have to be. You will be inspired to refine your understanding of your place in the universe. Spend time considering what you are going to do with the rest of your life. Search your soul, define your priorities, and plan your future. Study and read and think. You are observant and insightful.

Put romance, career, and financial matters on the back burner this month. There will be plenty of time for that later. If you direct all your effort toward honest self-confrontation, your future progress will be insured.

## Yoko, your Personal Month for November-2020 is 8

November is an excellent time for business ventures, financial affairs, and all things related to the material world. You receive recognition for past effort in the form of financial rewards, respect, and possibly promotion. Implement any changes you have been considering in your business affairs.

As always, when the 8 shows up in the chart, a certain amount of balancing takes place. Punishment and reward are both possible. If you have put out sincere effort, the reward will be there. However, for some people, an 8 month may bring bad news, after all, the 8 is balance, including the balance between effort and reward.

This is a good time to straighten out financial dealings you may have with friends or relatives as well. This is not a good time to go into debt. But it is a good time for love. Strong feelings and passionate exchanges on the emotional and physical level make this an exciting month.

## Your Personal Month's Compatibility for November, 2019 is 7 and 8

John and Yoko, this cycle will produce very different influences and needs for each of you. John, during this period you might feel a little left out or ignored by your partner, although this is most likely not her intention. Yoko's cycle is just focused on getting things done, reaching goals, and taking advantage of opportunities, at a time when you are more contemplative, examining your priorities, and perhaps questioning the reasons behind what you are doing.

The fact that your needs and ambitions are moving in different directions could create problems for your relationship. You may find it difficult to find common ground or even be interested in each other's concerns.

Your best approach during this cycle is to give each other room to pursue your differing interests and avoid feeling you have to share everything. You will need more time alone than usual, to reflect and analyze, or just enjoy a little solitude. During this cycle, it is probably best to keep things simple and allow for a little separation in your daily lives.
