ABOUT YOUR RELATIONSHIP PROFILE

This report analyzes the personalities of both subjects to assess their compatibility. It also offers suggestions for ways to mitigate the stress or damage that can come from differing personalities and perspectives.

When you are involved in a relationship, you come to know each other more deeply over time. At first friction is rare. As time goes by and you discover additional sides to your partner, you become aware of personality traits you appreciate as well as some that rub you the wrong way. Even if you consider your relationship nearly perfect, you will experience occasional bouts of conflict.

Negative traits are almost always a cause of friction, but it is interesting to note that some qualities that are considered positive can also be incompatible. You may find this report to be more critical, or even harsh, compared to other readings of this type. My approach is designed to throw light on differences in your chart that might benefit from a frank, unbiased examination. Ignoring potential issues can cause more damage in the long run than a few honest remarks in a reading.

You will probably encounter some texts that state: “The compatibility aspect in this area of the chart is already included in other parts of this report.” Those texts are not repeated here because they are either redundant or offset by other conditions. This is done to offer a perspective that is as well balanced and clear as possible; repeating certain traits would place too much emphasis on them.

If you have received previous reports that mentioned double-digit numbers in your chart, such as Master numbers or Karmic Debt numbers, you will notice in the Relationship Compatibility Reports all numbers are reduced to single digits. This is because single digit numbers are the essential influences that affect relationship compatibility; including double-digit numbers would only diminish the clarity we aim for.

We hope you will appreciate the perspective of your Compatibility Report and will find it beneficial to your relationship.

THE LIFE PATH

Your Life Path number is considered the single most significant information available in your Personality Chart. It is derived from the total of all numbers found in your date of birth. However, it is important to keep in mind that the aspects described in the next few chapters will either complement, supplement, or sometimes weaken the attributes revealed in numbers derived from your name.

Anthony, your Life Path number is 5

The key to your personality is freedom. You love travel, adventure, variety and meeting new people. You possess the curiosity of a cat and long to experience all of life. You love to be involved in several things at the same time as long as you are not tied down to any one area. You like change, new things and new horizons. You make friends easily; your personality is upbeat and often inspiring attracting people from all walks of life.

You have a way of words and an uncanny ability to motivate others. You can be in sales, advertising, publicity, promotion, politics or any profession that requires your communication skills and understanding of people. You likely lack discipline and order. You can also be impulsive, doing or expressing things you regret later.

Freedom and a need for adventure sometimes is not properly controlled by those born with this Life Path, causing problems with drug abuse, overindulgence in food or sex, or generally abusing the gift of life. You are sensual and love to taste all of life. Sex, food and other sensory experiences are essential to the enjoyment of your life. You find it difficult to commit to one relationship, but once committed you can be as faithful as an old dog.

You are multi-talented and possess a variety of diverse abilities. However, discipline and focus are the true keys to your success. Without these many of the tasks you begin will remain unfinished and you will fail to realize the true fruits of your abilities. With hard work and perseverance, the sky is the limit. You may have been perceived as a wild child by adults and a source of concern by your family. However, do not be obliged to hurry your choice of career. You are often a late-bloomer and need to experience life before you can truly know and commit to your heart's desire.

Your challenge is to learn the true meaning of freedom. Change is constant in your world requiring adaptability and courage. Try to maintain an exercise program, keep your body in shape and limber. The flexibility and durability of your body will promote security and confidence within you.

You yearn for freedom and self-employment attracts you powerfully. You should eventually work towards

settling on one area to cultivate your ability sufficiently to earn a living and attain success. Once you find your niche the motivation and inspiration you supply others will bring you much in return, you will find your friends and colleagues supporting and promoting you on the road to success.

Maryann, your Life Path number is 7

You are the searcher and the seeker of the truth. You have a clear and compelling sense of yourself as a spiritual being. As a result, your life path is devoted to investigations into the unknown and finding the answers to the mysteries of life. You are well-equipped to handle your task. You possess a fine mind; you are an analytical thinker, capable of great concentration and theoretical insight. You enjoy research and putting the pieces of an intellectual puzzle together. Once you have enough pieces in place, you are capable of highly creative insight and practical solutions to problems.

You enjoy your solitude and prefer to work alone. You need time to contemplate your ideas without the intrusion of other people's thoughts. You are a lone wolf, a person who lives by his own ideas and methods. As a result, close associations are difficult for you to form and keep, especially marriage. You need your space and privacy, which, when violated, can cause you great frustration and irritation.

When your life is balanced, however, you are both charming and attractive. You can be the life of a party and enjoy performing before an audience. You enjoy displaying your wit and knowledge, which makes you attractive to others, especially the opposite sex. But you have distinct limits. While you are generous in social situations, sharing your attention and energy freely, you are keenly aware of the need to "come off stage" and return to the solitude of your lair. You associate peace with the unobtrusive privacy of your world. Therefore, intimacy is difficult for you, because you guard your inner world like a mother lion does her cubs.

All this privacy and aloneness can cause isolation and loneliness, however. You can be aware of emptiness in your life, a part of you that yearns for company and close companionship that may be unsatisfied. If isolation is brought to the extreme, you can become cynical and suspicious. You can develop hidden, selfish motives, which people may sense and may cause them discomfort around you.

You must guard against becoming too withdrawn and independent, thus shutting out the love of others and keeping you from experiencing the true joy of friendship and close companionship.

You must especially watch out for selfishness and egocentricity, thinking of yourself as the center of the universe, the only person who really matters. Social contact gives perspective on yourself and on life, while too much isolation can make you too narrow and even shut off from the rest of the world. Secretly, you may feel jealous of the easy relationships formed by others; you may perceive others as less inhibited than you, or freer to express themselves. You may harshly criticize yourself for not being more gregarious, powerful, or

capable of greater leadership.

Your challenge in life is to maintain your independence without feeling isolated or ineffectual. You must hold fast to your unique view on the world, while at the same time being open to others and the knowledge they have to offer. With your abilities to learn, analyze, seek out answers to life's important questions, you have the potential for enormous growth and success in life. By the time you reach middle age, you will radiate refinement and wisdom.

Pythagoras loved the seven for its great spiritual potential.

HOW YOUR LIFE PATH NUMBERS COMPARE

Your Life Path number is the most important influence in your chart. As such, their compatibility is very important to the well being of your relationship.

Anthony and Maryann, your Life Path Compatibility is 5 and 7

Anthony and Maryann, this is one of the best combinations for a long-lasting relationship, and a merging of archetypes that promises intellectual and inner growth for both of you. The 5 (Anthony) and the 7 (Maryann) fulfill one another's needs and desires in many ways, but particularly on the mental and spiritual planes. Many famous intellectual and artistic couples share this combination. This partnership is larger and more promising than the sum of its parts.

Anthony has a quick and flexible mind spiced with a wicked, offbeat sense of humor. Neuro-specialists have suggested that over time, the mind begins to think according to repetitive patterns it develops, like water running through a canyon. This may be the case for many people, but not for those who have a 5 in this position of the chart. A 5 will never allow their mind to shelter repetitive, predictable patterns. Thanks to Anthony's ability to juggle ideas and concepts, He will seem younger and remain more playful and quick-witted long past the time others his age have slowed down.

Maryann's mind is also powerful, however her mental and spiritual faculties operate very differently from Anthony's. Maryann has a dry sense of humor and a more serious mind. she seeks answers to life's important questions and often spends time in contemplation searching for insight and understanding. It is likely Maryann is not closely associated with an organized religion but has nonetheless a strong sense of the reality of the "God force". For her, the mystery of life is not an unattainable or abstract concept - it is a reality. The 7 is the most spiritual and intellectual of all numbers, but it is rarely found among those with

traditional mindsets; the 7 asks too many questions to take things at face value.

The only real source of discord that appears between the 5 and 7 is spiritual in nature. Maryann may feel Anthony's dynamic, social nature is too flamboyant or superficial at times. Anthony might feel Maryann becomes too invested in spiritual concepts, even that she is somewhat of a zealot. It is probably difficult for Anthony to understand how people can become so invested in abstract concepts and philosophies. And Maryann may find it difficult to accept that Anthony believes experiencing life is more important than analyzing it.

Fortunately, the 7 and the 5 have such a positive influence on each other these differing outlooks rarely create problems. Anthony keeps Maryann flexible and able to enjoy life from a simpler, more direct perspective, and Maryann demonstrates how a deep, serious search for understanding can be immensely gratifying.

THE EXPRESSION

Your Expression number, calculated from your full name at birth, reveals the orientation or goal of your life. Some numerologists refer to this as your Destiny number because it represents a lifelong target at which you are aiming. Thus, the Expression number, to some extent, reveals the person you aim to be.

Your Expression is the most influential of the three characteristics that make up who you are. It is also the number with the most influence on your choice of career, although other aspects are important as well.

Anthony, your Expression is 7

You are gifted with an analytical mind and an enormous appetite for the answers to life's hidden questions. You have a strong interest in exploring scientific matters, philosophy, and even mysticism. You possess clarity and persistence in your search for truth. You can be a great researcher, educator, and philosopher. You are driven by a desire for knowledge and truth. You must learn to discriminate between illusion and reality, but you are well equipped for this task. Your fine mind offers insight into the veiled mysteries of life. You also possess a considerable amount of perspective. Somewhere inside you, you are aware of a peaceful place that you call upon during difficult times.

Anthony, you need time to be by yourself. Too much social interaction causes you stress. You need your privacy and a place that can be shut off from the hustle and bustle of life. You tend to keep your thoughts to yourself and are secretive. Unless your 7 expression is balanced by extrovert characteristics (usually revealed by the numbers 1, 3, 5, and 8), your introversion may pull you deeply within yourself, even cutting

you off from others.

You have a strong dislike of the superficial and mundane. You are often surprised by the lack of understanding or depth of knowledge of others, many of whom do not take the search for knowledge as seriously as you do. This can cause you to be critical of others, and even cynical about life in general. The more cut off from others you become, the more hidden are your motives. Once you develop understanding of people and life, your advice and counsel will be sought by those around you who need your wisdom.

You love to specialize your knowledge and develop great depth within your field. You are a perfectionist. You should complete your studies early in life and not be driven too hard by a desire to be successful. Let things come at their own pace, be open to opportunity, but remember your rewards, satisfaction, and contentment come from a higher source.

Sevens can be distant and aloof. When dominated by their darker characteristics, they can be unfaithful, dishonest, and cruel. Contemplation, meditation, and the softer, finer vibrations of life can restore your sense of harmony and keep you on the path to peace and balance.

You have a logical mind. Your analytical skills cause you to approach a problem in a detached, surgical kind of way. Researchers, analysts, investigators, inventors, technicians, scholars, lawyers, bankers, watchmakers, priests, philosophers, theologians, and administrators in some scientific or technical field are among the vocations 7s are drawn to.

Maryann, your Expression is 4

You are the bedrock of society, the foundation of any enterprise. You are an organizer and manager. Your approach to life and to problems is methodical and systematic. You are a builder and a doer. You turn dreams into reality. You possess a highly developed sense of structure. You enjoy management systems and can carry out your well laid plans. You are not the type to embark on any trip without a map.

You take your obligations and those of your family quite seriously. As a result, you are reliable and responsible. You enjoy seeing a project through from start to finish but can become too narrowly focused. You put your nose to the grindstone and tend to become a workaholic.

You are driven by contempt for all that is unstable, insecure, and unpredictable. You distrust the unconventional, preferring instead the tried-and-the-true. But this can make your endeavors move slowly and cause you much frustration, especially with the apparent limitations of your resources.

At the same time, concern for the limitations of your resources causes you to be careful and cautious, shutting you out from possible shortcuts and creative solutions provided by more daring people around you.

It is important that you recognize restrictions for what they are: guiding forces that are testing and directing you toward your goals. Your challenge is to be more imaginative and to attract more creative people into your life who can advise and inspire you.

In relationships, you tend to be somewhat moralistic. You are extremely honest and sincere. You have integrity and are trustworthy but can also be rigid and stubborn. Don't let your strong likes and dislikes overrule your common sense and compassion. Be more understanding of others' shortcomings.

Because you tend to focus on details, you can fall into a rut and become a little dull and overly serious. Often, people born with the 4 Expression need to lighten up and have more fun. You have a keen eye for detail. You have great stamina and can work conscientiously and persistently toward your goals. This eventually brings you success and standing in your community.

In your conservative and careful way, you are good with money. You are very conscious of the balance between income and expenditures. You can limit your expenditures; saving money is important to you.

You are a surprisingly good parent, and love to be involved with children. Somehow, you relate a little more than others to the innocence of children, perhaps seeing a good deal of yourself in them. You, too, are idealistic and respect the simplicity of children.

Many accountants, bookkeepers, government officials, managers, and lawyers are born under the 4 Expression. You can be attracted to the arts and music but will likely bring your love of structure and order to any artistic field. Classical music and opera are particularly appealing and inspiring for you.

HOW YOUR EXPRESSION NUMBERS COMPARE

More than any other number in your chart, your Expression number reflects who you are as a whole person on a deep level (rather than the "face" you show to the world, described by your Personality number).

It cannot be over-emphasized how important it is to recognize that the same number in a different area of your chart will affect you differently. There may be times you read something that seems to directly contradict an earlier statement. Yet, if you take time to carefully think about the opposing information you might recognize that, being the complex individual you are, you carry the same contradictions. This is natural and true for all of us. You may excel at organization in one area of your life, while chaos rules in another. You may be tactful and sensitive in one setting, but direct and confrontational in another.

Be aware that it is more difficult to overcome negative traits you recognize in yourself when they are found in this part of the chart, than when they are found under the Life Path description.

Anthony and Maryann, your Expression Compatibility is 7 and 4

Anthony and Maryann, your combination is almost made in heaven. “Almost” because you likely have a few sharp angles that need smoothing. Your numbers suggest this relationship is founded more on intellect and inner/spiritual levels than on the sensual, physical plane.

Maryann is practical, grounded, and goal-oriented. she is a doer who can take an idea, quickly eliminate what is unrealistic or unworkable, and bring it to fruition. Maryann is of the earth. Anthony, on the other hand, is the seeker: philosophical, intellectual, a bit of a dreamer, and full of ideas. Earth and heaven make up this combination and neither can exist without the other. Although this is only one aspect of the chart, its influence will help you overcome many of the obstacles and challenges inherent in every partnership.

This combination is often found among relationships that started early in life. The numbers are drawn to each other because what each has to offer is exactly what the other needs. Maryann (the 4) is attracted to Anthony’s more abstract and philosophical outlook on life. It inspires a sense of freedom and space that is lacking in her solid, dependable, but sometimes too structured and restrictive views. Maryann offers Anthony a stable, secure port in an internal universe that is often chaotic and unstable. With the 7 as Anthony’s number He understands the dangers that lurk in the corners of the subconscious when the mind wanders too far into the realm of dreams and abstract fears. Where Maryann offers stability, peace, and comfort, Anthony brings freedom to Maryann’s more restrictive mental approach. The complimentary traits of the 4 and 7 create romances that can last a lifetime.

The areas where you may need to compromise are of the more mundane, material type. While Maryann requires order and respectability (and feels uncomfortable and insecure without it), Anthony is comfortable with a bit of chaos and is not concerned about the approval of others. If you are successful in accommodating each other in these areas, you should be able to get as close to being “soul mates” as any two people can.

THE HEART'S DESIRE

The Expression number described above points to a more productive side of your life. Your Heart's Desire reflects a deeper, inner you; it suggests an underlying urge, your true motivation, and the general intention behind many of your actions. It reveals the environment and lifestyle you prefer, as well as your likes, dislikes, and the type of people you are drawn to. Consequently, it dramatically influences the choices you make in life.

It makes sense that the vowels of your name are the foundation for your Heart's Desire. Vowels are the peaks and valleys of a language. Notice how vowels leave your mouth in a free-flowing breath. Try it:

Aaaa.... Eeee.... Oooo.. Consonants though, are cut off either at the beginning or in the end.

You might say that it is in the flow of your breath that you express your deeper self.

Anthony, your Heart's Desire number is 8

You want success in its fullest meaning -- wealth, power, and material comforts. You have an enormous ambition. You dream of big projects, great undertakings, and rewards. You are a visionary. You see the horizon and the promise. In general, you also see the methods necessary to fulfill that promise. But you are not especially good with details; you need others to help you deal with the smaller parts of the picture.

Your challenge is to make full use of the full spectrum of your abilities, as indicated by your other core numbers. In the same way, you must bring forth the best from others and orchestrate their talents toward the realization of your vision. In short, you must lead by example, demonstrating the standard for commitment, determination, and excellence.

All of this requires effort on your part. You will meet with obstacles and difficulties. Your determination and commitment will be tested. But you have the power to overcome every obstacle you face and accomplish the goal you've set for yourself.

Your task in life is to learn to use power in refined and elevated ways. The expression and use of power are directly related to one's personal evolution. The more primitive uses of power rest with violence and the threat of deprivation. The higher expressions depend upon your capacity to care for and nourish the people and projects in your charge, giving each exactly what is needed at the appropriate time and in appropriate amounts.

You have a creative mind and an unusual approach to business and problem-solving. You need to cultivate your ability to evaluate others. It is essential for you to be involved in a project that challenges you and offers the potential for rewards. When you are uninvolved or unoccupied with a worthwhile task, you can become deeply despondent, depressed, and frustrated. You are the perfect example of the old platitude, "Idle hands are the devil's workshop."

Without a challenge, you can lose balance in life and become selfish, cruel, and even self-destructive. Disappointments become shattering, causing terrible consequences in self-image and self-love. Perspective is everything for you. You have a natural talent for balancing the spiritual and material planes.

You need to cultivate courage and stamina. Courage is a choice. You need to decide to be brave in the face of fear. A balanced 8 is among the most powerful and satisfying of numbers. It is the spirit of the true

survivor, able to bounce back and achieve a greater victory.

Maryann, your Heart's Desire number is 5

Freedom is essential for your happiness. You love change, new experiences, meeting new people, adventure and travel. You love the exotic, faraway places. Variety is more than mere spice of life -- you thrive on it. You are extremely flexible and adaptable. You have more curiosity than the proverbial cat. You have a sharp mind and a natural ability with words. You are a born communicator, clear, fluent, and imaginative in every area that interests you -- which are many!

Your Heart's Desire makes you very well equipped for life. Change -- the only constant in life -- doesn't threaten you, as it does other people. You are highly resourceful. Generally, you can think clearly in a crisis; you have good mental and physical reflexes. Whenever you fall, you tend to land on your feet.

You are highly enthusiastic. You get excited easily over a new idea or opportunity. Your nature is unconventional. You are a bit of a gambler, taking risks whenever you think the rewards are worth it.

You are very socially oriented and rarely, if ever, dull or boring. You are, of course, drawn to those people who, like yourself, are original thinkers and have exciting personalities.

You enjoy being involved in several projects at the same time. You need continual stimulation by the new and fascinating. You tend to discard boring pastimes quickly. Your love of freedom and change can have numerous consequences. You can be irresponsible, especially when it comes to finishing tasks. You have a hard time persevering at a given project and bringing it to completion.

You must be careful that your love of sensory pleasure doesn't lead you to excessive indulgence in alcohol, food, sex, and even drugs.

You are a bit of a hero and want to save the world. This causes you to make promises you often cannot keep. Down deep, you long to please everyone, an impossible goal. Many 5s can be emotionally superficial. They feel love passionately, but fear making deep and lasting commitments. As a result, they resist the depths of emotional attachments and remain on the surface where it is safe.

You will experience many changes and unusual events, but you learn best through experience. Therefore, your life will be full, and you will make great strides in personal growth.

HOW YOUR HEART'S DESIRE NUMBERS COMPARE

Compatibility of the Heart's Desire number is very important in a relationship. Few relationships last

beyond the initial stage if these numbers are not harmonious.

Anthony and Maryann, your Heart's Desire Compatibility is 8 and 5

Anthony and Maryann, this aspect of your chart suggests compatibility can only exist if your roles in the relationship are very different and somewhat separate. You both have unique qualities, but they rarely overlap. Perhaps the best way to describe the differences between your numbers is to look at them from a business rather than a romantic perspective.

As business partners, you could do very well - as long as you play different roles. The 5 (Maryann) is excellent at promotion and sales. she is dynamic, articulate, thinks fast, and finds solutions easily. Because Maryann can see through facades better than most people, it is easy for her to influence others and resolve personality issues.

Anthony, is a visionary, has a strong commanding presence, and has the persistence to overcome obstacles. The eye of the 8 is always intently focused on a future goal - a goal that will be met no matter what. Anthony is the executive, Maryann the marketing expert. These are very different qualities that can work well together if they recognize neither should try to tell the other how to do their job.

In a romantic relationship between the 5 and the 8, a similar picture emerges. If you do not tell your partner how to behave or what to consider a priority, things should be fine.

Other issues that appear in this combination have to do with Anthony's assertive personality and Maryann's social nature. Maryann does not do well being told what to do, and quickly rejects authority. Anthony, may become jealous or envious of Maryann's social life and many friends.

Your key to a successful relationship lies in giving one another space and freedom. Your relationship can be pleasant and long lasting, but you will probably need to be realistic about your expectations and maintain some distance in your lifestyles and day-to-day routines.

THE PERSONALITY

The consonants of your full name at birth are the foundation of your Personality number, which is a little like a narrow entrance hall to the great room that is your true nature. It's the outer layer of your personality, the part you feel comfortable sharing. With time and trust, you invite others into the deeper aspects of your nature.

Your Personality number serves as a censoring device in terms of what you send out, as well as whom and

what you allow to approach. For this reason, your Personality is usually narrower and more protective in its definition than the real you. It also gives an indication of how others perceive you.

Anthony, your Personality number is 8

You appear strong and powerful. You have an impressive personality and can influence and even intimidate through sheer force. You have natural authority. Your competence and enthusiasm attract people with resources. You radiate confidence. People defer to you because they sense your sureness and effectiveness. You also exude a kind of controlled benevolence. People sense that you are generous, once you are convinced of the worthiness of the cause.

It is important for you to dress well. You radiate a kind of raw power and able-ness which needs to be refined and enhanced by your clothing. You may even dress a bit flashy, but that will not harm you. Quality is among your highest priorities and should reflect in your clothing. Although most eights have a strong constitution, they can be prone to indigestion, ulcers, and heart disease due to their reckless eating and drinking habits and their propensity to be workaholics.

Your Achilles heel is your capacity for an egocentric attitude. The negative side of your personality can cause you to be ruthless, greedy, and intensely lonely. Conversely, you can be spontaneous and excited. You are essentially warm and jovial. In your heart of hearts, you want everyone to be as excited and as happy as you. Those who are around you often sense this. Your coworkers and employees usually like you.

Maryann, your Personality number is 8

Maryann, your Personality is also a 8; the same as Anthony's

HOW YOUR PERSONALITY NUMBERS COMPARE

Your Personality is the first aspect people notice when you first meet. Very few relationships have a chance to progress if their Personality numbers are not compatible.

Anthony and Maryann, your Personality Compatibility is 8 and 8

Anthony and Maryann, the fact that you both have an 8 in this part of the chart indicates you are well suited to support one another's endeavors, as well as start a venture together. You are both visionaries with imagination and a talent for business. However, you are also both driven to be in charge, and you don't like to surrender control. This may cause competition at times, which could lead to jealousy or anger. As long as you direct your strongly competitive natures against other forces, you have a good chance of a long and happy relationship, with the potential for financial prosperity as well.

The 8 is a good number for business, but its tendency to risk everything in pursuit of a dream could bring either tremendous success or total failure. No other number is willing to ride a financial roller coaster like the 8. You will need to keep an eye on each other in order to prevent extreme risk-taking.

Anthony and Maryann, the biggest danger for your relationship arises if financial problems become sizable.

Being financially strapped will negatively impact all other areas of your life, including romance. People who share the 8 are driven to achieve material success. It is important that you follow your heart and your intuition in the pursuit of success - that is the nature of the 8 - but it is equally important that you keep enough of your assets safely set aside to avoid serious problems.

Both of you understand the need for authority, particularly when it comes to raising children; however, this may lead to you be more controlling than most parents, which could be another source of trouble. When both parents have an 8 in this part of the chart, they tend to create environments where children are given everything they need (including plenty of love), but this is often accompanied by too much control, causing them to rebel.

It is important that you understand your authoritative nature and recognize that your partner – and children – have their own paths to forge.

MATURITY NUMBER

Your Maturity number indicates an underlying wish or desire that gradually surfaces at around age 30 to 35. A direction begins to emerge as you gain a better understanding of yourself. With this self-knowledge comes a greater awareness of who you are, and the direction you want to set for your life.

Anthony, your Maturity number is 3

As you mature, Anthony, you will find yourself becoming increasingly extroverted and optimistic about your future. Your self-expression and creativity improve markedly. You may become inspired to take up some type of artistic endeavor, such as writing, acting, or music, if you are not already involved in one of these areas.

Your ability to communicate will substantially improve. You are naturally more fluent and may find yourself dressing with a certain flair. Be careful not to fall victim to superficial appearances or chasing after glamour and extravagance.

With a 3 Maturity Number you can look forward to a pleasant and social latter part of life. Your attitude will be increasingly positive, and your popularity will rise.

If you already have several 3s in your chart, especially in your core numbers, you may tend to scatter your energies and take your responsibilities less seriously. If you have few 3s, or are missing 3s entirely, you will experience a great relief from the tension and seriousness of life. You will be more relaxed and capable of enjoying life.

The 3 Maturity Number is a blessing in the latter part of life. It promises enjoyment, close friendships, and much happiness.

Maryann, your Maturity number is 2

As you mature, you will discover that you possess a growing talent for understanding and working with other people. Your ability to influence others through tact and diplomacy will grow. These talents will further you along in your career or business. You will become increasingly shrewd and will learn the art of discrimination. Your sensitivity to the needs and desires of others improves dramatically. You will be able to evaluate their motivations with a growing clarity and uncanny accuracy.

You find you can get more done by persuasion and gentle guidance than by force. You may well have to learn to assume the role as the power behind the throne. Your influence is less public, and you may not always receive the public recognition you deserve. However, your satisfaction comes from seeing the fruition of your own ideas come about, the result of teamwork and cooperative efforts.

If you already have many 2s in your chart, especially in the core numbers, you may become overly sensitive, a characteristic you will have to keep in check. If you have few 2s in your chart, the influence of your Maturity Number will greatly increase your ability to work harmoniously with other people.

HOW YOUR MATURITY NUMBERS COMPARE

Your Maturity number becomes more dominant with age. The texts below become increasingly important after about age 40.

Anthony and Maryann, your Maturity Compatibility is 3 and 2

Maryann, with the sensitive 2 as your number, you may find it difficult to handle criticism and confrontation (which has the potential to make you hold a grudge). Just the opposite, Anthony's 3 gives him the innate ability to allow negative criticism to roll off without doing much damage. This does not mean Anthony can't be hurt, but simply that He does not allow such things to spoil the day. These differing approaches regarding emotional issues could create conflict between you.

Sometimes a little tactless, Anthony might speak before thinking, not realizing the effect his comments will have on Maryann. However, when "little things" grow into big emotional issues in which even Anthony is strongly affected, He will respond passionately. Although Anthony tends to be less affected by criticism or an emotional exchange, He has less control of his emotions. This might lead to expressing anger and sharp words that could hurt Maryann, damaging the relationship.

Maryann might respond with a few angry words but will more likely just withdraw. If this happens, a hard kernel of resentment wrapped in confusion can develop and sometimes remain hidden for a long time. Since Maryann may not always think clearly when emotions are in play, and may walk away from confrontation, she could eventually become so discontent that it would take everything Anthony has to bring her back.

On a positive note, the combination of 2 and 3 is very passionate and strong. If Anthony keeps verbal impulses under control, and Maryann has enough self-confidence to handle occasional criticism, the relationship has every chance of bringing lots of love and joy to your life.

Often, the combination of 2 and 3 in this area of the chart

enhances both parties' creativity. The sense of harmony and rhythm associated with the 2 merges beautifully with the creative powers of expression so native to the 3. Your relationship can be strengthened enormously by sharing creative interests.

Keep in mind that beauty and love are the foundation of your relationship. The key to weathering your differences is to discuss issues openly and frankly, with tact and sensitivity, as soon as they arise.
