YOUR YEARLY RELATIONSHIP FORECAST

People change, sometimes dramatically, sometimes subtly.

When people form a close relationship, their individual evolution can affect the stability and harmony of their partnership.

Richard and Mary, keep in mind the core numbers in your profiles (your Life Path, Expression, Heart's Desire, and Personality) tend to carry more weight than cycles do. However, cycles can cause upheaval in areas where you previously had no issues. When that is the case, try to remember they are most likely temporary.

YOUR PERSONAL YEAR

Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birth date to birth-date.) There are nine personal year numbers in a complete Epicycle.

Each Epicycle reveals the progression of a specific part of your personal evolution. Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process. The 1 personal year describes your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle.

Below is a description of your current Personal Year. It indicates where you are on the 9-year Epicycle.

Richard, your Personal Year cycle for 2020 is 8

After last year's constant involvement with yourself and very possible occasional doubts about the state of your business or career you will find this year to be a relief. Things finally work out. Long postponed checks and promotions come through. You see the light at the end of your financial tunnel and an inner strength and confidence is breaking through. This is your year of harvest and, depending on the effort you put out in the past seven years, your reward will be equally large.

There is a beauty in these cycles we can recognize and understand and in doing so we find ourselves "in the flow" and there is no more need to try and struggle upstream. So this year you will have an opportunity to involve yourself fully in work and material growth and bring home the rewards, at the same time a certain detachment is also necessary, for you and for the experience you have because it is not the reward that brings you happiness but your experience of life, which is why before the rewarding eight year you have had such opportunity for growth during the soul-searching of a seven year. Give in to your ambitions, you will find yourself clearer and more focused and able to pursue and reach your goals. Your power is visible and strong, mental creativity is high, vision and intuition will guide you, and at the same time you are more efficient and focused.

There can be loss, serious loss, bankruptcy and failure, because always the rewards are directly proportionate to your effort and motivation, however you know the effort you put out and you know your motivations, so there must be no room for fear and doubt, only for success and winning and this year will undoubtedly turn out to be a very satisfying year.

Mary, your Personal Year cycle for 2020 is 6

This is a year of progress and financial advancement. Major career opportunities present themselves. It is a challenging year in which personal growth is joined with new responsibilities and challenges. This is a year of domestic responsibility and attention to the needs of family and friends. It is a time of heartfelt emotions and some sacrifice. It is a time for comforting and caring. You realize the importance of your place within your community. You will be called upon to help others bear their burdens. You are the proverbial friend in need. Deep feelings bring renewal to relationships and often a birth in the family.

You must work to create an atmosphere of harmony and balance. It is often a time when marital issues surface and need attention. However, you possess the understanding to deal with such issues effectively if you apply yourself with love and flexibility.

May is an emotional month filled with the promise and the stress of imminent changes. June is a breakthrough and a relief. September brings advancement, October self- reflection and readjustments, and December brings a sense of completion and fulfillment.

YOUR PERSONAL YEAR CYCLE COMPATIBILITY

It is not uncommon for two people to share the same Personal Year cycle (about 1 in 10), and when that is the case, they will always share the same Personal Year and Personal Month cycles. This is generally considered a positive between couples but not always; just as two people respond different to the same weather or landscape, they are affected in a different way by cycles. Still, there is a shared experience and therefore potentially, a shared understanding.

Richard and Mary, your Personal Year's Compatibility in 2020 is 8 and 6

Richard and Mary, although they are quite different, your cycles are very compatible. You should both experience progress in your career and other practical, material endeavors. This is a favorable cycle with the potential to bring progress and possibly a financial windfall.

On a personal level, you will probably be more involved with each other as well, albeit in very different ways. Mary, the 6, will be focused on matters of the heart, so she should feel strongly committed and eager to make you happy. Her cycle will focus on home, family, friends, and practical issues.

Richard, your 8 will awaken leadership skills and ambition - even within the relationship. This could pose problems, because your tact and sensitivity may not be as keen as usual. You are taking more control over your life, which is an integral part of this cycle, but you must be careful not to carry that attitude into your relationship. Mary needs your love, not your leadership. Focus your ambition on goals and your heart on the relationship. though they are quite different, your cycles are very compatible. Mary needs your love, not your leadership. Focus your ambition on goals and your heart on the relationship.

Richard, your Personal Year cycle for 2021 is 9

This is your year to finish up all unfinished business, to clean house and make room for new things. On a material level this is a good time to get rid of unnecessary weight, to give away or sell what you do not need anymore and to pay off old debts.

On a spiritual level you will experience a different mode altogether. Your attention should turn to others and their needs, find ways to be of help and give time and energy to worthwhile causes. You must lighten your burden of questions and doubts and the best way to do so is by directing your attention to another direction, away from yourself and you will find yourself becoming lighter and more in touch with yourself. This is a time of completion, problems can be solved and over with, strained relationships relax or disappear, the sources of stress in work or business can be better understood and dealt with. Be social and communicative, enjoy music and other arts. Your creativity is higher than usual.

There can be some difficulties this year due to your desire to face obstacles and overcome them, decisions have to be taken and courage and strength may be severely tested several times, this is not going to be an easy year all the time but you will feel relieved and on the brink of a positive breakthrough by the end of this year. This is the end of a nine year epicycle and will you will feel many times the excitement of a new and promising era when optimism is your friend but you will also experience the fear of letting go, however the more you let go the more room there is to be filled during the next epicycle.

Mary, your Personal Year cycle for 2021 is 7

You will experience a strong tendency to spend more time alone, to delve inside and find some answers and to reach a better understanding of yourself. This is not a year for social activities nor is it a year to try and reach goals on a material level. You will find that the necessities of daily life seem to be taken care of by themselves. There is no need to be overly concerned regarding your material needs. Without slacking on your daily duties and responsibilities, you can afford to give more attention to yourself. This is a year for inner growth. It is your spiritual and mental presence that requires attention. Improve the quality of your life, read, contemplate and gain insight in yourself. You are important now. Rest and attend to your health.

It is during this year that you strengthen the foundation of your life, after all your success in all matters rests upon the strength of your inner self. There will be many strange and unusual events inspiring you to take a closer look at life and an opportunity is there to experience the joy and beauty of life without any artificial or exterior involvement but purely the growing awareness of yourself. Too much concern and desire for material rewards, Richard, will turn this period of your life into a very bad experience indeed, while a "let go and let god " attitude will make this such a fruitful and pleasant year that you may find yourself wondering what you did to deserve this.

Richard and Mary, your Personal Year's Compatibility in 2021 is 9 and 7

Richard and Mary, you may feel somewhat distant from each other during this cycle, as you are both likely to feel emotions that are not easily articulated or understood. Although you share the need to be more inwardly focused than usual, your experiences will probably be quite dissimilar.

Mary is seeking clarity, understanding, increased self-awareness and growth (although this may be somewhat subconscious). You will also have an inward focus, but on a more practical and emotional level. The 9 could make you feel less confident than usual, so doubts and questions are likely to arise.

Although Mary will also share this questioning state of mind, she will probably feel stronger and more capable than you do. You are likely to feel more vulnerable than normal. Mary can be a much needed source of strength for you during this period. You may not expect answers, but you could probably use her emotional support. Although you may need the closeness Mary can provide, be aware that she will also need more time alone than usual.

This is a learning cycle for both of you, with the potential to leave you stronger spiritually and emotionally.

YOUR PERSONAL MONTH

The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.

Richard, your Personal Month for July-2020 is 6

July is an excellent time for business and financial affairs, Richard. Respect and recognition for past efforts is followed by financial gain or promotion. You are in a position to ask and receive what you believe to be your due. However, you may find that you are not as diplomatic as you might be. This is your most challenging weakness during this month. Guard against arrogance. Your responsibilities increase possibly as a result of a promotion.

Family affairs, friendships, and romance also move to the foreground and are rewarding and healing. You will be asked to sacrifice some of your time and energy to a younger person or someone who is old or sick. You feel closer to the people around you and you want to be there for them. Somewhat contradicting to this show of warmth and affection is the lack of tact and sensitivity you may display a number of times during this month. Richard, you may be too intent on forcing people to see life as you do, rather than allowing them their own perspectives and their own rates of growth.

The later part of this month brings changes that arise from a chance meeting at a social event. This change may be based on a romantic encounter and may affect your living situation. An unexpected travel is also a possibility.

Mary, your Personal Month for July-2020 is 4

Mary, it is a time to seriously apply yourself to your duties and responsibilities. Take charge in home, career, and community affairs. Be patient and apply yourself to routine and details diligently. Organize your personal life and your career. Tie up loose ends. Start projects that will improve your living situation such as repairing the house or starting a garden.

Someone in your circle of friends and relatives needs help. Usually, this is a younger person who has not yet found stability or purpose in life.

This month may well bring an excellent opportunity in your own career. Focus on legal affairs. Discipline and effort are the key-words for this month.

Romance takes a more serious turn. Expectations are expressed, and commitments made.

YOUR MONTHLY RELATIONSHIP FORECAST

Richard and Mary, monthly cycles are not as strongly felt as yearly cycles, however, they can have short period of considerable intensity. This is by no means common, but when certain numbers are aligned just so, it can throw things of balance.

If you feel you might be experiencing some turmoil within your partnership, read the monthly compatibility and reflect on its meaning. You will almost always be able to recognize where the friction comes from, and this is a big step towards healing.

You may also want to refresh your memory by taking another look at your Relationship Compatibility Profile as well as your yearly cycles.

Your Personal Month's Compatibility for July, 2019 is 6 and 4

Richard and Mary, this cycle combination offers several opportunities for you to improve many aspects of your life. Your traits and influences complement each other very well.

This is a time of shared effort with Mary focusing on the practical aspects and you on the heart and health of the relationship. Your energies are aligned and enhance the positive qualities found in the 4 and the 6. This cycle has the potential to deliver progress, financial growth, and more involvement in your community. It is a good time to combine forces to reach a common goal.

Normally, very few negative influences appear with this combination. Even a tendency for Mary to become irritated or angry more quickly can be lessened by your ability to comfort her. And she is able to bring a different kind of comfort - that of stability and security - as her focus is very much on improving the material aspects of life.

Richard, your Personal Month for August-2020 is 7

The emphasis changes from outgoing to inward seeking. You are more serious now and self-reflective. You question the wisdom of some of your decisions and choices made during the past ten to twelve months. You keep to yourself and are generally less social. You are engrossed in your work and feel a need to do a better job. Your desire for perfectionism is strongly enhanced, which results in self-criticism and impatience with others. At the root of this change in attitude is a spiritual need for clarity and understanding. You want more security, both internally, as well as in your worldly roles. You would do well spending some time alone for contemplation and meditation. In this respect, August stands out during this otherwise "material" year.

Family and friends take a backseat during this period. There are strong feelings connected to your relationships with your loved ones, but these are experienced and expressed more subtly.

Romance becomes more serious. You share mental, spiritual, and emotional experiences on the deepest level. There is no room for superficial exchanges. Your relationship with the person you are attracted to intensifies and becomes stronger as a result.

Mary, your Personal Month for August-2020 is 5

August brings some changes in work and your personal life. It is a dynamic time, and nothing goes according to plans. Play things by ear.

Your career progresses well as a result of your enhanced ability to find creative solutions. You make a good impression on some people who are in a position to reward you. There will, however, be a confrontation between you and a co-worker, with long-ranging affects. The outcome will depend on your personal strength and self-confidence. If you are involved in business deals or legal affairs, some surprising changes may take place. In all areas of your life, flexibility and adaptability are important. Your friends and family require a lot of attention. Social gatherings are frequent and will bring new relationships into your life.

Traveling, perhaps across the ocean, is possible and favorable.

Romance is exciting. Be socially active. If you are single, you could meet someone who will be a permanent part of your life.

Your Personal Month's Compatibility for August, 2019 is 7 and 5

Richard and Mary, this is considered one of the most healing and loving cycles. Although the 5 and 7 are

very different, they get along extremely well.

Mary is undergoing a time of change and dynamic energy. You will probably be a bit more withdrawn than usual, focused on who you are and where you are going.

Although your cycles tend to influence you very differently - externally for Mary, and internally for you - these aspects thrive on one another. Richard, your introspective exploration will probably be attractive to Mary at a time when she finds little that feels subtle or mysterious. And Mary's charged energy and inspiring attitude should have a positive effect on you when you may need a connection to the outside world.

It is possible, however, that Mary could perceive your subdued attitude as meaning something is wrong. If so, let her know everything is okay. During a 7 cycle, the last thing you want is to be drawn out of your contemplative space - you would probably find it annoying and intrusive.

Allow for your differences - just being together is all it takes to make this a wonderful period of closeness and appreciation.

Richard, your Personal Month for September-2020 is 8

September a month with great potential for your career and finances, especially to increase your finances for the long-term. It is a time to be aggressive and outspoken. Your authority is needed, and you will have to apply yourself one hundred percent. However, there is another side to this month. You may feel that you have reached the pinnacle of your career, or that work and other areas of your life have become dull and monotonous. You may feel you need a break. You are approaching a time of deep inner change.

Several times during your life you have reached a point at which you need to break out of a cocoon. All evolution is gradual, but periodically interrupted by sudden bursts of growth, or change.

You are at a stage in your life when you feel ready for such a change. However, you are not clear about the true nature of this change and, while you may feel inspired to force some practical changes now, you should approach this with care. Avoid impulsive decisions as well as any contractual arrangement that would tie you down for a long time. You need to rely on your own strength and feel confident that you have a certain amount of control over your own future. You should relax and let things develop at their own pace. Social events are highly favorable and there will be ample opportunity for that.

Mary, your Personal Month for September-2020 is 6

September will force you to deal with the issues of responsibility and loyalty. Devote your time and energy to the needs of family and community. Become involved in some sort of activity that will benefit others financially. You will, and should be, concerned less with your own financial affairs, than with those involving others. Be selfless and generous in all areas of your life. It is a time to forgive and heal. You are highly aware of your bond with the people you love, as well as with neighbors and co-workers.

Legal affairs you might be involved in come to the foreground. Financially, September has the potential to be very good.

Romance is shaky. Choose your words well and follow up on promises. Don't forget birthdays.

Your Personal Month's Compatibility for September, 2019 is 8 and 6

Richard and Mary, although they are quite different, your cycles are very compatible. You should both experience progress in your career and other practical, material endeavors. This is a favorable cycle with the potential to bring progress and possibly a financial windfall.

On a personal level, you will probably be more involved with each other as well, albeit in very different ways. Mary, the 6, will be focused on matters of the heart, so she should feel strongly committed and eager to make you happy. Her cycle will focus on home, family, friends, and practical issues.

Richard, your 8 will awaken leadership skills and ambition - even within the relationship. This could pose problems, because your tact and sensitivity may not be as keen as usual. You are taking more control over your life, which is an integral part of this cycle, but you must be careful not to carry that attitude into your relationship. Mary needs your love, not your leadership. Focus your ambition on goals and your heart on the relationship. Although they are quite different, your cycles are very compatible. Richard, your Personal Month for October-2020 is 9

October marks the beginning of the end of a certain era in your life. Now you begin to let go of certain expectations you have long held. There is a feeling of emptiness and of "what now?" The time has not yet come to respond to these feelings in a practical way. Now is the time to begin to become comfortable with the need to change. The changes contemplated involve both personal and professional life.

For these reasons, October could become an emotional time. Some melodrama and role playing are actually a subconscious way for you to test the people around you, and the depth of their commitment. You are also testing your own position towards people, career, environment, spiritual beliefs, and other aspects of your life. You have, even if you are not aware of it, already begun the process of selecting what you want to remain in your life and what you want to discard.

This process, which continues through different stages over the next 2 years, is natural and nothing to be afraid of. You are entering a period of reawakening. This means a letting go of some of the comfort and security that surrounded and protected you for many years.

Start giving some of your energy to a good cause that benefits others. Ultimately, it will benefit you. It takes the spotlight of your doubts and questions and gives you strength and confidence.

For October, practical matters can be handled with ease. It is much better to pay off debts than to incur new ones. Completion is favored over new starts. It is a time to tie up loose ends, not so much to begin new projects. It is a time to clean up and prepare for new things coming into your life.

You are not in the right mood to pay much attention to romance or personal relationships of any kind, unless it's to test the strength of the relationship. You may be a little judgmental and self-righteous and will need to guard yourself against this sort of thing.

Mary, your Personal Month for October-2020 is 7

Distance yourself somewhat from the affairs and troubles of other people. During the course of this year you have been asked to help, counsel, and advise others many times. Now, give yourself a break. Spend time alone for contemplation and meditation. Study and reading are also favorable. Your workload does not decrease but much of it is routine and allows you to mentally drift. Still, your mind is sharp, and you can easily concentrate when you want to.

Inner healing takes place. Old wounds may be reopened. There is some sadness and nostalgia, but the healing is real and needed. This is a time of spiritual growth. Postpone decisions regarding financial affairs, if possible, until next month.

Matters of the heart are also a low priority. You are not very clear this month and would rather not be bothered with it. Emphasize your personal well-being. Diet, exercise, and go for walks. Don't distract yourself from soul-searching by watching television or other mind-numbing practices.

In many ways, your experience of this month will set the tone and direction for next year.

Your Personal Month's Compatibility for October, 2019 is 9 and 7

Richard and Mary, you may feel somewhat distant from each other during this cycle, as you are both likely to feel emotions that are not easily articulated or understood. Although you share the need to be more inwardly focused than usual, your experiences will probably be quite dissimilar.

Mary is seeking clarity, understanding, increased self-awareness and growth (although this may be somewhat subconscious). You will also have an inward focus, but on a more practical and emotional level. The 9 could make you feel less confident than usual, so doubts and questions are likely to arise.

Although Mary will also share this questioning state of mind, she will probably feel stronger and more capable than you do. You are likely to feel more vulnerable than normal. Mary can be a much needed source of strength for you during this period. You may not expect answers, but you could probably use her emotional support. Although you may need the closeness Mary can provide, be aware that she will also need more time alone than usual.

This is a learning cycle for both of you, with the potential to leave you stronger spiritually and emotionally.

Richard, your Personal Month for November-2020 is 1

The month of November brings confidence, independence, and individuality. Now, you are driven to take up new challenges, tackle new projects, and get a firm grip on your life. You have energy to spare and you use this to inspire and motivate others. You feel that there is nothing you can't deal with. You are ambitious and result-oriented. You receive an opportunity that will have long-ranging effects on your life. You are confident, but also a bit stubborn and hardheaded. You are direct and not as sensitive to other people's feelings as usual.

This is a good time for business and finances. It is a time to be decisive and adventurous, not a time to be

conservative. Courage and originality are key ingredients needed to take full advantage of this cycle. You are more stable and outgoing in your personal life, much to the delight of friends and relatives. You are also generous and inspiring, but not in the mood to deal with the petty stuff. You are a little impatient.

Romance may prove to be the most challenging aspect of this period. The chances of meeting someone is good, but your approach may be too aggressive and lacking in sensitivity. If you are married, or otherwise committed, a small warning: not everyone is on the high curve of his/her cycle, so be patient.

Mary, your Personal Month for November-2020 is 8

November is an excellent time for business ventures, financial affairs, and all things related to the material world. You receive recognition for past effort in the form of financial rewards, respect, and possibly promotion. Implement any changes you have been considering in your business affairs.

As always, when the 8 shows up in the chart, a certain amount of balancing takes place. Punishment and reward are both possible. If you have put out sincere effort, the reward will be there. However, for some people, an 8 month may bring bad news, after all, the 8 is balance, including the balance between effort and reward.

This is a good time to straighten out financial dealings you may have with friends or relatives as well. This is not a good time to go into debt. But it is a good time for love. Strong feelings and passionate exchanges on the emotional and physical level make this an exciting month.

Your Personal Month's Compatibility for November, 2019 is 1 and 8

The combination of 1 and 8 is excellent for inspiring both of you to get busy. Richard, you will be pursuing goals and Mary will be discovering them. You are both treading on a path of progress and the potential for financial improvement (although with an 8 in the picture, Mary should be on guard against getting involved in get-rich-quick schemes).

The gap between these cycles is considerable and has to do with your different inner/spiritual paths. This may become particularly clear during this period, which could create problems for your relationship. Much of this is likely to be inconsequential (so a useful bit of advice is to ignore issues that are not significant). Usually, to maintain a healthy relationship you need to talk about your differences. However, there are occasions when it is better to avoid touchy subjects and accept that you are individuals with differing opinions and approaches. This is a time to ignore your differences and simply enjoy one another's company.

You are both going through cycles that strengthen your position materially; during this period your best approach is to focus on that. As to contrasts in your intellectual or spiritual viewpoints, it may be best to let sleeping dogs lie.

Richard, your Personal Month for December-2020 is 2

December shifts the focus to relationships and all affairs of the heart. Co-workers are demanding, not only in work-related matters, but also in personal areas. You may catch some flack or become involved in conflicts that don't appear to have anything to do with you. All your tact and diplomacy are needed to maintain harmony in the work place.

However, you are better equipped to deal with sensitive affairs than usual and you manage to diffuse most of these potentially explosive affairs.

Pretty much the same experiences await you regarding relationships with relatives and friends, but here too, you are able to keep the peace.

Your intuition and sensitivity are your strongest assets during this month.

There is, however, also a need to stand up for yourself. Someone is about to claim credit which rightly belongs to you. Again, diplomacy and tact are required to solve this problem. This is also a good month for negotiation and financial affairs, particularly concerning loans and mortgages.

Romance can be powerful but may cause problems when money is involved.

Mary, your Personal Month for December-2020 is 9

December is the second time this year that some letting go has to be done. A relationship is going to end. This can cause some distress, but there are also feelings of gratitude. Your feelings run deep, but you have difficulty expressing them. You feel vulnerable and emotional. You are attracted to giving your time and energy to something outside of

yourself. Clean out the garage or attic and donate the excess to charity.

There are changes in the work situation, such as a shift in personnel. In a strange turn of events, you may find yourself having to defend your actions and motivations. Your honesty may be questioned. If you are single, you may meet someone later this month. If you are committed, you may feel you are involved in a roller-coaster kind of relationship. Not to worry, things calm down by the end of the month.

Your Personal Month's Compatibility for December, 2019 is 2 and 9

Richard and Mary, this cycle may help you determine if your relationship is founded on real substance. Although your experiences will differ, your numbers indicate you are both facing a period where emotions rule.

Richard, you might be somewhat self-absorbed and emotional (about pretty much everything). Vulnerable and sensitive, you will also be more finely tuned and able to recognize what is real and what is not. For the heart to see clearly, protective layers need to be removed, which may leave you feeling more exposed and vulnerable than usual.

For Mary, a different but no less emotionally charged period is reflected in her 9. Mary is also searching for answers, but her questions are less concerned with the relationship than they are about choosing the best path to take as she approaches a crossroad. Although this is a very important cycle for her - a time of growth and choice - it is likely to be a period with many ups and downs.

As you work through your individual issues during this cycle, you may find you are able to support one other in only the most basic sense: you can reassure each other of your love.

If the relationship has real substance, you will move through this time with flying colors. If it doesn't, you should have a better understanding of the way your relationship will weather periods when your individual needs and objectives are at issue.

Richard, your Personal Month for January-2021 is 1

January brings progress as well as some turmoil. Your career offers opportunities that should be taken advantage of, but you may also be wondering if you want to continue on the path you have chosen. A change of course may be taking shape. You may want to focus more on the ideas you had at the beginning of your professional life. Even if you do not have a career, a return to the idealistic views you had at an earlier time cannot be avoided now.

A similar desire for purity and idealism influences your relationships with friends and relatives. You find yourself confronting some of the people close to you. You may decide that some of your relationships are no longer desirable.

You experience emotional ups and downs, caused by a need for confirmation of your love on one hand, and a tendency to be critical and judgmental on the other. You are aggressive and emotional at times. This combination may shake the foundations of many of your relationships. Undoubtedly, some of these

foundations may crack, but others will prove to be strong and remain undamaged.

Financially, this is a time to be extremely careful.

Mary, your Personal Month for January-2021 is 8

This, the first month of your 7 Personal Year cycle, brings success and reward from past effort. Self-reliance and confidence are the keys to success this month. Stand up for yourself and show stubborn persistence.

Your career is stable, with few ups and downs, but your finances are less secure. A conservative attitude to money matters is favorable. Your attention is focused on long-term planning. You have good ideas that may well turn into an additional source of income later this year (during or around October). You also become interested in new avenues of thought or spiritual paths, which will inspire you to study or read.

This month's emphasis is on long-term goals.

Friends and relatives feel that you are a little distant and may get on your case in the hope that you will spend more time with them. Romance is not particularly important. If you are involved with someone, feelings deepen, and the bond becomes stronger.

Your Personal Month's Compatibility for January, 2019 is 1 and 8

The combination of 1 and 8 is excellent for inspiring both of you to get busy. Richard, you will be pursuing goals and Mary will be discovering them. You are both treading on a path of progress and the potential for financial improvement (although with an 8 in the picture, Mary should be on guard against getting involved in get-rich-quick schemes).

The gap between these cycles is considerable and has to do with your different inner/spiritual paths. This may become particularly clear during this period, which could create problems for your relationship. Much of this is likely to be inconsequential (so a useful bit of advice is to ignore issues that are not significant). This is a time to ignore your differences and simply enjoy one another's company.

You are both going through cycles that strengthen your position materially; during this period your best approach is to focus on that. As to contrasts in your intellectual or spiritual viewpoints, it may be best to let sleeping dogs lie.

Richard, your Personal Month for February-2021 is 2

February awakens you to many of the underlying factors that influence your career and personal life. You are highly intuitive; you experience strange and vivid dreams; and you gain insights that border on psychic premonitions. At the same time, you continue to be vulnerable in the emotional area. Any kind of criticism can devastate you. You should avoid confrontations. You are in a position where you can gain considerable understanding of the motivations and desires that influence you, as well as others.

This is an important and valuable time, because you are learning much about the true nature of human beings, including yourself. The challenge here is to see yourself and others in a spiritual light, with love and forgiveness.

Some people who go through this particular cycle experience bitterness and anger. For others, this cycle brings faith and gratitude. For everyone, the impressions are lasting.

Romance is powerful; you see and hear and feel more fully than usual, which brings an added intensity to the experience of love.

Mary, your Personal Month for February-2021 is 9

February brings a number of changes, most of them occurring inside of you. You awaken to new feelings about your job, your house, and the people around you. It is a time of reevaluating the choices and decisions you have made over the past several years. You gain clarity and understand your motivations and needs better.

You may cause some practical changes as a result of this, and even distance yourself from outdated habits or relationships. There may be some emotional turmoil connected to this, but the feeling of relief is more prominent. This is a tricky time in all areas of relationships. Your irritation threshold is lower than usual. Irrational demands and lack of patience from your side may bring on feelings of guilt and you will probably find yourself apologizing more than once. You have strong idealistic, humanitarian, and spiritual feelings and may want to become more involved in some practical endeavors concerning one or more of these areas of life. However, you will probably postpone any active involvement for the time being, because you feel the time is not right.

Most important this month, is your enhanced clarity in all matters concerning your life and the direction it is taking. It is a time of re-assessment of your values and priorities and the influence of this month will be felt for a long time to come.

The practical aspects of career, business, relationships, and romance are all on the back-burner, but the inner-

changes that take place represent a much larger step forward than you will probably realize at this time.

Your Personal Month's Compatibility for February, 2019 is 2 and 9

Richard and Mary, this cycle may help you determine if your relationship is founded on real substance. Although your experiences will differ, your numbers indicate you are both facing a period where emotions rule.

Richard, you might be somewhat self-absorbed and emotional (about pretty much everything). Vulnerable and sensitive, you will also be more finely tuned and able to recognize what is real and what is not. For the heart to see clearly, protective layers need to be removed, which may leave you feeling more exposed and vulnerable than usual.

For Mary, a different but no less emotionally charged period is reflected in her 9. Mary is also searching for answers, but her questions are less concerned with the relationship than they are about choosing the best path to take as she approaches a crossroad. Although this is a very important cycle for her - a time of growth and choice - it is likely to be a period with many ups and downs.

As you work through your individual issues during this cycle, you may find you are able to support one other in only the most basic sense: you can reassure each other of your love.

If the relationship has real substance, you will move through this time with flying colors. If it doesn't, you should have a better understanding of the way your relationship will weather periods when your individual needs and objectives are at issue.

Richard, your Personal Month for March-2021 is 3

Whenever the number 3 takes center stage, it lightens things considerably. You are not nearly as vulnerable as last month. You are more playful. You express yourself easily and you manage to inspire and motivate others. You receive some positive information about your career and your financial status. Meanwhile, you are considering some big changes in these areas of your life. You may want to keep your thoughts to yourself or share them only with one or two of your most trusted confidants. You are not ready to make decisions or take steps that are irreversible, but that time will come soon.

This is an exciting time, when everything seems more intense, more alive. You are more creative and communicative.

Richard, you should take the time to enjoy yourself. Go on a vacation. Visit friends. Be social. Give yourself a break. Romance is favorable, but you have to guard against irresponsible and superficial behavior.

Mary, your Personal Month for March-2021 is 1

Mary, you may still have a case of the blues on the early days of this month, March soon brings optimism, increased energy, and excitement. You are intellectually sharp and imaginative. You feel that anything is possible and that the sky is the limit. Against the background of self-reflection and soul-searching that's such a major part of this year is this month's sense of spring-time in your heart. This is an excellent time to take on new challenges in your career, to start new endeavors, or, if you are in business or sales, to go out and snare that important new client.

Often, this month brings financial gain, but your attention is more directed towards intellectual accomplishments. Your pride and self-esteem gets a boost.

A more difficult aspect of this month is your relationship with loved ones. You lack the necessary sensitivity to respond properly to the needs of those close to you. Mary, you are under the illusion that everyone feels the way you do; that problems are only minor impediments that can be taken in stride. However, your optimistic attitude also inspires them, and they grudgingly respect you for the way you seem to be handling things.

A romantic experience brings passion and excitement either late this month or early next month.

Your Personal Month's Compatibility for March, 2019 is 3 and 1

Richard and Mary, this is one of the most compatible cycle combinations. In fact, your personal numbers ensure future cycles will most likely continue to be harmonious. A gap of two will always be maintained between your numbers which, as a rule, is a good sign. Your next cycle will be 2 and 4; the period after that will be 3 and 5, and so on.

For this period, Mary will feel like she woke up refreshed from a long nap and is now raring to go. Her energy level should be higher than usual; she feels strong, capable, and not in the mood to be held back by anyone or anything. Mary's 1 brings dynamic energy and the desire for progress.

Richard, you also experience a dynamic period, but with less focus and more play. Your energy is directed toward creativity, self-expression and relaxation. Although there will be work to do, it may not be the top

priority.

Normally, the only potential for discord in this combination comes from noticing (and judging) your differences. Mary might feel you are irresponsible, and you may not be in the most serious of moods which could irritate her. To maintain harmony, Mary will need to recognize that this period represents an important and needed break for you, and you will need to respect her need to stay focused on her goals.

Richard, your Personal Month for April-2021 is 4

April requires hard work, an eye for details, and dependability. Your career is a top priority and requires much of your attention. This is a difficult month with frustrations and a sense of urgency. Perseverance is the key.

There is another feeling that starts moving to the foreground. You feel a little tired, ready to surrender. Your energy level is lower than usual, and this makes it harder to keep up with your duties and responsibilities. However, this is not a good time to slow down. It is a time that can bring opportunity and an unexpected insight into a new direction in life. You are at a point in your life when you feel that you have been stagnant. Change is needed.

This month will bring some practical insight and ideas as to how this change can be accomplished. This is a good time for business ventures and investment. It's also a good time to work on the house and garden.

Romance is understated, but emotional stability is hard to maintain. Don't make many any big changes or decisions in the emotional realm for now.

Now the pendulum swings back from the insensitivity of last month to heightened awareness, especially of others. You are aware of the emotional subtleties that lie beneath the surfaces. You take nothing for granted. Your wisdom and diplomacy will surprise people and prevent several situations from becoming explosive. Relationships with both subordinates and higher-ups will improve. You receive support and are well-spoken of. Your intuition is keen; rely on it and respect any premonitions you may have. Someone you meet sparks your interest, but you may find that the person is unstable and fragile. You play the role of teacher and counselor in this relationship.

Your understanding and intuition also offer you the means to heal formerly difficult relationships this month.

Your Personal Month's Compatibility for April, 2019 is 4 and 2

Richard and Mary your cycles carry many similarities and a few differences. For Mary, this is a time of growth through networking, work relationships, and consolidating plans. Richard, you will focus on work (extra effort) and probably a fair amount of frustration.

The focal point for both of you should be your career, projects, plans, and your future. Your relationship should not pose much of a challenge, although you may experience times when you don't seem to communicate or share as much time together as usual, even that you are pulling away from each other a bit. Although it is always important to address relationship concerns promptly, during this project related cycle you may find there isn't time to do two things at once.

However, this is only one side of the coin. Although you may feel somewhat separated during this period, on a more subtle level you have the potential to form a deeper sense of yourselves and your relationship.

Your 4 inspires the need to find stability and comfort. It is a time to place things where they belong and to establish boundaries. The heart rules Mary during this cycle, so her emotions are likely to be strongly felt and quickly expressed. These aspects complement each other. While you work on the practical side of the relationship, Mary can help move it to a deeper level.

Richard, your Personal Month for May-2021 is 5

May brings many changes and ideas that start you in a different direction. You are restless and impatient. Your energy is scattered but you are ready to make a big step forward. A move of residence or a travel will bring inspiration. You are at an important stage in your life where you feel a bit in limbo, but you also know that a change for the better is imminent. You feel excited and confused at the same time. You do not really understand what is going on, and the motivations that have guided you for many years now seem outdated. You question your underlying values and desires. You feel a loss of direction. Your best approach is to wait things out. Do not start any new endeavors unless you are very sure you will follow through on them.

Social events are highly favorable. You need to be around people. You need to be loose and enjoy yourself. As I mentioned earlier, you are going through enormous changes this year and next year, and for that reason, interaction with others is therapeutic. It helps you deal with the turbulence that takes place inside.

This month brings much progress and a new beginning. This 9 Personal Year has been a year of letting go, next year is a time of renewal, almost rebirth.

Mary, your Personal Month for May-2021 is 3

The month of May is an excellent time for leisure and play. Take time off and, if possible, go on vacation. Get in touch with the inner you, daydream, and share those feelings and thoughts with someone you trust. Your need for others heightens.

You sense changes on the horizon, but feel you are in limbo, waiting for events to provide a new direction. Seek the advice, perspective, and insight of others.

You continue to make a good impression on those you work with, but not because of enhanced sensitivity and awareness, as was the case in April, but because of your ability to express yourself well and motivate others to see things your way. Be careful not to become manipulative.

This is a "lucky" month. You're in the right place at the right time and coincidences will occur in your favor. You are more attractive to others than usual and may receive some interesting proposals.

Your Personal Month's Compatibility for May, 2019 is 5 and 3

Richard and Mary, this is one of the most compatible of cycle combinations. You both have numbers that deliver enhanced energy and dynamic growth.

This is a period to play off of your partner's energy and enjoy each other's company. Your ability to communicate should also be enhanced. This is considered a healing cycle, because it is known to impart less stress and more flexibility to the body and the mind.

There is little negative to say about your combination other than the inherent danger of having too much fun. Quite often the 3 (and especially the 5) invites elements of risk into their search for the new and exciting. Focus and discipline could be concerns as well. Be mindful to remind each other to slow down if things begin to get out of balance and be careful not to attract people whose influence is less than desirable.

Richard, your Personal Month for June-2021 is 6

This month brings stability, strength, and understanding of yourself and the many roles you play in this life. Some relationships may undergo a test this month. This whole year is a time of letting go of certain people, behaviors, and roles that you have outgrown. June is particularly important in sorting out your feelings for others. Relatives and friends seek your company, but you may respond with aloofness and indifference.

An important challenge this month is to be honest and open in your relationships. You may tend to bottle-up

your feelings.

This is a good time for career and finances, even if you feel a lack of interest for these matters. Romantic relationships are particularly fragile right now. However, if your love-relationship survives this period, you know that it is based on true substance. It will be stronger and lasting.

Mary, your Personal Month for June-2021 is 4

June may prove to be the busiest month of the year. Work is demanding. Responsibilities and duties could become frustrating. You've got to stick to the routine and, consequently, you may become bored with your environment. Your energy level is high, and you want things to change. Reorganize your personal life. Manage your time more efficiently. Work on the house or garden so that you can enjoy improvements in your environment as well as your work life.

You are more serious this month than you were last month. Don't take chances in financial affairs. It is better to save than to spend. Open your heart to your loved ones. They may sense your preoccupation with work and details and need you to reach out to them.

Your Personal Month's Compatibility for June, 2019 is 6 and 4

Richard and Mary, this cycle combination offers several opportunities for you to improve many aspects of your life. Your traits and influences complement each other very well.

Your energies are aligned and enhance the positive qualities found in the 4 and the 6. This cycle has the potential to deliver progress, financial growth, and more involvement in your community. It is a good time to combine forces to reach a common goal.

Normally, very few negative influences appear with this combination. Even a tendency for Mary to become irritated or angry more quickly can be lessened by your ability to comfort her. And she is able to bring a different kind of comfort - that of stability and security - as her focus is very much on improving the material aspects of life.

Richard, your Personal Month for July-2021 is 7

July represents a time of insight and awareness. You start to realize the magnitude of the deep inner changes that are taking place, and this fills you with a combination of fear and excitement. You know that the time has come to face up to important decisions that will affect your life, as well as the lives of those close to you for a long time to come. Your fear is based on your indecision and inability to know if what you want to do is right. Your excitement comes from the knowledge that at least something is happening. In this situation, the key is to choose what feels right. Rely on your heart and your intuition and have faith in yourself and your Creator.

Richard, your career and finances are not priorities, except when they relate to plans you may have for the future. This is a time to prepare for the long-term, not to reach for immediate rewards.

Mary, your Personal Month for July-2021 is 5

July is a time of unexpected events. Be flexible, especially in thought. Let old concepts and dogma go. This is a time of incredible growth, mentally as well as spiritually, but you have to allow such growth to occur. New information comes to you. You have the opportunity to change old ideas about life or people. Your circumstances could even change. Travel is also possible and favorable. A sudden phone call could put you on the plane the next day. Letters or phone calls could come from people you have not heard from in a long time.

Meanwhile, you feel scattered and restless and want to avoid the nitty gritty details of life. Go with the flow; answer demands as they come up and do not try to control the circumstances too much.

Mary, you are mentally sharp and quick to see the meaning of new information. You are also creative and imaginative. This month releases your wilder side, especially when it comes to your social life and love relationship. Within the context of this year's serious and spiritual overtones, July is by far the most dynamic month. Be careful of too much self-indulgence and irresponsibility. Moderation, again, is the key.

Your Personal Month's Compatibility for July, 2019 is 7 and 5

Richard and Mary, this is considered one of the most healing and loving cycles. Although the 5 and 7 are very different, they get along extremely well.

Mary is undergoing a time of change and dynamic energy. You will probably be a bit more withdrawn than usual, focused on who you are and where you are going.

Although your cycles tend to influence you very differently - externally for Mary, and internally for you - these aspects thrive on one another. Richard, your introspective exploration will probably be attractive to

Mary at a time when she finds little that feels subtle or mysterious. And Mary's charged energy and inspiring attitude should have a positive effect on you when you may need a connection to the outside world.

It is possible, however, that Mary could perceive your subdued attitude as meaning something is wrong. If so, let her know everything is okay. During a 7 cycle, the last thing you want is to be drawn out of your contemplative space - you would probably find it annoying and intrusive.

Allow for your differences - just being together is all it takes to make this a wonderful period of closeness and appreciation.
