ABOUT YOUR RELATIONSHIP COMPATIBILITY PROFILE & FORECAST

This report analyzes the personalities of both subjects to assess their compatibility. It also offers suggestions for ways to mitigate the stress or damage that can come from differing personalities and perspectives.

When you are involved in a relationship, you come to know each other more deeply over time. At first friction is rare. As time goes by and you discover additional sides to your partner, you become aware of personality traits you appreciate as well as some that rub you the wrong way. Even if you consider your relationship nearly perfect, you will experience occasional bouts of conflict.

Negative traits are almost always a cause of friction, but it is interesting to note that some qualities that are considered positive can also be incompatible. You may find this report to be more critical, or even harsh, compared to other readings of this type. My approach is designed to throw light on differences in your chart that might benefit from a frank, unbiased examination. Ignoring potential issues can cause more damage in the long run than a few honest remarks in a reading.

You will probably encounter some texts that state: “The compatibility aspect in this area of the chart is already included in other parts of this report.” Those texts are not repeated here because they are either redundant or offset by other conditions. This is done to offer a perspective that is as well balanced and clear as possible; repeating certain traits would place too much emphasis on them.

If you have received previous reports that mentioned double-digit numbers in your chart, such as Master numbers or Karmic Debt numbers, you will notice in the Relationship Compatibility Reports all numbers are reduced to single digits. This is because single digit numbers are the essential influences that affect relationship compatibility; including double-digit numbers would only diminish the clarity we aim for.

I hope you will appreciate the perspective of your Compatibility Report and will find it beneficial to your relationship.

THE LIFE PATH

Your Life Path number is considered the single most significant information available in your Personality Chart. It is derived from the total of all numbers found in your date of birth. However, it is important to keep in mind that the aspects described in the next few chapters will either complement, supplement, or sometimes weaken the attributes revealed in numbers derived from your name.

Jennifer, your Life Path number is 3

You possess a great talent for creativity and self-expression. Many writers, poets, actors and musicians are born under the 3 Life Path. You are witty, possess a gift for gab, and savor the limelight. Your talent for the expressive arts is so abundant that you may well have felt drawn to becoming an artist while still very young. Your artistic abilities can only be developed, however, through discipline and commitment to the true development of your talent. Commitment, concentration and hard work are the only means of bringing forth your talent.

Thanks to your gift for self-expression, you can be the life of the party, and the center of attention. However, you could easily squander your talent by becoming a social butterfly. Your creativity is the gift that can give you the comfort and luxury you desire, but not without continual focus and discipline. You are optimistic and possess the resilience to overcome many setbacks.

You are socially active, popular, and inspire people with your sunny "happy go lucky" attitude. You can be generous to a fault. Many people born under the 3 Life Path have difficulty handling money because they can be disorganized and not particularly serious about their responsibilities. You are emotional and vulnerable. When hurt, you withdraw into a cloud of silence, eventually emerging from your reticence with jokes and laughter that cover up your true feelings. You can become moody and cynical when depressed. You can succumb to sarcastic remarks, which can be painful to those around you.

When used positively, your talent for self-expression can be a great inspiration force in the world, uplifting others, and bringing much success and happiness to you.

John, your Life Path number is 3

John, your Life Path is also a 3; the same as Jennifer's

HOW YOUR LIFE PATH NUMBERS COMPARE

Your Life Path number is the most important influence in your chart. As such, their compatibility is very important to the well being of your relationship.

Jennifer and John, your Life Path Compatibility is 3 and 3

Jennifer and John, you both have the creative, happy-go-lucky 3 in this part of the chart, which indicates you carry on lively conversations and inspire and motivate each other in an energetic environment. You joke easily and appreciate each other's humor. You enjoy one another's company while still participating in an active social life.

On the surface, there is little negative to say about this combination. However, a deeper look suggests that unless you consistently work on it, the happy-go-lucky nature of your relationship could become the root of persistent problems. Sharing the 3, you probably both tend to gloss over rough spots that emerge. This area of the chart indicates a strong preference for reveling in the sunny days without noticing the shadows you cast. It is important that you address relationship issues as they arise, before they accumulate and become insurmountable.

The influence of the 3 is only dominant in some aspects of your relationship; other more serious numbers also play in your chart. They can help you work through the emotional turmoil that is inevitable. Watch for subtle signs indicating something might be bothering your partner because, although you are both excellent communicators, you don't always use this talent to express your deeper, private, feelings. Stay attentive. If you suspect something is up, even though your partner appears happy-go-lucky, take time to have a frank and intimate talk about what is going on.

Another potential issue for this combination is that fun can become too high a priority, overshadowing important responsibilities and duties. The number 3 is scattered, unfocused, and impulsive, all common traits in creative people and the creative process. The 3 lets the mind wander in search of new, creative ideas. However, without effort and discipline those traits can work against you. To create the material security that will allow you to experience the fun and joy you both desire, you may need to remind one another to stay

focused and keep your eyes on the prize.

Jennifer and John, you clearly have many compatible aspects in your relationship. Just ensure you guard against the less desirable traits of the 3 (irresponsibility, lack of focus, and a sometimes frivolous attitude).

THE EXPRESSION

Your Expression number, calculated from your full name at birth, reveals the orientation or goal of your life. Some numerologists refer to this as your Destiny number because it represents a lifelong target at which you are aiming. Thus, the Expression number, to some extent, reveals the person you aim to be.

Your Expression is the most influential of the three characteristics that make up who you are. It is also the number with the most influence on your choice of career, although other aspects are important as well.

Jennifer, your Expression is 8

Jennifer, you have the power and potential to achieve great things. It is both your challenge and your birthright to gain dominion over a small part of the earth. Whatever your enterprise, you strive to be the best and most successful in your field. You are highly competitive and will not rest until you are satisfied that you have bypassed the opposition.

You enjoy challenges and rivalry. You are a realist and a visionary planner.

Money and authority are available to you if you are willing to discipline yourself -- generally an inborn talent -- and persevere in the face of the considerable obstacles in your path. You are dynamic and have a talent for efficiency. You understand the larger picture, see the broader challenges, and know how to marshal your collective resources to address the problems. You delegate responsibility well; it is best for you to leave many of the details to others.

You are a great leader of people and an outstanding judge of character. You are demanding of those who work for you, often putting things in no uncertain terms: do it my way or don't do it at all! At the same time, you don't hesitate to reward the faithful and hardworking employee. You are not a particularly tolerant leader; too much tolerance violates your sense of efficiency. You go directly after your goal with courage and tenacity.

You have a natural understanding of money, authority, and power. You are able to struggle consistently after your goal. Eventually power falls to you. Within you lies an innate balance between the higher and lower characteristics of man. Your challenge in life is to balance your higher ideals and your understanding of the hard realities of the earth.

Much effort will have to be put out and many ups and downs experienced before you reach the level of success you desire. Life will probably test you many times with obstacles that seem insurmountable. But in

reality, these are merely opportunities for you to learn how to use power and authority in the face of difficulties, and to find out just how much power lies within you. It is crucial for your success that you balance the material and the spiritual. You have chosen a path that requires balance between giving and taking, reward and punishment, action and reaction. Despite the obstacles on your path, you are a true survivor.

When focused exclusively on your desire for results and success, you can become stubborn and intolerant; you can be driven by excessive ambition, causing you to be exacting and without perspective. Be careful of your alcohol consumption, a danger-zone for you. Jennifer, you can be a social drinker, mixing business with pleasure -- a dangerous cocktail.

An excellent manager, organizer and administrator you have talents in many areas of life. Entrepreneurs, executives, bankers, brokers, negotiators, gamblers, coaches, collectors, heads of institutions, builders, art dealers, manufacturers, promoters, military officers, police detectives, smugglers, engineers, pilots or sea captains.

You have been entrusted with special gifts, the use or abuse of which has an immediate and often physical effect upon you and those around you! Use these gifts for the good of mankind and accept your own good fortune with gratitude. This is your rewarding stage in your evolution.

John, your Expression is 9

You are the humanitarian. You are attracted to a cause or a movement whose purpose is to make a better world. You are extremely idealistic, sometimes to the point of being naive about people or methods. You have great compassion and seek to create a more humane society. You are drawn to those who suffer physically or are at the hand of injustice. You are the righter of wrongs. Your deepest intention is to transform the world. You are willing to sacrifice in order to advance your cause. Indeed, this seems to be a theme in your life. From time to time, you find yourself involved in a project whose very life depends upon your willingness to sacrifice something that relates directly to your ego.

You are highly idealistic. You are also a visionary, with the ability to influence and direct the masses. Deep inside, you long for the love and approval of the many and seek fame. Part of your hunger for fame has to do with your need for validation; you are your own harshest critic.

You realize your greatest satisfaction when you are involved in some activity that directly benefits the public good. Politics, law, protection of the environment, teaching, and healing are areas in which you would succeed.

You have a broad view of humanity and are not shackled with prejudice. You should have friends and

associates from all walks of life, all colors and religious backgrounds. People fascinate and enrich you. A wide diversity of people and experiences stimulate and bring forth qualities within you that would otherwise lay dormant. You have an abundance of artistic talent. Many with your Expression number find themselves in the arts, especially in literature, painting, and the visual and performing arts.

The number 9 indicates the completion of a cycle or a block of learning. The 9 Expression suggests that you have reached the point where a breakthrough can occur; during this lifetime you can apply all that you have learned along your evolutionary path and complete a major stage in your development. This is why we find many geniuses with the 9 Expression. You have the ability to synthesize many diverse bits of knowledge into a unified whole.

Jennifer, your appearance is important. You are keenly aware of how others perceive you. As a result, others see you as a person with a great deal of control. Conversely, you are charismatic. Despite the cool and distant personality, you project, people are attracted to you.

You tend to express your love somewhat impersonally. You tend to be preoccupied with your vision or cause, and sometimes overlook the needs of those closest to you. You need to be reminded to give your love more personally and more openly. Ironically, you are a very loving and sincere person, but often neglect to express what you truly feel. In the same way, you can overlook your own needs. You can avoid sharing of your deeper feelings, creating a reservoir of emotion. You tend to postpone your personal satisfaction in favor of some larger work. Try to be more spontaneous and courageous about showing your real self, including your vulnerability.

Your basic belief in the goodness of humanity is unshakable. This causes you to encourage the best in people, but occasionally makes you vulnerable to being taken advantage of. You are not a very good judge of character.

The surest way to personal satisfaction is for you to become part of some larger social cause. Your nature is to serve. You are happiest when you feel you are helping to advance the human race.

HOW YOUR EXPRESSION NUMBERS COMPARE

More than any other number in your chart, your Expression number reflects who you are as a whole person on a deep level (rather than the "face" you show to the world, described by your Personality number).

It cannot be over-emphasized how important it is to recognize that the same number in a different area of your chart will affect you differently. There may be times you read something that seems to directly contradict an earlier statement. Yet, if you take time to carefully think about the opposing information you might recognize that, being the complex individual you are, you carry the same contradictions. This is

natural and true for all of us. You may excel at organization in one area of your life, while chaos rules in another. You may be tactful and sensitive in one setting, but direct and confrontational in another.

Be aware that it is more difficult to overcome negative traits you recognize in yourself when they are found in this part of the chart, than when they are found under the Life Path description.

Jennifer and John, your Expression Compatibility is 8 and 9

Jennifer and John, this part of the chart reveals two numbers at opposite ends of the spectrum. The 8 and 9 have almost nothing in common and are not considered compatible, yet they are often strongly attracted to each other. Interestingly, this attraction can remain compelling and fresh for many years because there is always something new to discover in each other.

A go-getter with big dreams and expectations, Jennifer (the 8) has a good chance to turn many of those dreams into reality because She is highly motivated and willing to put forth enormous effort to reach a goal. It is the nature of the 8 to direct energy toward accumulating wealth and power, so for Jennifer, this is natural and healthy.

John is equally focused but driven by completely different priorities and motives. The 9 in his chart is motivated by the work itself and the way it affects the lives of others, rather than financial gain or material success. The 9 will rarely find happiness or achieve success if motivated by worldly desires; John finds personal reward when driven by humanitarian motives.

Obviously, your priorities are as different as night and day, yet both are as they should be. You will often find yourselves at opposite sides of a discussion and will rarely agree when it comes to practical matters. For a happy relationship, you will both need to recognize and respect your differences. If you take each other for granted or begin to feel you can predict and control your partner, your relationship will be in trouble. The keyword in this relationship is respect. If you respect each other, disagreements - of which there will probably be many - will not weaken your foundation.

THE HEART'S DESIRE

The Expression number described above points to a more productive side of your life. Your Heart's Desire reflects a deeper, inner you; it suggests an underlying urge, your true motivation, and the general intention behind many of your actions. It reveals the environment and lifestyle you prefer, as well as your likes, dislikes, and the type of people you are drawn to. Consequently, it dramatically influences the choices you make in life.

It makes sense that the vowels of your name are the foundation for your Heart's Desire. Vowels are the peaks and valleys of a language. Notice how vowels leave your mouth in a free-flowing breath. Try it: Aaaa.... Eeee.... Oooo.. Consonants though, are cut off either at the beginning or in the end.

You might say that it is in the flow of your breath that you express your deeper self.

Jennifer, your Heart's Desire number is 2

You want peace and harmony in all aspects of your life. You want to devote your life to someone or something. You fall in love easily. You are extremely sensitive and emotional. You can be sentimental, and you cry at sad stories. You need friends and society. You appreciate the refinements of life. You desire comfort and security. You have refined taste and can be a connoisseur. You love music and possess a good deal of musical talent. Your sensitivity is a symptom of your highly developed intuition. But you must learn to trust it.

You are a gentle soul and shy away from confrontation if possible. You experience a battle within when you do not believe you can handle a situation; this may have a paralyzing effect on you. You prefer to give in when you should assert yourself. You must learn to be more decisive. Very often, you are afraid to use your own power in the face of someone else's aggressiveness. You incorrectly perceive yourself to be in a weaker position; you may ultimately give in merely to avoid a fight. Conversely, you are extremely diplomatic and tactful. You like to accomplish things through quiet persuasion. You dislike force.

You must fight uncertainty and doubt. You need to develop confidence and a willingness to stand up for what you believe to be right.

You function best in a supportive role, guiding the more public person in quiet, unobtrusive, yet essential ways.

John, your Heart's Desire number is 7

You love knowledge, study, and insight. You value the gifts of your mind, which you use to great advantage to penetrate the mysteries of life. You study things in-depth. You search beneath the surface of things. You abhor shallow judgments or opinions.

You have a natural gift for analysis and research. Once you have grasped the facts of a subject, your creativity and abstract approach lifts your thinking beyond the rudimentary to the philosophical. You have a theoretical mind, but rather than indulge in fantasies or idle thought, you prefer to base your theories upon scientific facts. You enjoy mental and physical puzzles -- figuring them out, taking them apart, and putting them back together.

Some people may perceive you as cool or aloof. You are somewhat introverted; you may feel slightly removed and even a little different. The fantasy of the hermit or monk engaged in a life of study and meditation appeals to you.

In relationships, you tend to keep things business-like and impersonal. You prefer to talk about the facts of a given situation, rather than the cloudier issues of emotions and personal feelings. You distrust feelings -- both your own and those of others. The whole emotional realm strikes you as unreliable, and a bit unnecessary. Your inability to fully understand the emotional aspect of life is your Achilles heel. You are so rational that the unpredictability of the heart frightens and surprises you.

Your challenge is to trust. You need to share your heart with someone. This is a courageous step for you but will result in enormous growth and satisfaction.

The advice here is to make a true connection with another human being. Without it, you may marry out of convenience or to fulfill social expectations, but it will not lead you out of loneliness. The more removed you are from people, the more you risk isolation, bitterness, and a cynical attitude toward life. This choice represents a true crossroads in your development. By sharing yourself with others (without compromising your independence and need for privacy) you can cultivate your enormous charm and share your understanding of life. You are a natural teacher and advisor. And the wealth of knowledge you will accumulate in life is meant to be shared with others.

This is not to say that you must compromise on your need for privacy or time spent alone to contemplate life. These are natural aspects of your personality, which are essential to your growth. These characteristics should not be threatening to your spouse but must be understood as fundamental to your being.

You are blessed with a great reserve of intuition, which can be cultivated by regular meditation and contemplation. Your "inner voice" is your greatest guide and friend. You are idealistic and have high

expectations for yourself. Learn to balance your serious nature with regular doses of fun. Your intelligence and cultivation make you charming and distinguished in appearance. As you get older and more comfortable with your identity, people are naturally attracted to you. They see your wisdom, your deep understanding of life, and the refinement you radiate.

HOW YOUR HEART'S DESIRE NUMBERS COMPARE

Compatibility of the Heart's Desire number is very important in a relationship. Few relationships last beyond the initial stage if these numbers are not harmonious.

Jennifer and John, your Heart's Desire Compatibility is 2 and 7

In this combination of numbers, intuition meets intelligence, sensitivity meets clinical research, and the heart meets the mind. It would be a challenge to find two more different archetypes than yours. Jennifer and John, you have a surprising relationship. Rarely do people with such different characteristics express even the slightest interest in each other. But when they do, the partnership is worth every effort. You almost certainly met under unusual circumstances, perhaps when you were both outside of your normal environment (I am guessing Jennifer, the 2, initially reached out to John). Once these dissimilar numbers (and personalities) get close enough, the result is often an exchange of energy that welds the relationship for life.

Potential pitfalls in this combination are generally experienced at the beginning of the relationship. There could be many challenges, including the inability to relate to your partner's way of thinking, feeling, or expressing emotion.

Jennifer's approach to love is soft and gentle, idealistic, romantic, emotional, and innocently childlike. John is less emotional and expressive - like a precious jewel, it requires a great deal to earn his love. Wisdom and knowledge, spiritual understanding and an ageless quality strengthen John's love. At the onset of the relationship, this was probably the biggest hurdle to overcome. John is not likely to trust love that comes easily, and Jennifer doesn't understand how responding to something as natural as love should be so difficult.

Sometimes, a relationship with this combination occurs after the partners have known each other for some time, when trust and understanding have been established (and before either considered a romantic relationship). A romance based on this solid foundation, balanced by pure sentiment on one side and wisdom and spiritual understanding on the other cannot help but succeed.

If you can accept and respect one another's differences, this will be the glue that binds your unique relationship together – a bond that you could say is almost unbreakable.

THE PERSONALITY

The consonants of your full name at birth are the foundation of your Personality number, which is a little like a narrow entrance hall to the great room that is your true nature. It's the outer layer of your personality, the part you feel comfortable sharing. With time and trust, you invite others into the deeper aspects of your nature.

Your Personality number serves as a censoring device in terms of what you send out, as well as whom and what you allow to approach. For this reason, your Personality is usually narrower and more protective in its definition than the real you. It also gives an indication of how others perceive you.

Jennifer, your Personality number is 6

You radiate understanding and compassion. People sense your warmth and fairness. For this reason, you attract many people who need comfort, including the disadvantaged. People tend to come to you to unload their burdens. You inspire confidence. You have a fine sense of justice. You do everything in your power to keep the harmony and are even willing to sacrifice your personal desires for the good of others.

You can take this too far, however, sometimes playing the role of the martyr. You have to guard against being taken advantage of. You are not always a very good judge of character. You tend to see the best in others.

You can also become too involved in the lives of others, to your own detriment. (This aspect can be balanced by other numbers in your chart.) You are hospitable and domestic. You love children and are a good parent. You are romantic, faithful and very protective.

You are artistic. You love music, flowers and gardening. You are a natural interior designer. You have an excellent sense of color and taste. You are more concerned with the content of your personality than your appearance, which causes you to be less conscious of the style of your clothes. You are more interested in comfort and the utility of clothing than the statement it makes.

Six Personality Numbers are exceedingly generous. You are not particularly logical when it comes to finances.

You are very vulnerable to praise and criticism. You tend to worry a lot, causing stomach problems.

People see you as a maternal or paternal figure. They want to relax in your presence and unburden themselves. You are the safe port in the crowd.

John, your Personality number is 2

Jennifer, you appear friendly and unpretentious. You have a soft and warm exterior. Others perceive you as gentle, safe harbor. People are drawn to you because, among other reasons, you appear warm and unthreatening.

Your dress is neat and clean. Your clothing should be comfortable, soft, and flowing. You should avoid plain and understated clothes. Try to be a little more daring and exciting in your appearance. This will balance nicely with your perceptive and open personality.

You are very patient and understanding, and a wonderful listener. You make others feel important and loved. You are sensitive and become tense in a disharmonious atmosphere. You have experienced quite a bit of negative criticism as a child, which made you shy growing up. Though you may be well past that shyness, a bit of the vulnerability has remained with you and is often sensed by others.

You are a peacemaker. Arguments leave you drained. People sense your desire for harmony. But you must avoid being the blank tablet for others' projections. People may underestimate your strength, but this is a mistake. You are strong. You bend, but don't break. Exercise is important to your appearance and to promote the level of strength you radiate.

You have a fine sense of beauty and excellent taste. There is a grace in your movements, reflecting your keen sense of harmony and refinement. The opposite sex is attracted to your gentle and attentive nature yet senses the passion beneath your surface. You have sex appeal.

HOW YOUR PERSONALITY NUMBERS COMPARE

Your Personality is the first aspect people notice when you first meet. Very few relationships have a chance to progress if their Personality numbers are not compatible.

Jennifer and John, your Personality Compatibility is 6 and 2

Your numbers, 2 (John) and 6 (Jennifer), are considered the most loving numbers of all. However, they express their love in different ways. John, having a 2 in this part of the chart reveals your sensitivity, emotional awareness (of yourself and others) and your ability to read the subtle and often hidden motives in others. Jennifer, the 6 points to your powerful urge to comfort, care for, and protect others. In fact, one of the few traits a 6 must guard against is not smothering others with love.

This combination forms a strong foundation for any relationship, but particularly for romance. You both love easily and without reservation and neither of you are afraid to reveal your feelings. However, it is only in the strength of your love and your need to give that these numbers overlap. In many other respects you are quite different, and sometimes even opposites. John, your love focuses on emotions; it is driven by the need for companionship, security, and comfort. You are intuitively aware of the fragile nature of life and probably have a tendency to be a little needy and perhaps insecure. This has the potential to produce jealousy about Jennifer's friends or business associates. Jennifer, on the other hand, can be oblivious to the subtle signs that something is brewing under John's quiet demeanor. Jennifer is less likely to feel insecure in the relationship and doesn't consider spending time with others a sign She is less committed.

Although Jennifer is not particularly afraid of romantic competition, her weak spots also show up in this relationship. Where John requires attention and emotional support to feel secure, Jennifer tends to spread attention around looking for approval and appreciation from others. Although sincere, Jennifer may reach out to care and comfort others to fill a space that can't be filled, sometimes forgetting to focus on what (or who) is most important.

Most likely, neither of these issues will seriously threaten your relationship; you are more highly compatible than most number combinations. Being aware of, talking about, and respecting your differences can help you form a rewarding, long-lasting relationship.

MATURITY NUMBER

Your Maturity number indicates an underlying wish or desire that gradually surfaces at around age 30 to 35. A direction begins to emerge as you gain a better understanding of yourself. With this self-knowledge comes a greater awareness of who you are, and the direction you want to set for your life.

Jennifer, your Maturity number is 2

As you mature, you will discover that you possess a growing talent for understanding and working with other people. Your ability to influence others through tact and diplomacy will grow. These talents will further you along in your career or business. You will become increasingly shrewd and will learn the art of discrimination. Your sensitivity to the needs and desires of others improves dramatically. You will be able to evaluate their motivations with a growing clarity and uncanny accuracy.

You find you can get more done by persuasion and gentle guidance than by force. You may well have to learn to assume the role as the power behind the throne. Your influence is less public, and you may not always receive the public recognition you deserve. However, your satisfaction comes from seeing the fruition of your own ideas come about, the result of teamwork and cooperative efforts.

If you already have many 2s in your chart, especially in the core numbers, you may become overly sensitive, a characteristic you will have to keep in check. If you have few 2s in your chart, the influence of your Maturity Number will greatly increase your ability to work harmoniously with other people.

John, your Maturity number is 3

As you mature, John, you will find yourself becoming increasingly extroverted and optimistic about your future. Your self-expression and creativity improve markedly. You may become inspired to take up some type of artistic endeavor, such as writing, acting, or music, if you are not already involved in one of these areas.

Your ability to communicate will substantially improve. You are naturally more fluent and may find yourself dressing with a certain flair. Be careful not to fall victim to superficial appearances or chasing after glamour and extravagance.

With a 3 Maturity Number you can look forward to a pleasant and social latter part of life. Your attitude will be increasingly positive, and your popularity will rise.

If you already have several 3s in your chart, especially in your core numbers, you may tend to scatter your energies and take your responsibilities less seriously. If you have few 3s, or are missing 3s entirely, you will experience a great relief from the tension and seriousness of life. You will be more relaxed and capable of enjoying life.

The 3 Maturity Number is a blessing in the latter part of life. It promises enjoyment, close friendships, and much happiness.

HOW YOUR MATURITY NUMBERS COMPARE

Your Maturity number becomes more dominant with age. The texts below become increasingly important after about age 40.

Jennifer and John, your Maturity Compatibility is 2 and 3

Jennifer, with the sensitive 2 as your number, you may find it difficult to handle criticism and confrontation (which has the potential to make you hold a grudge). Just the opposite, John's 3 gives him the innate ability to allow negative comments to roll off without doing much damage. This does not mean John can't be hurt, but simply that he does not allow such things to spoil the day. These differing approaches regarding emotional issues could create conflict between you.

Sometimes a little tactless, John might speak before thinking, not realizing the effect his comments will have on Jennifer. However, when "little things" grow into big emotional issues in which even John is strongly affected, John will respond passionately. Although John tends to be less affected by criticism or an emotional exchange, he has less control of his emotions. This might lead to expressing anger and sharp words that could hurt Jennifer, damaging the relationship.

Jennifer might respond with a few angry words but will more likely just withdraw. If this happens, a hard kernel of resentment wrapped in confusion can develop and sometimes remain hidden for a long time. Since Jennifer may not always think clearly when emotions are in play, and may walk away from confrontation, She could eventually become so discontent that it would take everything John has to bring her back.

On a positive note, the combination of 2 and 3 is very passionate and strong. As long as John keeps verbal impulses under control, and Jennifer has enough self-confidence to handle occasional criticism, the

relationship has every chance of bringing lots of love and joy to your life.

Often, the combination of 2 and 3 in this area of the chart enhances both parties' creativity. The sense of harmony and rhythm associated with the 2 merges beautifully with the creative powers of expression so native to the 3. Your relationship can be strengthened enormously by sharing creative interests.

Keep in mind that beauty and love are the foundation of your relationship. The key to weathering your differences is to discuss issues openly and frankly, with tact and sensitivity, as soon as they arise.

YOUR PERSONAL YEAR

Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birth date to birth-date.) There are nine personal year numbers in a complete Epicycle.

Each Epicycle reveals the progression of a specific part of your personal evolution. Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process. The 1 personal year describes your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle.

Below is a description of your current Personal Year. It indicates where you are on the 9-year Epicycle.

Jennifer, your Personal Year cycle for 2020 is 3

This is a year of expansion and personal growth. It is a time of heightened personal expression. Creativity and artistic talent come to the forefront. You are lighthearted and drawn to all kinds of social events. More than most other years, you will entertain and be entertained. You meet new and exciting people. It is a time to appreciate all that you have.

You are highly dynamic and charismatic. Your challenge is to avoid scattering your energies. You have a rare opportunity to bring forth new and creative ideas. But that requires discipline and focus. It is easy to be optimistic and enthusiastic this year and this may result in speeding up your projects. Yet there will be delays and disappointments unless your enthusiasm is based upon the reality of work and concentration.

This is a pleasant time in which friendship is enjoyed and love shared easily.

This is often a good financial year, particularly if your creativity is well directed. Surround yourself with upbeat and positive people.

You may travel more than usual, which in all likelihood will be filled with exciting people and pleasure. Control this year's tendencies towards glamour and extravagance, yet allow yourself more room to enjoy and celebrate.

You communicate well this year and are more capable of getting your ideas across.

February brings changes; June sees the completion of a project and July signals a new beginning. August can be emotional, as can November.

John, your Personal Year cycle for 2020 is 6

This is a year of progress and financial advancement. Major career opportunities present themselves. It is a challenging year in which personal growth is joined with new responsibilities and challenges. This is a year of domestic responsibility and attention to the needs of family and friends. It is a time of heartfelt emotions and some sacrifice. It is a time for comforting and caring. You realize the importance of your place within your community. You will be called upon to help others bear their burdens. You are the proverbial friend in need. Deep feelings bring renewal to relationships and often a birth in the family.

You must work to create an atmosphere of harmony and balance. It is often a time when marital issues surface and need attention. However, you possess the understanding to deal with such issues effectively if you apply yourself with love and flexibility.

May is an emotional month filled with the promise and the stress of imminent changes. June is a breakthrough and a relief. September brings advancement, October self- reflection and readjustments, and December brings a sense of completion and fulfillment.

YOUR PERSONAL YEAR CYCLE COMPATIBILITY

It is not uncommon for two people to share the same Personal Year cycle (about 1 in 10), and when that is the case, they will always share the same Personal Year and Personal Month cycles. This is generally considered a positive between couples but not always; just as two people respond different to the same weather or landscape, they are affected in a different way by cycles. Still, there is a shared experience and therefore potentially, a shared understanding.

Jennifer and John, your Personal Year's Compatibility in 2020 is 3 and 6

Jennifer and John, this is a time of strong emotions for both of you. Although inspired by different motives, your numbers suggest you will appreciate each other even more than usual.

Jennifer, this is partly the result of the 3 lending a deeper appreciation of your family, friends, and social life. For John, the driving force is simply the heart. Both of you should feel your priorities shift somewhat toward the joy of living and away from the daily grind.

A potential concern during this cycle could lie in John's need for more attention than usual at a time when

you are focused on your social life, requiring less attention from him.

Jennifer, your Personal Year cycle for 2021 is 4

This is a year to be organized and practical. Take care of details. Commit yourself entirely to your goals. Your concentration and ability to focus will be much improved over last year. You will have an attitude of realism and determination.

There can be a sense of limitation and some frustration this year. However, it is a year of important opportunities that must be seized. There can be considerable work-related travel. You must be flexible this year to make full use of the opportunities that present themselves. It will require a combination of perseverance, hard work, and versatility. You will receive recognition for your efforts and support from your friends and family.

It is a good year to buy real estate or remodel your home. It is also a good time to take care of projects which have been postponed for too long. Fulfill your obligations and do not be afraid to spend some of that hard earned money. Selling and trading during this year usually is quite successful. This is the year to work on your foundation and prepare yourself for the many changes that will undoubtedly come next year.

As a result of your hard work, there will be much satisfaction and a feeling of accomplishment. January and February will bring some important change, a new opportunity perhaps. March requires self-reflection and reshaping of your plans. It is a good time to meditate on what lies ahead. June brings a new and important step -- a breakthrough, perhaps -- in your work. October brings changes and a sense of chaos. You may feel threatened by the changes that are on the horizon. But November brings assistance in the form of a promotion or additional financial support.

John, your Personal Year cycle for 2021 is 7

You will experience a strong tendency to spend more time alone, to delve inside and find some answers and to reach a better understanding of yourself. This is not a year for social activities nor is it a year to try and reach goals on a material level. You will find that the necessities of daily life seem to be taken care of by themselves. There is no need to be overly concerned regarding your material needs. Without slacking on your daily duties and responsibilities, you can afford to give more attention to yourself. This is a year for inner growth. It is your spiritual and mental presence that requires attention. Improve the quality of your life, read, contemplate and gain insight in yourself. You are important now. Rest and attend to your health.

It is during this year that you strengthen the foundation of your life, after all your success in all matters rests upon the strength of your inner self. There will be many strange and unusual events inspiring you to take a closer look at life and an opportunity is there to experience the joy and beauty of life without any artificial or exterior involvement but purely the growing awareness of yourself. Too much concern and desire for

material rewards, Jennifer, will turn this period of your life into a very bad experience indeed, while a "let go and let god " attitude will make this such a fruitful and pleasant year that you may find yourself wondering what you did to deserve this.

Jennifer and John, your Personal Year's Compatibility in 2021 is 4 and 7

Jennifer and John, this combination has the potential to create distance between you. This is not because you suddenly have less interest in each other, but because your cycles produce interests and concerns that lead you in different directions.

For you Jennifer, it is a time to deal with mundane, practical matters (which you could find boring and frustrating). The 7 in John's cycle is focused inward – a period for quiet contemplation, daydreaming, doubts, questions, and learning more about who he is. It's not difficult to see how the differing needs inherent in your cycles might create some distance.

Sharing your feelings and giving each other room to pursue individual interests can help alleviate stress in your relationship, and help you take advantage of the progress this cycle has to offer.

YOUR PERSONAL MONTH

The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.

Jennifer, your Personal Month for July-2020 is 1

July is a time of dynamism, courage, and eagerness to begin the new. Last month's blues are gone and you feel you are on top of the world. You are more original and creative than at any time of this already creative year.

There is a distinct possibility that you will be able to break out of unrewarding patterns. You may even consider a career change or start your businesses. It is not a time to be squeamish in any area of your life -- be it money, career or romance. You may experience an urge to write, paint, or express yourself in some other creative way. By all means, take on the challenge.

If you are not already involved you may meet someone, but the relationship, while intense and passionate, may not be a lasting one.

July is a month that will also bring opportunities to mingle with new acquaintances at social events. You will be outgoing and witty. These are great opportunities to make lasting contacts that will help your career and other endeavors.

John, your Personal Month for July-2020 is 4

John, it is a time to seriously apply yourself to your duties and responsibilities. Take charge in home, career, and community affairs. Be patient and apply yourself to routine and details diligently. Organize your personal life and your career. Tie up loose ends. Start projects that will improve your living situation such as repairing the house or starting a garden.

Someone in your circle of friends and relatives needs help. Usually, this is a younger person who has not yet found stability or purpose in life.

This month may well bring an excellent opportunity in your own career. Focus on legal affairs. Discipline and effort are the key-words for this month.

Romance takes a more serious turn. Expectations are expressed, and commitments made.

YOUR MONTHLY RELATIONSHIP FORECAST

Jennifer and John, monthly cycles are not as strongly felt as yearly cycles, however, they can have short period of considerable intensity. This is by no means common, but when certain numbers are aligned just so, it can throw things of balance.

If you feel you might be experiencing some turmoil within your partnership, read the monthly compatibility and reflect on its meaning. You will almost always be able to recognize where the friction comes from, and this is a big step towards healing.

You may also want to refresh your memory by taking another look at your Relationship Compatibility Profile as well as your yearly cycles.

Your Personal Month's Compatibility for July, 2019 is 1 and 4

Jennifer and John, as a rule, when the 1 and 4 combination is found in this part of the chart, it is usually not very compatible. Although both cycles represent a strong drive and the need to put forth effort, they express it quite differently.

Jennifer, you are motivated in large part by enthusiasm, dreams, hope, and a can-do attitude. This is a time of opportunity for you. Take advantage of this period to focus on your goals.

John's drive is born more from frustration and the need to break free from a shell that has felt restrictive for some time. (This frustration could increase before things change.) His challenge will be to keep from directing it toward you and other loved ones. The 4 cycle is rarely an easy one, but it invariably brings progress and a breakthrough of some kind. You should both try to keep that in mind as John moves through this demanding period.

The two of you are experiencing very different cycle challenges. Jennifer, you will have to be sensitive to your partner's need to stay focused on his tasks, and John will have to recognize your need to move boldly ahead.

Jennifer, your Personal Month for August-2020 is 2

August requires a sensitive and cooperative attitude at work and in all other areas. You are upbeat and optimistic during the early part of this month, but an anticipated reward or recognition may go to someone else, much to your dismay. Your challenge is to set the record straight by using your diplomatic skills. Do not allow anger to alienate you from those involved. Otherwise, relationships go favorably this month. You are in a position to smooth out some long-standing disagreements between people close to you. Often, these disagreements do not involve you directly. You have the opportunity to serve as a peacemaker.

Romance is favorable, your feelings run deep and your ability to communicate them is enhanced. A good month to spend extra time with your lover.

John, your Personal Month for August-2020 is 5

August brings some changes in work and your personal life. It is a dynamic time, and nothing goes according to plans. Play things by ear.

Your career progresses well as a result of your enhanced ability to find creative solutions. You make a good impression on some people who are in a position to reward you. There will, however, be a confrontation between you and a co-worker, with long-ranging affects. The outcome will depend on your personal strength and self-confidence. If you are involved in business deals or legal affairs, some surprising changes may take place. In all areas of your life, flexibility and adaptability are important. Your friends and family require a lot of attention. Social gatherings are frequent and will bring new relationships into your life.

Traveling, perhaps across the ocean, is possible and favorable.

Romance is exciting. Be socially active. If you are single, you could meet someone who will be a permanent part of your life.

Your Personal Month's Compatibility for August, 2019 is 2 and 5

Jennifer and John, the 2 and the 5 get along well in many ways. They happily play together, love together, and enjoy each other's company - if everything is in harmony. However, the moment they hit a bump in the road, things can become problematic.

The trick is to avoid disagreements as much as possible. Although it is not usually recommended, this may be one of those times it is best to keep things somewhat superficial and not dig too deep.

For you Jennifer, the enhanced emotional vulnerability typical of a 2 cycle could open the door to negative feelings that are out of proportion with what is really going on. A minor criticism could become a major source of discontent during this period. At the same time, John may not be as sensitive and aware as usual which could lead to impulsive comments that hurt your feelings. His mind will be particularly active and less likely to show restraint.

You should both be careful not to take one another's remarks too seriously (especially those spoken in the heat of the moment). It is likely that neither of you will be at your best when expressing yourself during this cycle. John may be too impulsive, and you too emotional. It will help if you keep this in mind and allow each other a little leeway, especially with sensitive issues.

Jennifer, your Personal Month for September-2020 is 3

Your creativity is at an all-time high. You find solutions and discover new ways to improve old methods. You are communicative and express yourself well. You have a strong urge to write to old friends you haven't seen in some time. This need to re-establish relationships with people may even surprise you.

At work, you discover that it is easy to reach others and influence the way they feel about themselves and their work. You uplift them and are rewarded with gratitude and support.

This is a time to be social, easy-going, and optimistic.

John, your Personal Month for September-2020 is 6

September will force you to deal with the issues of responsibility and loyalty. Devote your time and energy to the needs of family and community. Become involved in some sort of activity that will benefit others financially. You will, and should be, concerned less with your own financial affairs, than with those involving others. Be selfless and generous in all areas of your life. It is a time to forgive and heal. You are highly aware of your bond with the people you love, as well as with neighbors and co-workers.

Legal affairs you might be involved in come to the foreground. Financially, September has the potential to be very good.

Romance is shaky. Choose your words well and follow up on promises. Don't forget birthdays.

Your Personal Month's Compatibility for September, 2019 is 3 and 6

Jennifer and John, this is a time of strong emotions for both of you. Although inspired by different motives, your numbers suggest you will appreciate each other even more than usual.

Jennifer, this is partly the result of the 3 lending a deeper appreciation of your family, friends, and social life. For John, the driving force is simply the heart. Both of you should feel your priorities shift somewhat toward the joy of living and away from the daily grind.

A potential concern during this cycle could lie in John's need for more attention than usual at a time when you are focused on your social life, requiring less attention from him.

Jennifer, your Personal Month for October-2020 is 4

October requires you to be practical and disciplined in all matters. It brings opportunity as well as limitations. Career is a high priority, and you will find yourself putting in overtime. Details will need to be taken care of. There is very little room for slacking, and everyone may be making demands of you. You may feel frustrated and need to blow off steam.

On the other hand, there is also much opportunity implicit in these demands, and you will be pleasantly surprised with the rewards that come your way late in the month. You'll have to respond quickly. You may feel that you are not ready to take on the new challenge that comes with this opportunity, but if you overcome this temporary lack of confidence you will be well rewarded.

This month is demanding in domestic affairs, as well. There is an ongoing need to watch finances carefully, make decisions concerning your budget, and plan for the future. If you have not been keeping a close eye on your checkbook, This month will force you to balance your account and make up for haphazard expenditures of the past.

There's not a whole lot of time for romance this month, but when you can find the time, your partner's love brings perspective and rejuvenation.

John, your Personal Month for October-2020 is 7

Distance yourself somewhat from the affairs and troubles of other people. During the course of this year you have been asked to help, counsel, and advise others many times. Now, give yourself a break. Spend time alone for contemplation and meditation. Study and reading are also favorable. Your workload does not decrease but much of it is routine and

allows you to mentally drift. Still, your mind is sharp, and you can easily concentrate when you want to.

Inner healing takes place. Old wounds may be reopened. There is some sadness and nostalgia, but the healing is real and needed. This is a time of spiritual growth. Postpone decisions regarding financial affairs, if possible, until next month.

Matters of the heart are also a low priority. You are not very clear this month and would rather not be bothered with it. Emphasize your personal well-being. Diet, exercise, and go for walks. Don't distract yourself from soul-searching by watching television or other mind-numbing practices.

In many ways, your experience of this month will set the tone and direction for next year.

Your Personal Month's Compatibility for October, 2019 is 4 and 7

Jennifer and John, this combination has the potential to create distance between you. This is not because you suddenly have less interest in each other, but because your cycles produce interests and concerns that lead you in different directions.

For you Jennifer, it is a time to deal with mundane, practical matters (which you could find boring and frustrating). The 7 in John's cycle is focused inward – a period for quiet contemplation, daydreaming, doubts, questions, and learning more about who he is. It's not difficult to see how the differing needs inherent in your cycles might create some distance.

Sharing your feelings and giving each other room to pursue individual interests can help alleviate stress in your relationship, and help you take advantage of the progress this cycle has to offer.

Jennifer, your Personal Month for November-2020 is 5

November brings change, excitement, and possibly a financial boost. It brings movement -- travel, a change of residence or office, perhaps.

You will receive a letter or phone call from someone close to you whom you haven't heard from in some time.

This month should be light and playful. Try not to take things too seriously. The down-side of this combination (5 and 3) is in the area of relationships. You may tend to misread others, to be a little insensitive and short on tact. Avoid confrontations in personal matters as well as those related to work. As

long as you are upbeat and supportive, friendship and social events are favorable.

As was the case with February of this year, November may also find you in the mood to indulge yourself. Moderation may be hard to maintain, but it's still the best advice.

John, your Personal Month for November-2020 is 8

November is an excellent time for business ventures, financial affairs, and all things related to the material world. You receive recognition for past effort in the form of financial rewards, respect, and possibly promotion. Implement any changes you have been considering in your business affairs.

As always, when the 8 shows up in the chart, a certain amount of balancing takes place. Punishment and reward are both possible. If you have put out sincere effort, the reward will be there. However, for some people, an 8 month may bring bad news, after all, the 8 is balance, including the balance between effort and reward.

This is a good time to straighten out financial dealings you may have with friends or relatives as well. This is not a good time to go into debt. But it is a good time for love. Strong feelings and passionate exchanges on the emotional and physical level make this an exciting month.

Your Personal Month's Compatibility for November, 2019 is 5 and 8

When it rains, it pours. This is a cycle where neither of you will find it easy to keep up with the other. Jennifer, you will have a lot going on, juggling more balls than usual, while John's vision and ambition should keep him focused on plans and opportunities.

With very different energies influencing you during this period, there won't be much room to sit and simply enjoy each other's company. No worries, you should have plenty of time for that during your next cycle when you both shift your focus toward family, friends, and each other.

Jennifer, your cycle is likely to bring changes, but it will take time (probably several cycles) before you are able to clearly see their full effect. Your energy will probably feel like atoms bouncing everywhere as you explore and establish boundaries. John's cycle will be more highly focused. It has the potential to put his next goal sharply in focus, centered on a single point.

The most common mistake for couples in this combination is trying to force their perspective on their partner, which could cause frustration and a limiting of this cycle's potential. This is a time when you need

to allow one another the freedom to pursue individual objectives, without having to explain too much or account for your actions.

Jennifer, your Personal Month for December-2020 is 6

This monthly cycle stabilizes your work environment but requires that you work on your relationships and family affairs. You will be in the unique position to counsel and support someone in your circle of friends and family with immediate and positive result. It will be one of the most rewarding experiences of this year for you.

A promotion or a raise are possible, as is an increase in your workload. This month is good for business and financial affairs, particularly for long-term planning and investment. If you are involved in legal affairs, the time is right to surge ahead.

Romance is also favorable. Commitments bring stability. For those who have become involved in a relationship during this year, this is a good month to exchange vows.

John, your Personal Month for December-2020 is 9

December is the second time this year that some letting go has to be done. A relationship is going to end. This can cause some distress, but there are also feelings of gratitude. Your feelings run deep, but you have difficulty expressing them. You feel vulnerable and emotional. You are attracted to giving your time and energy to something outside of yourself. Clean out the garage or attic and donate the excess to charity.

There are changes in the work situation, such as a shift in personnel. In a strange turn of events, you may find yourself having to defend your actions and motivations. Your honesty may be questioned. If you are single, you may meet someone later this month. If you are committed, you may feel you are involved in a roller-coaster kind of relationship. Not to worry, things calm down by the end of the month.

Your Personal Month's Compatibility for December, 2019 is 6 and 9

Jennifer and John, although this may be an emotional period for John, it is considered a very compatible cycle combination.

Jennifer, your 6 should help you feel especially devoted and committed to the relationship during this period, which is exactly what your partner needs. He could feel a little worn out and rudderless or have concerns

that expectations have not been met. Mood swings and doubt can play havoc during a 9 cycle (less in a monthly cycle, more in a yearly) because it is the end of a cycle where loose ends need to be tied up.

You, on the other hand, should feel stable and be able to offer comfort and support. Your 6 inspires love, nurturing, and concern for others. This is also a favorable time for you to focus on practical matters, especially those relating to home, family, and career.

Much will depend on your ability to offer encouragement and reassurance; but John offers important insight as well, bringing moments of clarity and an enhanced perspective to your mutual goals and expectations. He brings inspiration born of an urgency to figure out what is happening and where to go next. Like adrenaline for the soul, moments of apprehension or fear can actually help him see more clearly.

Love, commitment, and sacrifice are the main ingredients in both of your cycles. However, because your 6 lends an especially warm, personal connection, you should be able to help lessen the emotional tenderness that is likely to accompany John's transitional cycle.

Jennifer, your Personal Month for January-2021 is 5

You experience some self-doubt related to your work situation. You may question your direction. This frustration will be in the background for most of the year, but this month particularly feels a little bit out of control. However, hidden forces are guiding you carefully, and your best approach is to persevere. Later this month, or early next month, an opportunity will come your way that represents a step forward in your career.

This month also brings some unexpected changes in other areas of your life; possibly an unexpected trip. Be cautious in all financial affairs.

Your family members demand a lot of attention, and much practical guidance is required from you. They look to you for direction.

Social events are favorable, particularly when they are work-related. You will make a very positive impression on someone who can help you move forward.

If married or involved, maintain harmony and avoid rocking the boat.

John, your Personal Month for January-2021 is 8

This, the first month of your 7 Personal Year cycle, brings success and reward from past effort. Self-reliance and confidence are the keys to success this month. Stand up for yourself and show stubborn persistence.

Your career is stable, with few ups and downs, but your finances are less secure. A conservative attitude to money matters is favorable. Your attention is focused on long-term planning. You have good ideas that may well turn into an additional source of income later this year (during or around October). You also become interested in new avenues of thought or spiritual paths, which will inspire you to study or read.

This month's emphasis is on long-term goals.

Friends and relatives feel that you are a little distant and may get on your case in the hope that you will spend more time with them. Romance is not particularly important. If you are involved with someone, feelings deepen, and the bond becomes stronger.

Your Personal Month's Compatibility for January, 2019 is 5 and 8

When it rains, it pours. This is a cycle where neither of you will find it easy to keep up with the other. Jennifer, you will have a lot going on, juggling more balls than usual, while John's vision and ambition should keep him focused on plans and opportunities.

With very different energies influencing you during this period, there won't be much room to sit and simply enjoy each other's company. No worries, you should have plenty of time for that during your next cycle when you both shift your focus toward family, friends, and each other.

Jennifer, your cycle is likely to bring changes, but it will take time (probably several cycles) before you are able to clearly see their full effect. Your energy will probably feel like atoms bouncing everywhere as you explore and establish boundaries. John's cycle will be more highly focused. It has the potential to put his next goal sharply in focus, centered on a single point.

The most common mistake for couples in this combination is trying to force their perspective on their partner, which could cause frustration and a limiting of this cycle's potential. This is a time when you need to allow one another the freedom to pursue individual objectives, without having to explain too much or account for your actions.

Jennifer, your Personal Month for February-2021 is 6

February brings an increase in responsibility and workload. You receive recognition for your efforts and abilities, and probably a financial increase, as well. Perhaps even more important is the role friends and family play during the period. Loyalty and a willingness to sacrifice time and energy to your loved ones are needed. In return, you receive comfort and satisfaction. It is a time of love, warmth, and a strengthening of the bonds that form the foundation of your

life. It is also a good time to start domestic projects, such as minor remodeling and home repair.

If you are not married and are not involved in a relationship, you may meet someone who catches your interest. In this case, the relationship will develop slowly but will endure. Your focus should be on being dependable and active. There is no room for procrastination.

Your health improves during this time.

John, your Personal Month for February-2021 is 9

February brings a number of changes, most of them occurring inside of you. You awaken to new feelings about your job, your house, and the people around you. It is a time of reevaluating the choices and decisions you have made over the past several years. You gain clarity and understand your motivations and needs better.

You may cause some practical changes as a result of this, and even distance yourself from outdated habits or relationships. There may be some emotional turmoil connected to this, but the feeling of relief is more prominent. This is a tricky time in all areas of relationships. Your irritation threshold is lower than usual. Irrational demands and lack of patience from your side may bring on feelings of guilt and you will probably find yourself apologizing more than once. You have strong idealistic, humanitarian, and spiritual feelings and may want to become more involved in some practical endeavors concerning one or more of these areas of life. However, you will probably postpone any active involvement for the time being, because you feel the time is not right.

Most important this month, is your enhanced clarity in all matters concerning your life and the direction it is taking. It is a time of re-assessment of your values and priorities and the influence of this month will be felt for a long time to come.

The practical aspects of career, business, relationships, and romance are all on the back-burner, but the inner-changes that take place represent a much larger step forward than you will probably realize at this time.

Your Personal Month's Compatibility for February, 2019 is 6 and 9

Jennifer and John, although this may be an emotional period for John, it is considered a very compatible cycle combination.

Jennifer, your 6 should help you feel especially devoted and committed to the relationship during this period, which is exactly what your partner needs. He could feel a little worn out and rudderless or have concerns

that expectations have not been met. Mood swings and doubt can play havoc during a 9 cycle (less in a monthly cycle, more in a yearly) because it is the end of a cycle where loose ends need to be tied up.

You, on the other hand, should feel stable and be able to offer comfort and support. Your 6 inspires love, nurturing, and concern for others. This is also a favorable time for you to focus on practical matters, especially those relating to home, family, and career.

Much will depend on your ability to offer encouragement and reassurance; but John offers important insight as well, bringing moments of clarity and an enhanced perspective to your mutual goals and expectations. He brings inspiration born of an urgency to figure out what is happening and where to go next. Like adrenaline for the soul, moments of apprehension or fear can actually help him see more clearly.

Love, commitment, and sacrifice are the main ingredients in both of your cycles. However, because your 6 lends an especially warm, personal connection, you should be able to help lessen the emotional tenderness that is likely to accompany John's transitional cycle.

Jennifer, your Personal Month for March-2021 is 7

Jennifer, March should bring some significant changes in your outlook. Indeed, the month is filled with the mystery of life. You are aware that you are developing spiritually. It is not a good time to deny important issues in your life or be superficial about significant matters.

Your dreams are vivid, and if you take some time immediately after awakening to contemplate their meaning, you have the potential to gain some insights that uplifts you and raises your confidence in your life's direction.

You are mentally sharp and creative. You solve problems and gain insight into things that have floated in the background of your consciousness for some time. It is a period of hard work -- possibly overtime -- juxtaposed with much soul-searching and the need for quiet contemplation.

You may be offered an opportunity to become involved in a new endeavor. Be careful with anything that promises a fast return. This year, long-term projects are far more favorable than get-rich-quick-schemes, or short-term gambles.

Your need for peace and quiet during this month may make your friends and family members wonder whether you have some problem that you are not willing to share.

John, your Personal Month for March-2021 is 1

John, you may still have a case of the blues on the early days of this month, March soon brings optimism, increased energy, and excitement. You are intellectually sharp and imaginative. You feel that anything is possible and that the sky is the limit. Against the background of self-reflection and soul-searching that's such a major part of this year is this month's sense of spring-time in your heart. This is an excellent time to take on new challenges in your career, to start new endeavors, or, if you are in business or sales, to go out and snare that important new client.

Often, this month brings financial gain, but your attention is more directed towards intellectual accomplishments. Your pride and self-esteem gets a boost.

A more difficult aspect of this month is your relationship with loved ones. You lack the necessary sensitivity to respond properly to the needs of those close to you. John, you are under the illusion that everyone feels the way you do; that problems are only minor impediments that can be taken in stride. However, your optimistic attitude also inspires them, and they grudgingly respect you for the way you seem to be handling things.

A romantic experience brings passion and excitement either late this month or early next month.

Your Personal Month's Compatibility for March, 2019 is 7 and 1

Jennifer and John, the challenge for a relationship between these cycles is to maintain a feeling of belonging. There are big differences between the way the 1 and the 7 affect an individual, but one thing they have in common is that both cycles increase the awareness of independence and individuality. During this period, you are both likely to feel a little distance in your relationship, which is not necessarily negative - in fact it may actually strengthen your partnership.

However, if your expectation is that you will spend a great deal of time together, share everything, and that nothing will change, your experience may fall short. The wise thing to do is to accept the fact that you will probably move apart somewhat during this period as a temporary and necessary part of your personal growth.

John's 1 tells us he will be focused on his career or other goals, busily taking advantage of opportunities for progress. Your attention will be focused inward toward spiritual and mental growth. This is a period of self-discovery and your need to spend time alone is part of that process.

Although different in nature, you both have individual needs that require focusing more on yourselves and less on your partner. This may make you feel as if the relationship is weakening. However, unless you turn it into an issue this should not be the case. If you accept the fact that your partner's attention is focused

elsewhere, you will find that this period offers growth for both of you as individuals, but not at the cost of the relationship.

Jennifer, your Personal Month for April-2021 is 8

April promises to be rewarding financially as well as in other areas of life. There is a catch: It is essential to take care of details, to be reliable, and to keep things organized. If you allow yourself to get sloppy in any of these areas, the results could be disastrous. Still, the combination of numbers (8 and 4) gives you ample support in all efforts at organization and management. Respect, recognition, financial reward come to those who are careful. Financial problems and struggle (some may even experience bankruptcy) come to those who are careless. The more you stay clear and focused, the higher the rewards will be.

Relationships that are not related to work are not a high priority this month. Your attention should be given towards career and finances, as well as to people who play important roles in those areas of your life. The advice for this month is to get up early, put your nose to the grindstone, be organized, and don't hesitate to move yourself to the foreground in your work-environment. If you are due for a raise, ask for it. If a business associate is not fulfilling his/her duties, confront that person. If a payment is due, call it in.

John, your Personal Month for April-2021 is 2

Now the pendulum swings back from the insensitivity of last month to heightened awareness, especially of others. You are aware of the emotional subtleties that lie beneath the surfaces. You take nothing for granted. Your wisdom and diplomacy will surprise people and prevent several situations from becoming explosive. Relationships with both subordinates and higher-ups will improve. You receive support and are well-spoken of. Your intuition is keen; rely on it and respect any premonitions you may have. Someone you meet sparks your interest, but you may find that the person is unstable and fragile. You play the role of teacher and counselor in this relationship.

Your understanding and intuition also offer you the means to heal formerly difficult relationships this month.

Your Personal Month's Compatibility for April, 2019 is 8 and 2

Jennifer and John, this is considered a difficult combination of cycles because your priorities are not aligned. For John, the relationship and matters of the heart take precedence and heighten sensitivity and emotions.

This could leave him more vulnerable to criticism or perceived neglect during this period.

For you Jennifer, focusing on the relationship will probably take second or third place for a while. Your focus will be on career, finances, friends, and family. You want to improve everything that surrounds and sustains the relationship, but in the process you may not pay as much attention to your partner. Also, you might feel John isn't carrying enough emotional weight when, in fact, his focus is simply directed elsewhere.

This cycle combination offers many openings for misunderstanding and disagreement. It is likely that you will experience a few rough spots, but it should also bring positive aspects. You have the potential to make improvements in areas outside of the relationship (which will ultimately support it), and John can help the two of you stay connected and deepen your bond.

Jennifer, your Personal Month for May-2021 is 9

This month may introduce some emotional turmoil due to a relationship gone awry. A friend or co-worker has let you down. Your trust has been damaged, and you realize that this is not just a temporary disappointment but the conclusion of the relationship. While you have reason to be angry, you should avoid self-righteousness. You may want to remember that you are not without fault. It allows the anger and disappointment to turn into understanding and forgiveness, even if the situation cannot be saved. As a way of healing this type of wound, life may offer you the opportunity to become involved in a good cause. Sacrificing some of your time and energy will prove very rewarding and will deliver some benefits that are not immediately obvious.

Your health requires some special attention, particularly your digestive tract. Watch what you eat. Avoid excesses.

It is possible that your career is heading for a change of direction, which may be of some concern to you. Look to next month for some insight into that aspect of your life.

John, your Personal Month for May-2021 is 3

The month of May is an excellent time for leisure and play. Take time off and, if possible, go on vacation. Get in touch with the inner you, daydream, and share those feelings and thoughts with someone you trust. Your need for others heightens.

You sense changes on the horizon, but feel you are in limbo, waiting for events to provide a new direction. Seek the advice, perspective, and insight of others.

You continue to make a good impression on those you work with, but not because of enhanced sensitivity

and awareness, as was the case in April, but because of your ability to express yourself well and motivate others to see things your way. Be careful not to become manipulative.

This is a "lucky" month. You're in the right place at the right time and coincidences will occur in your favor. You are more attractive to others than usual and may receive some interesting proposals.

Your Personal Month's Compatibility for May, 2019 is 9 and 3

Jennifer and John, this combination of cycles is quite compatible and often gives birth to new ideas and plans. It should be a time of enhanced creativity for both of you, delivering opportunities for change and improvement.

You, however, could also face a challenging period of powerful emotions that requires a stable environment and support from your partner. Fortunately, John's cycle is upbeat and optimistic, which can be a much-needed source of comfort for you.

Because you will experience differences in your approaches and attitudes, it is important to respect each other's needs during this cycle. John can help by exercising patience if you are not as grounded as usual. You are likely to be experiencing a time of choices and decisions on a deep (even subconscious) level, so little may seem clear or simple to you.

John, on the other hand, should have an upbeat, happy-go-lucky approach to life during this cycle, and an easier, less emotional time. There will be ups and downs, but his challenge is more about maintaining direction and focus. Although this may not seem like an ideal time to make big changes that could affect your relationship, the process of making plans together could help you feel more secure.

During this period, much will depend on John's ability to be a source of strength and comfort for you. Your 9 cycle is considered the most challenging, while John's is usually one of the easiest and most pleasurable. This is a fortunate combination for the relationship where John can share his upbeat energy with you during your more challenging cycle.

Jennifer, your Personal Month for June-2021 is 1

June gives you a new start in some area of your life, perhaps career, or some new project or endeavor. This is a month of promise and opportunity. Your energy-level increases, as does your excitement for your new direction.

This period requires courage and flexibility. You should also be more verbal: Express your thoughts and

feelings; inspire and motivate others to follow your lead. You may have a difficult time relaxing or enjoying yourself outside working hours. But it's important that you do just that.

An attraction to someone at work may signal danger to you. Even if you are committed, this attraction will prove quite powerful. Be careful. It may damage your future in many ways, not least of which is your career. Consider postponing any action in this area.

John, your Personal Month for June-2021 is 4

June may prove to be the busiest month of the year. Work is demanding. Responsibilities and duties could become frustrating. You've got to stick to the routine and, consequently, you may become bored with your environment. Your energy level is high, and you want things to change. Reorganize your personal life. Manage your time more efficiently. Work on the house or garden so that you can enjoy improvements in your environment as well as your work life.

You are more serious this month than you were last month. Don't take chances in financial affairs. It is better to save than to spend. Open your heart to your loved ones. They may sense your preoccupation with work and details and need you to reach out to them.

Your Personal Month's Compatibility for June, 2019 is 1 and 4

Jennifer and John, as a rule, when the 1 and 4 combination is found in this part of the chart, it is usually not very compatible. Although both cycles represent a strong drive and the need to put forth effort, they express it quite differently.

Jennifer, you are motivated in large part by enthusiasm, dreams, hope, and a can-do attitude. This is a time of opportunity for you. Take advantage of this period to focus on your goals.

John's drive is born more from frustration and the need to break free from a shell that has felt restrictive for some time. (This frustration could increase before things change.) His challenge will be to keep from directing it toward you and other loved ones. The 4 cycle is rarely an easy one, but it invariably brings progress and a breakthrough of some kind. You should both try to keep that in mind as John moves through this demanding period.

The two of you are experiencing very different cycle challenges. Jennifer, you will have to be sensitive to your partner's need to stay focused on his tasks, and John will have to recognize your need to move boldly ahead.

Jennifer, your Personal Month for July-2021 is 2

At this time, your relationship with the people in your work or business environment is extremely important. You will need to be sensitive to their needs and desires, and you will probably be called upon to play the role of mediator in a conflict between some of these people. Your success in that role will directly affect your future. You may be disturbed by these new challenges because they emerge at a time when your workload is considerable. However, you are more sensitive and better able to discern the true basis of the conflict this month.

Jennifer, your enhanced sensitivity also helps you in other areas of your life. Romance is strongly represented, but should be kept out of the work environment, which may not be an easy thing to do. You may have the opportunity to go to a concert or some other musical event and because of your enhanced sensitivity, such events will prove very therapeutic. Pamper yourself in healthful ways, such as massage, a new exercise, and dietary regime, or some time near the ocean, in the mountains, in the forest.

John, your Personal Month for July-2021 is 5

July is a time of unexpected events. Be flexible, especially in thought. Let old concepts and dogma go. This is a time of incredible growth, mentally as well as spiritually, but you have to allow such growth to occur. New information comes to you. You have the opportunity to change old ideas about life or people. Your circumstances could even change. Travel is also possible and favorable. A sudden phone call could put you on the plane the next day. Letters or phone calls could come from people you have not heard from in a long time.

Meanwhile, you feel scattered and restless and want to avoid the nitty gritty details of life. Go with the flow; answer demands as they come up and do not try to control the circumstances too much.

John, you are mentally sharp and quick to see the meaning of new information. You are also creative and imaginative. This month releases your wilder side, especially when it comes to your social life and love relationship. Within the context of this year's serious and spiritual overtones, July is by far the most dynamic month. Be careful of too much self-indulgence and irresponsibility. Moderation, again, is the key.

Your Personal Month's Compatibility for July, 2019 is 2 and 5

Jennifer and John, the 2 and the 5 get along well in many ways. They happily play together, love together, and enjoy each other's company - if everything is in harmony. However, the moment they hit a bump in the road, things can become problematic.

The trick is to avoid disagreements as much as possible. Although it is not usually recommended, this may

be one of those times it is best to keep things somewhat superficial and not dig too deep.

For you Jennifer, the enhanced emotional vulnerability typical of a 2 cycle could open the door to negative feelings that are out of proportion with what is really going on. A minor criticism could become a major source of discontent during this period. At the same time, John may not be as sensitive and aware as usual which could lead to impulsive comments that hurt your feelings. His mind will be particularly active and less likely to show restraint.

You should both be careful not to take one another's remarks too seriously (especially those spoken in the heat of the moment). It is likely that neither of you will be at your best when expressing yourself during this cycle. John may be too impulsive, and you too emotional. It will help if you keep this in mind and allow each other a little leeway, especially with sensitive issues.
